Prior to the last date on which certificates of tax abatement with respect to the tax hereinabove levied for each year of levy are permitted by the County Clerks of Cook and DuPage Counties to be filed, but not later than February 1 of the next succeeding year, the City shall deposit into the Escrow Account, established pursuant to Section 8 of this Ordinance, any and all Pledged Taxes (as defined in the Escrow Agreement described in Section 8 of this Ordinance) theretofore collected and then held in the City's note redemption and interest fund. In the event proceeds of taxes hereby levied are not available in time to meet any payments of principal of and interest on the Notes, then the fiscal officers of the City are hereby directed to make such payments from any other funds of the City that are available for that purpose in advancement of the collection of the taxes herein levied and when the proceeds of such taxes are received, such other funds shall be replenished, all to the end that the credit of the City may be preserved by the prompt payment of the principal of and interest on the Notes as the same become due.

SECTION 7. The City shall appropriate annually amounts sufficient to pay principal of and interest on the Notes, but, if in any year it fails to do so this Ordinance shall constitute a continuing appropriation ordinance of the amounts necessary to pay principal of and interest on the Notes as provided in the Term Loan Agreement without any further action on the part of the City Council. The appropriate officers of the City are hereby ordered and directed to make such payments.

SECTION 8. There is hereby established a special account, separate and segregated from all other funds and accounts of the City, to be designated "Special Escrow for City of Chicago General Obligation Term Notes, Series 1980", said account (the "Escrow Account") to be maintained with Continental Illinois National Bank and Trust Company of Chicago as escrow agent (the "Escrow Agent"), pursuant to an agreement entitled Escrow Agreement (General Obligation Term Notes, Series 1980) (the "Escrow Agreement") between the City and the Escrow Agent in substantially the form attached hereto as Exhibit B.

SECTION 9. Moneys so deposited in the Escrow Account shall be invested in accordance with the Escrow Agreement.

The levy made in this Ordinance shall be for the sole benefit of the holders of the Notes and said holders shall have a claim against said levy and a first and prior lien upon all present and future proceeds of the levy of taxes for the Notes but only after such proceeds are deposited in the Escrow Account and only until the Notes are paid in full or until such proceeds are withdrawn or removed from the Escrow Account pursuant to the Escrow Agreement. On any principal or interest payment date, moneys in such Escrow Account shall be transferred in accordance with the Escrow Agreement.

SECTION 11. That the Escrow Agreement in substantially the form attached to this Ordinance as Exhibit B, be entered into and the same is hereby approved and shall be executed for and on behalf of the City by the Mayor, the City Treasurer and the City Comptroller and shall be attested by the City Clerk and the corporate seal of the City shall be affixed thereto.

SECTION 12. This Ordinance is made pursuant to the powers of the City as a home rule unit under the Illinois Constitution. The appropriate officers of the City are hereby authorized to take such actions and do such things as shall be necessary to perform, carry out, give effect to and consummate the transactions contemplated by the Ordinance, the Term Loan Agreement, the Notes and the Escrow Agreement.

SECTION 13. That to the extent that any statutes, ordinances, resolutions or orders, or parts thereof, are in conflict with the provisions of this Ordinance, the provisions of this Ordinance shall be controlling. If any provision of this Ordinance shall be prohibited by or invalid under Illinois or Federal law, that provision shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of the provision or the remaining provisions of this Ordinance. (a) *Authority of the City.* The City is a body politic and corporate duly organized and validly existing as a home rule unit within the meaning of Section 6 of Article VII of the Constitution of the State of Illinois. The City has full legal right, power and authority (i) to possess its properties and conduct its affairs, (ii) to adopt the Ordinance, (iii) to enter into this Agreement, (iv) to borrow money from the Banks for the purposes set forth in the Ordinance and this Agreement, and to issue, execute and deliver the Notes in evidence of such borrowing as provided in this Agreement and the Ordinance, (v) to secure and provide for payment of the Notes in the manner provided in the Ordinance, this Agreement, the Notes and the Escrow Agreement, (vi) to make the representations and covenants made by it in the Ordinance, this Agreement, the Notes and the Escrow Agreement, and (vii) to perform its other obligations contemplated under the Ordinance, this Agreement and the Notes and the Escrow Agreement. (c) *Litigation.* Except as stated in a certificate of the Corporation Counsel of the City furnished to the Banks, there is no action, suit, proceeding, inquiry or investigation, at law or in equity, or before or by any court, public board or body, pending against or, to the best of the knowledge of the City, threatened against the City (nor to the best of the knowledge of the City is there any basis therefor), which in any way questions the validity of the Ordinance, the powers of the City referred to in Section 2(a) above, or the validity of any proceeding taken or to be taken by the City in connection with the issuance, execution, sale and delivery of the Notes or wherein an unfavorable decision, ruling or finding would in any way materially and adversely affect the transactions contemplated by this Agreement or materially and adversely affect the ability of the City to fulfill its obligations under the Ordinance, this Agreement, the Notes or the Escrow Agreement and to levy ad valorem taxes unlimited as to rate and amount against all taxable property within the City sufficient to pay the principal of and interest on the Notes, or which in any way would materially and adversely affect the validity or enforceability of the Agreement, the Notes or the Escrow Agreement (or of any other instrument required or contemplated for use in consummating the transactions contemplated by this agreement) or the exemption of the interest on the Notes from Federal income taxation.

(d) *Legislation.* Except as stated in the certificate of the City Comptroller provided to the Banks, to the best knowledge of the City, there is no legislation pending before the Illinois General Assembly (or adopted by it and a waiting action by the Governor) or the Congress of the United States or ordinance pending before the City Council which would materially and adversely affect or limit the right, power or authority of the City to enter into this Agreement, to issue the Notes or to perform its obligations under the Ordinance, this Agreement, the Notes or the Escrow Agreement or which in any way would materially and adversely affect the validity of the Ordinance, the Notes, this Agreement or the Escrow Agreement (or any instrument required or contemplated for use in consummating the transactions contemplated hereby), nor is there any such legislation or ordinance which is not introduced for action in the General Assembly or Congress or before the Council, but which to the knowledge of the City is proposed to be so introduced and has been reduced to a written draft.

(f) *No Conflicts.* The adoption of the Ordinance, the execution and delivery by the City of this Agreement, the Notes and the Escrow Agreement, and compliance with the provisions of each of such instruments, will not conflict with, result in a breach of any provision of, or constitute a default under, any ordinance, resolution, indenture, commitment, agreement or other instrument adopted by the City or to which the City is a party or by which it is bound, or under any provision of the Constitution of the State of Illinois or any existing law, rule, regulation, judgment, order or decree to which the City (or any of its officers in their respective capacities as such) is subject.

(h) *Financial Statements.* The City has provided each Bank with the financial statements of the City for the fiscal year ended December 31, 1978, audited by Bansley and Kiener, independent certified public accountants, together with certain additional financial information constituting Part II of Appendix A to the Official Statement. Except as set forth in the Official Statement or as the Comptroller of the City has otherwise advised the Agent in writing, all such financial statements have been prepared in accordance with generally accepted accounting principles, applied on a consistent basis throughout the periods specified therein. Such financial statements, including in each case any related notes, are true, complete and correct in all material respects and present fairly the financial position of the City as at each balance sheet date and the results of its operations and changes in financial position for the periods covered thereby. Except as stated in the certificate provided by the City to the Banks and signed by the Comptroller of the City, and as otherwise disclosed in the Official Statement, no material adverse change has occurred in the financial position of the City or results of its operations since December 31, 1978.

(i) *Official Statement.* To the best knowledge of the Comptroller, the Official Statement, copies of which have previously been provided to each of the Banks, did not (as of the date thereof) contain any untrue statement of a material fact or omit to state as material fact necessary in order to make the statements made therein, in the light of the circumstances under which they were made, not misleading.

3. *General Conditions Concerning the Issuance and Sale of the Notes.*

(a) Subject to the terms and conditions of this Agreement, each Bank severally agrees to purchase the Notes on or before May 15, 1980 in the principal amount set forth opposite its name on the signature pages hereof, and the City agrees to sell the Notes to the Banks. The City shall give the Banks at least three business days prior written notice of the date of sale of the Notes under this Agreement. Upon such notice and upon fulfillment of the conditions described in Section 4 of this Agreement and delivery to the Agent of the Notes as provided in Section 5 of this Agreement, each Bank shall pay to the Agent funds in the principal amount of the Note it has agreed to purchase, and the Agent shall thereupon pay or cause to be delivered to the City the purchase price therefor, but, in the case of any Bank other than the Agent, only to the extent that the Agent shall have received funds from such Bank as above provided.

(b) All payments to be made pursuant to this Agreement shall be in Federal funds or other immediately available funds.

4. *Specific Conditions Concerning the Issuance and Sale of the Notes.*

The following shall be conditions to the issuance and sale of the Notes under this Agreement:

(a) Immediately prior to the issuance and sale of the Notes pursuant to this Agreement, the City shall deliver to the Agent, in sufficient number of counterparts to provide the Agent and each Bank with one such counterpart, the following documents, addressed to the Banks, in care of the Agent, and dated the date of the sale:

(i) A certified copy of the Ordinance as adopted by the City Council, approved by the Mayor of the City, and published as provided by law;

(ii) An executed copy of the Escrow Agreement;

(iii) An opinion of bond counsel acceptable to the Banks, in substantially the form of Exhibit C to this Agreement;

(iv) An opinion of the Corporation Counsel in substantially the form of Exhibit D to this Agreement;

(v) A certificate or certificates of the Mayor of the City and the Comptroller of the City: (A) identifying the Outstanding Obligations to be refinanced by the issuance of the Notes and stating that $111,800,000 of the proceeds of the Notes are to be used solely to pay the principal of and interest accrued on the Outstanding Obligations; (B) identifying the Additional Capital Projects to be financed with the issuance of the Notes and stating that the balance of the proceeds of the Notes are to be used solely to pay the costs of such Additional Capital Projects or to prepay the Notes; (C) stating that the representations and warranties of the City set forth in Section 2 hereof are true and correct on and as of the date of such certificate; (D) regarding the incumbency and term of office of each official of the City, whose signature appears on the Notes, this Agreement, the Escrow Agreement or any certificate or other document required to be delivered pursuant to this Agreement; (E) stating that no event of default, as defined in Section 12 of this Agreement and no event which, with the lapse of time or the giving of notice or both, would constitute such an event of default, has occurred and is continuing; and (F) certifying that the aggregate principal amount of the Notes does not exceed the amount appropriated in the Ordinance for the purpose of (a) paying the principal of and accrued interest on the Outstanding Obligations, and (b) paying the costs of the Additional Capital Projects;

(vi) An arbitrage certificate signed by the Mayor and the Comptroller of the City in form acceptable to bond counsel.

(b) The proceeds of the Notes in the amount of $111,800,000 shall be immediately used to pay principal and accrued interest on the Outstanding Obligations and all agreements relating to such Outstanding Obligations shall be thereupon terminated.

(c) Notwithstanding any other provision of this Agreement, no purchase of Notes shall be required to be made under this Agreement if, and as long as, any condition precedent to the purchase of the Notes shall not have been satisfied or if, and as long as, any event of default described in Section 12 of this Agreement or any event which, with the lapse of time or the giving of notice or both, would constitute such an event of default, shall have occurred and be continuing.

5. *The Notes.*

(a) The Notes to be purchased by each Bank shall be substantially in the form set forth in the Ordinance, with appropriate insertions in the appropriate spaces, and dated the date of issuance. The Notes shall be payable to each Bank in the principal amount thereof at the office of the Agent at 231 South LaSalle Street, Chicago, Illinois 60693. Principal of and interest on the Notes shall be payable as provided in Section 6 of this Agreement.

(b) The Notes shall be executed in the name of the City by the Mayor of the City and by the City Comptroller, shall be attested by the City Clerk and shall be sealed with the corporate seal of the City.

(c) The failure of the City to complete any project financed with the proceeds of Outstanding Obligations refinanced by the Notes or any of the Additional Capital Projects or the abandonment by the City of any such project or Additional Capital Project for any reason whatsoever shall not affect the obligation of the City to pay the Notes in full, both as to principal and interest, in accordance with their terms and this Agreement.

(d) Each Note shall be a direct and general obligation of the City to the payment of which (as to both principal and interest) the City pledges its full faith and credit. The Notes shall be payable (both as to principal and interest to the date of payment) from the proceeds of ad valorem taxes levied by the City without limitation as to rate or amount against all taxable property situated within the City sufficient to pay when due the principal of and interest on the Notes and from any other moneys, revenues, receipts, income, assets or funds of the City legally available for such purposes.

(e) Upon payment in full of principal of and interest on the Notes, the Notes shall be cancelled and surrendered to the City.

6. *Interest and Principal.*

(a) Each Note shall bear interest from its date until paid. Except as provided in paragraph (b) of this Section 6, the interest rate on the Notes shall be equal at all times to 70% of the Agent's Prime Rate from time to time in effect (and changing when the Agent's Prime Rate changes); provided, however, that the interest rate on the Notes shall not be greater at any time than 11% per annum. The Agent shall notify the City within three (3) business days after any change in the Agent's Prime Rate. The failure of the Agent timely so to notify the City of any change in the Agent's Prime Rate shall not affect the obligation of the City to pay interest at the rates specified in this Agreement as long as such notice is given prior to payment of such interest.

(b) Notwithstanding the provisions of paragraph (a) of this Section 6, the interest to be paid with respect to any Bank owning a Note shall be at a rate equal at all times to 11% for any period during which interest on its Note is required to be included in the gross income of such Bank for Federal income tax purposes. No Bank shall include interest on its Note in its gross income for Federal income tax purposes, or enter into any settlement agreement with the United States Internal Revenue Service whereby interest on its Note will be so includable, in whole or in part, without first having given notice to the City of the reasons for so including or agreeing to include interest in the gross income of such Bank and permitting the City, at its option and at its own expense, to challenge on behalf of or, at the option of such Bank, in conjunction with such Bank any determination or decision of the Internal Revenue Service requiring interest so to be included in gross income for Federal income tax purposes. Promptly after such interest has been required to be included in the gross income of any Bank for Federal income tax purposes, or upon any Bank entering into a settlement agreement providing for such inclusion of such interest, the City shall pay to such Bank, the difference between (i) the interest, if any, which has been paid on the Note in respect of the period during which such interest is required to be included in the gross income of such Bank for Federal income tax purposes and (ii) interest on the Note for such period at the rate equal to 11%.

(c) Except in connection with any prepayment or acceleration in accordance with this Agreement and in connection with additional payments as provided in paragraph (b) of this Section 6, interest on each Note shall be payable on April 1, 1981, October 1, 1981 and semi-annually thereafter on each April 1 and October 1 until such Note is paid. Interest on each Note shall be computed on the basis of a year of 360 days and twelve thirty-day months in respect of the principal amount of such Note from time to time outstanding and unpaid.

(d) Principal on each Note shall be payable in annual installments on October 1 of each year during the period commencing on October 1, 1981 and ending on October 1, 1992, in accordance with the following schedule:

[Schedule I printed on page 2817 of this Journal]

7. *Prepayment and Payment of the Notes.*

(a) The City may, at its option, at any time or from time to time, upon 15 days' prior notice to the Agent and without premium or penalty, prepay ratably the Notes, in whole, or in part in any integral multiple of $100,000. Any such prepayment shall be accompanied by payment of the unpaid accrued interest on the principal amount so prepaid to the date of such prepayment, and shall be applied as provided in paragraph (b) of Section 8 hereof. Any partial payment or prepayment of a Note shall be evidenced by notation on the back thereof by the holder to indicate the date of such payment or prepayment and the amount thereof.

(b) The City shall promptly prepay the principal of the Notes from the net proceeds of any sale of parking facilities owned by the City, which contract of sale is entered into in 1980 and which sale is not contemplated in the City's 1980 budget as of the date of this Agreement.

(c) All payments and prepayments of principal of and interest on the Notes shall be paid to the Agent for the account pro rata of the Banks entitled thereto in accordance with the provisions of this Agreement. The Agent shall immediately distribute to each Bank all payments of principal or interest received by the Agent for the account of such Bank. All amounts received by each Bank (whether as a result of payment transmitted by the City or otherwise) on account of payment of interest on or principal of the Notes shall be so applied by it to its Note.

(d) If on October 15 of any year, the aggregate of the amounts held in the Escrow Account described in Section 9 hereof and of the amounts in the note redemption and interest fund of the City attributable to the Notes shall exceed one-twelfth of the aggregate principal and interest paid on the Notes during the 12 month period preceding such October 15, the City shall promptly prepay the principal of the Notes in an amount equal to the difference between (i) the aggregate of such amounts then held in the Escrow Account and such fund and (ii) one-twelfth of the aggre-

gate principal and interest so paid during such 12 month period. Any such prepayment shall be made from amounts held in the note redemption and interest fund and/or in the Escrow Account, and, in the latter case, the City Comptroller shall deliver a written direction to the Escrow Agent to apply all or part of the funds held in the Escrow Account to such prepayment.

8. *Levy of Tax; Application of Payments.*

(a) For the purpose of providing for the prompt payment of the principal of and interest on the Notes, as the payments severally become due, there has been levied by the City Council of the City in the Ordinance and there shall be collected a direct annual tax in addition to all other taxes upon all the taxable property within the City sufficient therefor; provided, however, that the taxes so levied for each year may be abated as provided in Section 6 of the Ordinance.

(b) Except as provided in paragraph (c) of this Section 8, all prepayments by the City with respect to the principal of the Notes shall be applied, at the election of the City, in the direct or inverse order of principal installments, or ratably against all remaining principal installments. At the time of any such prepayment, the City shall notify the Agent in writing of the manner in which such prepayment is to be applied to the principal due on the Notes.

(c) Any prepayment made by the City from funds derived from the sale of parking facilities pursuant to paragraph (b) of Section 7, shall be applied ratably against principal installments due on the Notes prior to April 1, 1986.

(d) If any of the Banks shall obtain any payment or prepayment (whether voluntary or involuntary) in respect of principal of or interest on its Note in excess of its prorata share of payments then obtained by all Banks in respect of principal of and interest on all Notes, then such Bank shall purchase from the other Banks such interest (at face value) in their Notes as shall be necessary to cause such purchasing Bank to share the excess payment received ratably with such other Banks; provided, however, that if all or any portion of the excess payment is thereafter recovered from such purchasing Bank, the purchase shall be rescinded and the purchase price restored to the extent of such recovery but without interest.

9. *Escrow Account; Claim and Lien in Favor of Noteholders.*

(a) Proceeds of the taxes hereby provided to be levied for the payment of the principal of and interest on the Notes shall be deposited in escrow with Continental Illinois National Bank and Trust Company of Chicago as escrow agent (the "Escrow Agent"), in a special account separate and segregated from all other funds and accounts of the City, to be designated as "Special Escrow for City of Chicago General Obligation Term Notes, Series 1980" (the Escrow Account"), and shall be faithfully applied to the payment of principal of and interest on the Notes. The Escrow Account shall be established pursuant to the Ordinance and the Escrow Agreement substantially in the form attached hereto as Exhibit A. Taxes levied for the Notes (the "Pledged Taxes"), shall be deposited by the City Treasurer in the Escrow Account in accordance with the terms of the Escrow Agreement. The levy of taxes for the Notes shall be for the sole benefit of the holders of the Notes and such holders shall have a claim against such levy and a first and prior lien upon all present and future proceeds of such levy but only after such proceeds are deposited in the Escrow Account and only until the principal of and interest on the Notes are paid in full or until such proceeds are withdrawn or removed pursuant to the Escrow Agreement.

In the event that sufficient moneys are not deposited in the Escrow Account to meet in a timely manner the required principal and interest payments on the Notes, then other moneys of the City shall be so deposited therein, at or before the time such principal and interest is due so as to provide for timely payment thereof.

Moneys so deposited shall be used solely and only for the purpose of paying the principal of and the interest on the Notes and shall not be used for any other purpose so long as the Notes remain outstanding. Pending the need for the use of the moneys so deposited, the Escrow Agent shall invest the moneys so deposited in accordance with the provisions of the Escrow Agreement.

10. *Use of Proceeds for Additional Capital Projects.*

Proceeds of the Notes in the amount of $7,000,000 to be used to pay, or to reimburse the City for payments from other funds, of the costs of the respective Additional Capital Projects shall be set aside and held in separate funds of the City pending their use to pay such costs. Moneys in such funds may be invested and reinvested by the City in any securities which are legal investments for City funds; provided that the moneys held in such funds may not be used temporarily or otherwise borrowed to pay any other operating or capital expenses of the City other than costs of the respective Additional Capital Projects or to prepay the Notes.

11. *Covenants.* The City hereby covenants and agrees with the Banks that so long as the Notes are not paid in full:

(a) The City shall duly and punctually pay the principal of and interest on the Notes out of the sources of payment specified in Section 5(d) hereof at the dates set forth in this Agreement and in accordance with the terms and conditions of the Escrow Agreement entered into pursuant to Section 9 hereof. All amounts payable by the City to the Banks under this Agreement or the Notes shall be paid to the Agent at 231 South LaSalle Street, Chicago, Illinois 60693.

(b) The City hereby pledges its full faith and credit to the payment of the principal of and interest on the Notes and of any other amounts payable by the City to the Banks under this Agreement. The City hereby covenants and agrees that the City shall levy and collect taxes which it is now authorized and empowered to impose, or which it may additionally hereafter be authorized and empowered to impose, including, without limitation, direct taxes upon all taxable property within the City, without limitation as to rate or amount, sufficient to enable the City to pay the principal of and interest on the Notes as they come due.

(c) The City shall appropriate by ordinance as provided by law sums sufficient to pay the Notes in full, both as to principal and interest, when due. To the extent that the City should fail to include in any appropriation ordinance (including supplements thereto) for any year an amount sufficient to pay the principal of and interest on the Notes due during such year, the Ordinance shall constitute a continuing appropriation of such amounts for such purposes, as provided in the Ordinance.

(d) In addition to the Escrow Account established pursuant to Section 9 hereof, the City shall maintain separate and segregated escrow accounts with respect to the Bond Principal and

Interest Fund, the Public Building Commission Rental Fund, the funds for the payment of the City's outstanding General Obligation Tax Anticipation Notes and Special Service Area Number One Bonds and each and every other fund of the City relating to the repayment of general obligation indebtedness (other than short-term indebtedness issued pursuant to revolving credit agreements for which no tax is levied) with a bank or banks or trust company or companies, as escrow agent(s), pursuant to escrow agreements substantially similar to the Escrow Agreement and the City shall make no permanent or temporary transfers (including interfund loans) from any such escrow accounts, except as permitted by such escrow agreements, for purposes other than payment of debt service for which such fund was established;

(e) As soon as practicable following the end of each fiscal year, the City shall furnish the Banks with a comprehensive audit report of the City's finances and funds (and the accompanying management letter) by one of the eight largest national firms of independent certified public accountants selected by the City and acceptable to the Banks. Upon any proposed change in accounting firms, the City shall provide to each Bank a statement of the Mayor of the City as to whether the City Council has recommended or approved or disapproved of such change and stating the reasons for such recommendation, approval or disapproval. Each year-end financial statement shall be furnished to each Bank within 240 days after the last day of the City's fiscal year.

(f) The City will furnish to each Bank the available unaudited quarterly financial reports prepared by the City for each of the first three quarterly fiscal periods of each fiscal year of the City. Each quarterly statement shall include a statement of revenues and expenditures for the Corporate Fund and any other funds for which such information is available, a quarterly cash flow statement including projected cash flow for the remainder of the unexpired budget period, and any other information reasonably requested by the Banks. Each quarterly financial report shall be furnished to each Bank within 90 days after the last day of the quarterly fiscal period to which such report relates.

(g) It is the intention of the City and the Banks that the interest on the Notes be excluded from the gross income of the Banks for Federal income tax purposes by reason of the provisions of Section 103 of the Code, or any substantially similar successor provision hereinafter enacted. To that end, the City covenants that it will not take any action, or omit to take any action which is lawful and within its power to take, and which, if taken or omitted, would cause interest on the Notes to become includable in the gross income of the holders thereof for Federal income tax purposes. Without limiting the foregoing, the City covenants that no funds of the City will be invested or used in such manner that would cause the Notes to be "arbitrage bonds" within the meaning of Section 103(c) of the Code and the applicable regulations promulgated thereunder, as they may be in force and applicable at the time of such investment or use.

(h) If there is a failure by the City to eliminate the cumulative fund balance deficit(s) if any, (a) in the Corporate Purposes Fund of the City as of the end of its 1980 fiscal year, or (b) in the four major Internal Service Funds of the City (i.e., Electrical Service, Electrical Construction, Equipment Service and Public Works Revolving Funds) as of the end of its 1982 fiscal year, the City will, in each case, levy not later than December 31 of the respective following year, direct taxes upon all taxable property within the City, collectible during the year following the levy, sufficient, together with any other fiscal action taken by the City prior to such levy, to enable the City to eliminate such deficits upon the collection of such taxes.

12. *Events of Default.*

(a) If one or more of the following "events of default" occur:

(i) Default in the payment of principal of, or interest on, the Notes when due;

(ii) Default by the City in the payment of any other general obligation indebtedness for borrowed money (including lease rental payments to the Public Building Commission of Chicago) or any water or sewer revenue notes (which water or sewer revenue notes are held at such time by any of the Banks) when the same becomes due and payable or the failure by the City to observe or perform any term, covenant or agreement contained in any agreement, instrument, ordinance or resolution by which it is bound evidencing or securing general obligation indebtedness for borrowed money for such period of time as would cause acceleration of the maturity thereof or would permit (assuming the giving of appropriate notice if required) the holder or holders thereof to accelerate the maturity thereof;

(iii) The failure by the City to observe or perform in any material respect any term, covenant or agreement contained in the Escrow Agreement;

(iv) Any representation made by the City herein or in any schedule, statement, exhibit, report, certificate, notice or writing furnished by the City to the Banks in connection herewith of which the Banks have given notice to the City shall be untrue in any material respect on the date as of which the facts set forth are stated or certified and, with respect only to financial reports delivered pursuant to Sections 11(e) and (f) hereof, which is not made good within 30 days after notice thereof from the Agent or any of the Banks;

(v) Legislation shall be enacted or a referendum of the electors of the City shall be passed or a decision by a court of competent jurisdiction shall become final and not subject to further review which prevents the City from complying with the Ordinance, the Notes, this Agreement or the Escrow Agreement or limits or modifies the powers of the City in any way which materially and adversely impairs the ability of the City to pay any of its general obligation indebtedness as the same become due or materially and adversely impairs the ability of the City to perform its obligations under the Ordinance, this Agreement, the Notes or the Escrow Agreement, or the Ordinance shall be modified or amended except as permitted by this Agreement;

(vi) Default in the performance of any of the City's agreements set forth herein or in the Ordinance (and not constituting an event of default under any of the preceding subsections of this Section 12(a)) and continuance of such default for 30 days after notice thereof to the City from the Agent or from any Bank; or

(vii) A decree or order by a court having jurisdiction shall be entered adjudging the City a bankrupt or insolvent, or approving as properly filed a petition seeking reorganization or rearrangement of the City under the Federal bankruptcy laws or any similar applicable Federal or Illinois law, and such decree or order shall continue undischarged or unstayed for a period of 30 days; or a decree or order of a court having jurisdiction in the premises for the appointment of a receiver, liquidator, trustee or assignee in bankruptcy or insolvency of the City or all or any material portion of its property, or for the winding up or liquidation of the City or all or any material portion of its property, shall be entered, and such decree or order shall continue undischarged and unstayed for a period of 30 days; or

(viii) The City shall institute proceedings to be adjudicated a voluntary bankrupt, or shall consent to the filing of a bankruptcy proceeding against it, or shall file a petition or answer or consent seeking reorganization or arrangement under the Federal bankruptcy laws or any similar applicable Federal or Illinois law, or shall consent to the filing of any such petition, or shall consent to the appointment of a receiver, liquidator, trustee or assignee in bankruptcy or insolvency of the City or of all or any material portion of its property, or shall make an assignment generally for the benefit of creditors, or shall admit in writing its insolvency or inability to pay its debts generally as they become due, or any action shall be taken by the City in furtherance of any of these purposes.

Then the Agent, upon the request of any two or more Banks (which may include the Agent) holding in the aggregate interests in 50% or more of the unpaid principal amount of the Notes, shall, declare the principal of and accrued interest on the Notes to be immediately due and payable, and the Notes shall thereupon be and become immediately due and payable, without presentment, demand, protest or notice of any kind, all of which are expressly waived, and without relieving the City of any of its obligations under the Ordinance or this Agreement; provided, however, that in the case of any occurrence of any event of default described in the foregoing clauses (vii) or (viii), the Notes shall become due and payable forthwith without the requirement of any such declaration or request, and without presentment, demand, protest, or other notice of any kind, all of which are expressly waived.

(b) If any event of default or event which might mature into an event of default has occurred and is continuing, the Agent may take whatever action at law or in equity which may appear necessary or desirable to collect the principal of and interest on the Notes then due and thereafter to become due, or to enforce performance and observance of any obligation, agreement or covenant of the City under the Ordinance, this Agreement or the Notes, whether for specific performance of any covenant or agreement contained in the Ordinance, this Agreement or the Notes or in aid of the execution of any power granted in this Agreement or the Ordinance.

(c) No remedy in this Agreement conferred upon or reserved to the Agent or the Banks is intended to be exclusive of any other available remedy or remedies. Each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Agreement, as now or subsequently existing at law or in equity or by statute. No delay or omission to exercise any right or power occurring upon any event of default shall be construed to be a waiver of such right or power, but any such right or power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Agent or the Banks to exercise any remedy reserved in this Agreement, it shall not be necessary to give any notice other than notice required by this Agreement.

(d) In the event of any default in payment of principal of or interest on the Notes when due any indebtedness from the Agent or from any Bank to the City may be set off and applied to the payment of the defaulted principal of or interest on the Notes. This paragraph shall not apply to any funds held by the Agent or any Bank, in its capacity as trustee, escrowee or paying agent, in any segregated escrowed or trusteed account or to any taxes, assessments or charge made by the City in its governmental capacity as to which funds there shall be no such setoff or application.

(e) Any request by the City for a waiver or consent with respect to a default (other than a default described in Section 12 (a) (i), (ii), (vii) or (viii) hereof), shall be acted on by the Banks within 60 days after receipt of written request therefor, and if not acted on within such time shall be deemed to have been granted. Any such request shall contain full and complete disclosure of all material facts, and any waiver granted shall be effective only to the extent of such disclosure.

13. *The Agent.*

(a) Each Bank authorizes the Agent to act on behalf of such Bank to the extent provided in this Agreement and to take such other action as may be reasonably incidental to such action.

(b) The Agent shall not be required to do any act under this Agreement, or take any action towards the execution or enforcement of the agency created by this Agreement or to prosecute or to defend any suit in respect of this Agreement or any security unless indemnified by the Banks to the satisfaction of the Agent against loss, cost, liability and expense. If any indemnity furnished to the Agent for any performance should become impaired, the Agent may call for additional indemnity and may cease to do the acts indemnified against until such additional indemnity is given.

(c) Each Bank agrees to reimburse the Agent, to the extent not reimbursed by the City, for such Bank's pro rata share (based upon its percentage of the aggregate commitment set forth on the signature pages of this Agreement) of all reasonable out-of-pocket expenses (including reasonable attorneys' fees and legal expenses) incurred by the Agent under or in connection with this Agreement or in enforcing the obligations of the City under this Agreement, the Ordinance, the Notes or the Escrow Agreement, or in enforcing any security for this Agreement or the Notes.

(d) The Agent shall promptly distribute to each of the Banks such Bank's pro rata share of all payments actually received by the Agent with respect to the Notes. The Agent shall conclusively deem each of the Banks to have continuing interests in its Note until such time as the Agent shall have received written notice from such Bank that its interest in its Note has been assigned as provided in Section 14(b) of this Agreement to a proper assignee, which notice shall set forth the name and address of such assignee.

(e) Neither the Agent, nor any of its directors, officers, employees or agents, shall be liable as such for any action taken or omitted by it or them, except for its own or their own gross negligence or willful misconduct, nor be responsible for any recitals or warranties in this Agreement, nor for the execution or validity of this Agreement or the Notes, nor for the validity, effectiveness or enforcement of any security, nor to make any inquiry concerning the performance by the City of its obligations. The Agent shall be entitled to rely upon advice of counsel concerning legal matters and upon any certificate, schedule, statement, report, notice or writing which it believes to be genuine or to have been presented by a proper person.

(f) The Agent may resign as such at any time upon at least 30 days' prior written notice to the City and the Banks, such resignation to take effect upon the appointment of and acceptance by a successor agent in accordance with the next sentence of this Section. In the event the Agent gives notice of its resignation, Banks holding in the aggregate interests in more than 50% of the unpaid principal amount of the Notes shall, as promptly as practicable, appoint a successor agent.

(g) Each Bank acknowledges that it has, independent of the Agent and any other Bank and based on such financial statements, documents, information and investigations as has been furnished by the City, made its own credit decision to make the loan to the City under this Agreement. Each Bank also acknowledges that it will, independently of the Agent and any other Bank and based on such documents, information and investigations as it shall deem appropriate, continue to make its own credit decisions in exercising or not exercising from time to time any rights and privileges available to it under this Agreement and any instrument executed pursuant to this Agreement.

(h) Each assignee of an interest of a Bank in a Note pursuant to Section 14(b) of this Agreement shall have with respect to such interest all of the rights, privileges, authorities, duties and obligations of its assignor from and after the time that notice in writing of such assignment shall have actually been received by the Agent.

14. *General.*

(a) No official, officer, agent or employee of the City shall be liable personally on the Notes by reason of the issuance thereof.

(b) This Agreement shall be binding upon and shall inure to the benefit of the City, the Agent and the Banks, and the respective successors and assigns of the Agent and the Banks but only to the extent such assignment is permitted under this paragraph (b), and shall inure to the benefit of each such assignee of any Note or any interest therein. Any Bank may assign its interests in this Agreement or its Note (either in whole or in part) only to any other national or state bank. Any such assignee shall be considered to be a Bank for purposes of this Agreement. The Bank assigning any interest in its Note shall promptly notify the City and the Agent of such assignment and of the name and of the address of the assignee. The failure so to give notice of assignments shall not affect the validity of such assignment.

(c) The provisions of this Agreement, the Notes and the Ordinance shall each constitute a contract among the City, the Agent and the Banks. Any owner of any interest in the Notes (or the Agent on its behalf where properly authorized by the owner either in this Agreement or otherwise) may either in law or equity, by suit, action, mandamus or other proceeding, enforce or compel performance by the City and its officials of all duties required by law, the Notes, this Agreement or the Ordinance. No change or modification, or waiver pursuant to Section 12(a) hereof shall be made in this Agreement, the Notes, the Ordinance or the Escrow Agreement which in any way affects the obligation of the City with respect to the Notes, this Agreement, the Ordinance or the Escrow Agreement without the prior written consent (except as otherwise provided in Section 12(e)) of the City and Banks holding in the aggregate interests in more than 50% of the unpaid principal amount of the Notes, but no such change or modification in the maturity, principal amount, principal installment payment dates or amounts, interest payment dates, interest rates, security or sources of payment of the Notes shall be made without the prior written consent of the City and each of the Banks.

(d) Whenever possible each provision of this Agreement shall be interpreted in a manner as to be effective and valid under Illinois law, but if any provision of this Agreement shall be prohibited by or invalid under applicable law, that provision shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of the provision or the remaining provisions of this Agreement.

(e) This Agreement may be executed in any number of copies and by the different Banks on separate counterparts; provided, however, that each counterpart shall be executed by the City and the Agent. When counterparts executed by all parties shall have been received by the Agent, this Agreement shall become effective and at that time the Agent shall notify the City and each Bank.

(f) No failure or delay by the Agent or the Banks in exercising any right, power or privilege under the Ordinance, the Note or this Agreement shall operate as a waiver of that right, power or privilege, nor shall any single or partial exercise or any right, power or privilege preclude any other or further exercise of that right, power or privilege or the exercise of any other right, power or privilege.

(g) This Agreement shall terminate upon the payment of all the Notes in full as to both principal and interest, together with all other amounts due under this Agreement.

(h) Each of the Banks severally represents that it is purchasing its Note for its own account for investment and with no present intention of distributing or reselling its Note or any interest therein, but subject, nevertheless, to the disposition of its Note and all interests therein being at all times within its sole discretion and control.

(i) Any notice under this Agreement shall be effective upon receipt and shall be delivered, in the case of the City, to the City at City Hall, attention Comptroller, and, in the case of the Agent or the Banks, to the Agent at 231 South LaSalle Street, Chicago, Illinois 60693, attention Public Finance Department.

In Witness Whereof, the parties to this Agreement have caused it to be executed by their respective authorized officers as of the day and year first above written.

(A) *Pledged Taxes*—Prior to the receipt by the Treasurer of the first distribution of property tax collections in any Year, commencing in 1981, the Comptroller shall issue to the Treasurer (with a copy to the Escrow Agent) a Segregation Order specifying the percentage of each distribution of property taxes to be received by the Treasurer during such Year which is attributable to Pledged Taxes and directing that such percentage of each such distribution be segregated and paid to the Escrow Agent, and promptly upon receipt of each such distribution of property taxes from the County Collector, the Treasurer shall so segregate and pay to the Escrow Agent for deposit in the Escrow Account an amount equal to the amount of such distribution multiplied by the percentage specified in the Segregation Order; and

(B) *Additional Deposits*—In the event that sufficient moneys are not on deposit in the Escrow Account to meet in a timely manner any required principal or interest payments on the Notes, then other moneys of the City shall be so deposited therein (the "Additional Deposits"), not less than one (1) business day before the time such principal or interest is due, in an amount sufficient to provide for timely payment thereof.

Such segregations, payments and deposits shall continue in each Year but only until an amount has been so deposited which, together with all monies on deposit, is sufficient to make the payments of principal of and interest on the Notes due in such Year (with interest for any past period being computed at the actual rate accrued on the Notes and interest for any future period being computed at the maximum rate provided in the Note Ordinance), and thereafter no further deposits shall be required to be made in such Year.

Article III. Operation of the Escrow Account

3.01. *Amounts Held in Escrow Account.* Moneys deposited in the Escrow Account shall be used solely and only for the purpose of paying principal of and interest on the Notes and shall not be used for any other purpose (other than making investments permitted by Section 3.03 hereof) so long as the Notes remain outstanding and unpaid. The holders of the Notes shall have a first and prior lien upon (i) all present and future proceeds of the Pledged Taxes and (ii) Additional Deposits but only after such proceeds or Additional Deposits are deposited in the Escrow Account and only until the principal of and interest on the Notes are paid in full or until such proceeds or Additional Deposits are withdrawn or removed from the Escrow Account pursuant to this Section 3.01 or Section 3.03 hereof. Any amount remaining on deposit in the Escrow Account subsequent to the payment in full of all principal and interest coming due in any Year (other than net earnings on Permitted Investments which shall be distributed to the City pursuant to Section 3.03 hereof) shall be retained in the Escrow Account to be applied to the payment of principal of and interest on the Notes; provided, however, that if on October 15 of such Year the aggregate of the amounts held in the Escrow Account and of the amounts in the appropriate note redemption and interest fund of the City attributable to the Notes shall exceed one-twelfth of the aggregate principal and interest paid on the Notes during the 12 month period preceding such October 15, the City Comptroller may direct in writing that all or part of the funds held in the Escrow Account be applied to the prepayment of principal of the Notes, together with accrued interest on the amount to be prepaid, in accordance with the requirements of Section 7(d) of the Term Loan Agreement identified in the Note Ordinance, in which event the Escrow Agent shall transfer funds in the amount so directed to the Agent for prepayment of the Notes in accordance with the procedures set forth in Section 3.02 hereof.

3.02. *Payment of the Notes.* On each interest payment date, the Escrow Agent shall pay to the Agent identified in the Note Ordinance all principal of and interest on the Notes coming due on such date. All transfers of money to the Agent shall be in immediately available funds. The remittance by the Escrow Agent of such moneys to the Agent shall fully release and discharge the Escrow Agent from any further duty or obligation with respect thereto under this Agreement. The Escrow Agent is authorized to liquidate any investments in the Escrow Account in order to make available moneys necessary to make such transfers.

3.03. *Investment Moneys in Escrow Account.* Pending the need for the moneys deposited and to be deposited in the Escrow Account to be used for payment of principal of and interest on the Notes. said moneys may be invested by the Escrow Agent only in Permitted Investments in accordance with the written directions of the Comptroller, with written affirmation of the Treasurer. Investments shall be scheduled to come due to meet maturing principal and interest payments on the Notes in a timely manner.

The Escrow Agent shall report on the status of investment moneys in the Escrow Account on a monthly basis, pursuant to Section 3.04, and distributions of net earnings on Permitted Investments shall be paid as received to the City; provided, however, that no such payment of net earnings shall be made at a time when total funds in the Escrow Account are not sufficient to make all payments due holders of the Notes during the current Year (with interest for any past period being computed at the actual rate accrued on the Notes and interest for any future period being computed at the maximum rate provided in the Note Ordinance). Net earnings on Permitted Investments shall be used to pay principal and interest on the Notes when due to the extent other funds on deposit in the Escrow Account are insufficient; provided, however, that after all payments due holders of the Notes during the current Year have been made, such portion of any amounts remaining in the Escrow Account as is equal to net earnings used to pay principal and interest on the Notes, shall be paid to the City.

3.04. *Reports.* The Escrow Agent will submit to the Treasurer and the Comptroller on or before the 20th day of each month, commencing in the month of March, 1981, a statement, as of the 10th day of such month, itemizing all moneys received by it and all payments made by it under the provisions of this Agreement during the one-month period ending on such 10th day, and also listing the Permitted Investments on deposit therewith on the date of said report, including all moneys held by it received as interest on or profit from the Permitted Investments.

The Comptroller will advise the Escrow Agent at least 10 days prior to any principal or interest payment date of the amount of principal and/or interest due on the Notes on such payment date. If it shall then appear to the Escrow Agent that the total funds in the Escrow Account, including deposits therein, investments, and earnings on investments, will not be sufficient to make any payment due to the holders of any of the Notes on such payment date, the Escrow Agent shall notify the City not less than five (5) days prior to such date and the City shall make deposits therein pursuant to Section 2.02 hereof.

3.05. *Payment of Fees.* The fees of the Escrow Agent shall be paid by the City. Such fees shall be competitive with fees charged for similar services by other banking institutions within the City.

Article IV. Covenants

The City and the Escrow Agent covenant and agree as follows:

4.01. The Escrow Agent shall have no responsibility or liability whatsoever for (a) any of the recitals herein (except those relating to its own organization), (b) the performance of or compliance with any covenant, condition, term or provision of the Notes, or the Note Ordinance, and (c) any undertaking or statement of the City hereunder or under the Notes or the Note Ordinance. 4.06. The Escrow Agent shall not be personally liable for any act taken or omitted hereunder if taken or omitted by it in good faith and in the exercise of its own best judgment. EXHIBIT C

Opinion of Bond Counsel

May . . . ., 1980.

To Each of the Note Purchasers
Named in Schedule A Hereto

Dear Sirs:

We have examined a certified copy of the record of proceedings of the City Council of the City of Chicago, Illinois (the "City") pertaining to the issuance by the City of its General Obligation Term Notes, Series 1980 (the "Notes") in an aggregate principal amount of $118,800,000. We have also examined an executed copy of the General Obligation Term Loan Agreement dated as of April 1, 1980 (the "Agreement") among the City, the Note Purchasers named in Schedule A hereto and Continental Illinois National Bank and Trust Company of Chicago, as agent (the "Agent"), an executed copy of the Escrow Agreement (General Obligation Term Notes, Series 1980) dated as of April 1, 1980 (the "Escrow Agreement") between the City and Continental Illinois National Bank and Trust Company of Chicago, as escrow agent (the "Escrow Agent"), accompanying certificates of the City and an opinion of even date herewith delivered by the Corporation Counsel of the City.

The Notes are issued pursuant to an ordinance adopted by the City on April . . . ., 1980 and effective on . . . ., 1980 (the "Ordinance"). The Notes are dated May . . . ., 1980, and have a stated maturity of October 1, 1992. The Notes bear interest at a rate equal to 70% of the Agent's Prime Rate (as defined in the Agreement) from time to time in effect, except that the interest rate on the Notes may not exceed 11% per annum. The Notes are prepayable as provided in the Ordinance and the Agreement.

Based upon the foregoing, we are of the opinion that:

1. The City is a body politic and corporate of the State of Illinois pursuant to the laws of the State of Illinois, and is a home rule unit within the meaning of Section 6(a) of Article VII of the 1970 Constitution of Illinois.

2. The City, acting by its City Council, has the full power and authority and has taken all necessary action to enter into the Agreement and the Escrow Agreement.

3. We have examined the Notes authorized to be issued by the Ordinance which are further described as follows:

Note Number	*Denomination*	*Name of Purchaser*
. . . .	. . . .	. . . .

The Agreement and the Escrow Agreement have been authorized to be executed and the Notes have been authorized to be issued by valid action taken by the City Council in the adoption of the Ordinance. Such Agreement, Escrow Agreement and Notes are valid and binding obligations of the City and are enforceable in accordance with their terms, except as may be limited by Section 552 of the Bankruptcy Reform Act of 1978 or any applicable bankruptcy, insolvency, moratorium or other similar laws of general application relating to enforceability of creditors' rights from time to time in effect.

4. The Notes are a debt of the City to which the City has pledged its full faith and credit for the payment thereof, and all taxable property of the City is subject to the levy of taxes to pay the same, without limitation as to rate or amount.

5. The above-described proceedings direct the City Treasurer to deposit the proceeds of the taxes levied to pay principal and interest on said Notes in a separate and segregated escrow account with the Escrow Agent to secure payment of said Notes, and such proceedings provide that such proceeds shall be used solely and only for the purpose of paying the principal of and interest on said Notes and shall not be used for any other purpose so long as said Notes remain outstanding. We are of the opinion that such levy is for the sole benefit of the holders of said Notes and that said holders have a claim against such levy and a first and prior lien upon all present and future proceeds of such levy of taxes for the Notes but only after such proceeds are deposited in said escrow account and only until said Notes are paid in full or until said proceeds are withdrawn or removed from said escrow account, except as may be limited by Section 552 of the Bankruptcy Reform Act of 1978 or any applicable bankruptcy, insolvency, moratorium or other similar laws of general application relating to enforceability of creditors' rights from time to time in effect.

6. As of the date hereof, the interest payable on the Notes is exempt from Federal income taxes under present law.

7. The Notes are not arbitrage bonds within the meaning of Section 103(c) of the United States Internal Revenue Code of 1954, as amended.

We express no opinion as to whether mandamus, specific performance or other specific forms of judicial relief would be granted in a particular case.

Gentlemen:

Re: $118,800,000 City of Chicago,
Illinois General Obligation
Term Notes, Series 1980

I am counsel for the City of Chicago, Illinois, (the "City"). In connection with issuance today by the City of the Notes listed in Exhibit A attached to this opinion (the "Notes"), I have examined, among other things, the following:

I. Public records, proceedings and documents in connection with the organization and establishment of the City.

II. The proceedings of the City Council of the City pertaining to the adoption of the ordinance on April , 1980, (the "Note Ordinance") authorizing the issuance, sale and delivery of the Notes by the City, the execution and delivery of a General Obligation Term Note Agreement (the "Agreement") and Escrow Agreement (General Obligation Term Note, Series 1980) (the "Escrow

Agreement") and authorizing City officers to do all things necessary to implement the terms of the Note Ordinance and the contracts which are created by the Notes, the Agreement, the Escrow Agreement and the Note Ordinance.

III. The executed Notes.

Based on the foregoing, it is my opinion that as of the date of this letter:

1. The City is a political subdivision and home rule municipality of the State of Illinois duly organized and existing as such under the laws of the State of Illinois, and, pursuant to the provisions of the Constitution and laws of the State of Illinois and the Note Ordinances, the City is empowered to issue the Notes.

2. The City has full right, power and authority to adopt the Note Ordinance, and no consents, approvals or authorizations are required by any governmental body for the City to carry out the transactions contemplated by the Notes, the Note Ordinance, the Agreement and the Escrow Agreement.

3. The Note Ordinance has been duly adopted by the City Council, has not been amended or repealed and remains in full force and effect.

4. The Notes, the Agreement and the Escrow Agreement have been duly authorized, executed and delivered by the City.

5. The Notes, the Note Ordinance the Agreement and the Escrow Agreement constitute valid and binding obligations of the City enforceable in accordance with their respective terms, except as enforcement thereof may be limited by bankruptcy, or other similar laws affecting the enforcement of creditors' rights generally.

6. The execution, delivery and performance by the City of the Notes, the Note Ordinance, the Agreement and the Escrow Agreement will not conflict with, or result in any breach of any of the provisions of or constitute a default under, any loan agreement, note, bond, resolution, ordinance or other agreement or instrument to which the City is a party or to which it is subject.

7. All proceedings and actions of the City Council of the City relating to the Notes and the Note Ordinance, and related proceedings comply with all laws, ordinances, rules and regulations applicable to the City Council, and none of the actions taken relating to the authorization, execution and delivery of the Notes, the Agreement and the Escrow Agreement, has been repealed, rescinded or revoked.

8. There is no action, suit, proceedings or investigation before or by any court, public board or body pending or, to such counsel's knowledge, threatened, wherein an unfavorable decision, ruling or finding would:

i. Affect the creation, organization, existence of the City or the powers of the City to adopt the Note Ordinance, issue the Notes or perform its obligations under or as contemplated by the Notes, the Note Ordinance, the Agreement or the Escrow Agreement or the titles of the City's officers to their respective offices, with the following exceptions:

ii. Enjoin or restrain the issuance, sale and delivery of the Notes or the levy or collection of any property taxes levied for the purpose of paying the principal of and interest on the Notes, or the application of the proceeds of such levy for such purpose.

iii. In any way question or affect any of the rights, powers, duties or obligations of the City with respect to the City taxes levied for the purpose of paying the principal of and interest on the Notes, or the application of the proceeds of such levy for such purpose.

iv. In any question or affect any authority for the issuance of the Notes or the validity or enforceability of the Notes, the Note Ordinance, the Agreement or the Escrow Agreement or the transactions contemplated by the Agreement except for the matters discussed in Section 2(c) thereof.

v. In any way question or affect any loan agreement or bond or any resolution, ordinance or other agreement or instrument relating to the indebtedness of the City for borrowed money or lease obligations to the Public Building Commission of Chicago, to which the City is a party or to which it is subject.

Nothing contained herein shall be deemed to enlarge or diminish the rights or obligations of the City and its officers under applicable law.

The statements contained herein are made in an official capacity and not personally and no personal responsibility shall derive from them.

The tax hereinabove levied is intended to be sufficient to provide funds for payment of principal of and interest on the Notes on the basis of the following assumptions: (i) the applicable rate of interest payable on the Notes will be 11% per annum so long as the Notes are outstanding (ii) no Pledged Revenues (as defined in the Escrow Agreement referred to in Section 8 hereof) will be deposited in the Escrow Account to be applied to payment of principal of or interest on the Notes and (iii) no prepayments of Notes will be made. Prior to the last date on which certificates of tax abatement with respect to the tax hereinabove levied for each year of levy are permitted by the County Clerks of Cook and DuPage Counties to be filed, but not later than February 1 of the next succeeding year, the City (a) shall deposit into the Escrow Account, established pursuant to Section 8 of this Ordinance, any and all Pledged Taxes (as defined in the Escrow Agreement described in Section 8 of this Ordinance) theretofore collected and then held in the City's appropriate note redemption and interest fund and (b) may, at its option, deposit into the Escrow Account legally available revenues of the City of Chicago Department of Sewers which would, after such deposit constitute Pledged Revenues (as defined in the Escrow Agreement) in an amount not exceeding the amount required to pay the principal of and interest on the Notes when and as the same falls due during the next succeeding year, such required amount to be computed on the basis of assumptions (i) and (iii), above, and taking into account any deposits of Pledged Taxes pursuant to clause (a) of this sentence. If any funds have been so deposited or if any funds are otherwise on deposit in the Escrow Account, the City Comptroller shall, on or prior to such date, file certificates of tax abatement with respect to the tax hereinabove levied for such levy year in the offices of such County Clerks and shall concurrently file copies thereof in the office of the City Clerk. Such certificates shall refer to the amount of taxes hereinabove levied for such levy year for the payment of principal of and interest on the Notes during the next succeeding year and shall indicate the amount of funds then on deposit in the Escrow Account, which amount is to be abated from the taxes herein levied for such levy year, and further indicating the remainder of such taxes herein levied for such levy year which are to be extended for collection by said respective County Clerks.

In the event proceeds of taxes hereby levied are not available in time to meet any payments of principal of and interest on the Notes, then the fiscal officers of the City are hereby directed to make such payments from any other funds of the City that are available for that purpose in advancement of the collection of the taxes herein levied and when the proceeds of such taxes are received, such other funds shall be replenished, all to the end that the credit of the City may be preserved by the prompt payment of the principal of and interest on the Notes as the same become due.

SECTION 7. The City shall appropriate annually amounts sufficient to pay principal of and interest on the Notes, but, if in any year it fails to do so this Ordinance shall constitute a continuing appropriation ordinance of the amounts necessary to pay principal of and interest on the Notes as provided in the Term Loan Agreement without any further action on the part of the City Council. The appropriate officers of the City are hereby ordered and directed to make such payments.

SECTION 8. There is hereby established a special account, separate and segregated from all other funds and accounts of the City, to be designated "Special Escrow for City of Chicago General Obligation Term Notes, Series 1980-A", said account (the "Escrow Account") to be maintained with Continental Illinois National Bank and Trust Company of Chicago as escrow agent (the "Escrow Agent"), pursuant to an agreement entitled Escrow Agreement (General Obligation Term Notes, Series 1980-A) (the "Escrow Agreement") between the City and the Escrow Agent in substantially the form attached hereto as Exhibit B.

SECTION 9. The City Treasurer is hereby ordered and directed to deposit Pledged Taxes (as defined in the Escrow Agreement) and other moneys in the Escrow Account in accordance with the terms of the Escrow Agreement. Moneys so deposited in the Escrow Account shall be invested in accordance with the Escrow Agreement.

SECTION 10. Moneys deposited in the Escrow Account shall be used solely and only for the purpose of paying the principal of and interest on the Notes. The levy made in this Ordinance shall be for the sole benefit of the holders of the Notes and said holders have a claim against said levy and shall have a first and prior lien upon (i) all present and future proceeds of the levy of taxes for the Notes and (ii) Pledged Revenues, if any, but only after such proceeds or Pledged Revenues are deposited in the Escrow Account and only until the Notes are paid in full or until such proceeds or Pledged Revenues are withdrawn or removed from the Escrow Account pursuant to the Escrow Agreement. Nothing in this Ordinance shall be deemed to authorize or create any lien or encumbrance upon the present or future revenues or assets of the City of Chicago Department of Sewers except as specifically provided in respect of Pledged Revenues, if any. On any principal or interest payment date, moneys in such Escrow Account shall be transferred in accordance with the Escrow Agreement.

SECTION 11. That the Escrow Agreement in substantially the form attached to this Ordinance as Exhibit B, be entered into and the same is hereby approved and shall be executed for and on behalf of the City by the Mayor, the City Treasurer and the City Comptroller and shall be attested by the City Clerk and the corporate seal of the City shall be affixed thereto.

SECTION 12. This Ordinance is made pursuant to the powers of the City as a home rule unit under the Illinois Constitution. The appropriate officers of the City are hereby authorized to take such actions and do such things as shall be necessary to perform, carry out, give effect to and consummate the transactions contemplated by the Ordinance, the Term Loan Agreement, the Notes and the Escrow Agreement.

SECTION 13. That to the extent that any statutes, ordinances, resolutions or orders, or parts thereof, are in conflict with the provisions of this Ordinance, the provisions of this Ordinance shall be controlling. If any provision of this Ordinance shall be prohibited by or invalid under Illinois or Federal law, that provision shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of the provision or the remaining provisions of this Ordinance. This Ordinance shall be published by the City Clerk by Causing to be printed in pamphlet form at least 100 copies hereof, which copies are to be made available in his office for public inspection and distribution to members of the public who may wish to avail themselves of a copy of this Ordinance, and this Ordinance shall be in full force and effect from and after its adoption, approval by the Mayor and publication as provided by law.

Except as stated in the certificate provided by the City to the Banks and signed by the Comptroller of the City, and as otherwise disclosed in the Official Statement, no material adverse change has occurred in the financial position of the City or results of its operations since December 31, 1978.

(i) *Official Statement.* To the best knowledge of the Comptroller the Official Statement, copies of which have previously been provided to each of the Banks, did not (as of the date thereof) contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements made therein, in the light of the circumstances under which they were made, not misleading.

(a) Subject to the terms and conditions of this Agreement, each Bank severally agrees to purchase the Notes on or before May 15, 1980 in the principal amount set forth opposite its name on the signature pages hereof, and the City agrees to sell the Notes to the Banks. The City shall give the Banks at least three business days prior written notice of the date of sale of the Notes under this Agreement. Upon such notice and upon fulfillment of the conditions described in Section 4 of this Agreement and delivery to the Agent of the Notes as provided in Section 5 of this Agreement, each Bank shall pay to the Agent funds in the principal amount of the Note it has agreed to purchase, and the Agent shall thereupon pay or cause to be delivered to the City the purchase price therefor, but, in the case of any Bank other than the Agent, only to the extent that the Agent shall have received funds from such Bank as above provided.

(a) Immediately prior to the issuance and sale of the Notes pursuant to this Agreement, the City shall deliver to the Agent, in sufficient number of counterparts to provide the Agent and each Bank with one such counterpart, the following documents, addressed to the Banks, in care of the Agent, and dated the date of the sale:

(i) A certified copy of the Ordinance as adopted by the City Council, approved by the Mayor of the City, and published as provided by law;

(ii) An executed copy of the Escrow Agreement;

(iii) An opinion of bond counsel acceptable to the Banks, in substantially the form of Exhibit C to this Agreement;

(iv) An opinion of the Corporation Counsel in substantially the form of Exhibit D to this Agreement;

(v) A certificate or certificates of the Mayor of the City and the Comptroller of the City: (A) stating that the proceeds of the Notes are to be used solely to finance cash flow needs of the City, including reduction of deficits in the City's Internal Service Funds; (B) stating that the representations and warranties of the City set forth in Section 2 hereof are true and correct on and as of the date of such certificate; (C) regarding the incumbency and term of office of each official of the City, whose signature appears on the Notes, this Agreement, the Escrow Agreement or any certificate or other document required to be delivered pursuant to this Agreement; (D) stating that no event of default, as defined in Section 11 of this Agreement and no event which, with the lapse of time or the giving of notice or both, would constitute such an event of default, has occurred and is continuing; and (E) certifying that the aggregate principal amount of the Notes does not exceed the amount appropriated in the Ordinance for the purpose of financing cash flow needs of the City; and

(vi) An arbitrage certificate signed by the Mayor and the Comptroller of the City in form acceptable to bond counsel.

(b) Prior to or concurrently with the issuance and sale of the Notes pursuant to this Agreement, the City shall prepay all the principal of the Outstanding Obligations, together with all accrued interest thereon, and all agreements relating to such Outstanding Obligations shall be thereupon terminated.

(c) Notwithstanding any other provision of the Agreement, no purchase of Notes shall be required to be made under this Agreement if, and as long as, any condition precedent to the purchase of the Notes shall not have been satisfied or if, and as long as, any event of default described in Section 11 of this Agreement, or any event which, with the lapse of time or the giving of notice or both, would constitute such an event of default, shall have occurred and be continuing.

5. *The Notes.*

(a) The Notes to be purchased by each Bank shall be substantially in the form set forth in the Ordinance, with appropriate insertions in the appropriate spaces, and dated the date of issuance. The Notes shall be payable to each Bank in the principal amount thereof at the office of the Agent at 231 South LaSalle Street, Chicago, Illinois 60693. Principal of and interest on the Notes shall be payable as provided in Section 6 of this Agreement.

(b) The Notes shall be executed in the name of the City by the Mayor of the City and by the City Comptroller, shall be attested by the City Clerk and shall be sealed with the corporate seal of the City.

(c) Each Note shall be a direct and general obligation of the City to the payment of which (as to both principal and interest) the City pledges its full faith and credit. The Notes shall be payable (both as to principal and interest to the date of payment) from (1) the proceeds of ad valorem taxes levied by the City without limitation as to rate or amount against all taxable property situated within the City sufficient to pay when due the principal of and interest on the Notes; (2) available revenues of the Sewer Department; and (3) from any other moneys, revenues, receipts, income, assets or funds of the City legally available for such purposes.

(d) Upon payment in full of principal of and interest on the Notes, the Notes shall be cancelled and surrendered to the City.

6. *Interest and Principal.*

(a) Each Note shall bear interest from its date until paid. Except as provided in paragraph (b) of this Section 6, the interest rate on the Notes shall be equal at all times to 70% of the Agent's Prime Rate from time to time in effect (and changing when the Agent's Prime Rate changes); provided, however, that the interest rate on the Notes shall not be greater at any time than 11% per annum. The Agent shall notify the City within three (3) business days after any change in the Agent's Prime Rate. The failure of the Agent timely so to notify the City of any change in the Agent's Prime Rate shall not affect the obligation of the City to pay interest at the rates specified in this Agreement as long as such notice is given prior to payment of such interest.

(b) Notwithstanding the provisions of paragraph (a) of this Section 6, the interest to be paid with respect to any Bank owning a Note shall be at a rate equal at all times to 11% for any period during which interest on its Note is required to be included in the gross income of such Bank for Federal income tax purposes. No Bank shall include interest on its Note in its gross income for Federal income tax purposes, or enter into any settlement agreement with the United States Internal Revenue Service whereby interest on its Note will be so includable, in whole or in part, without first having given notice to the City of the reasons for so including or agreeing to include interest in the gross income of such Bank and permitting the City, at its option and at its own expense, to challenge on behalf of or, at the option of such Bank, in conjunction with such Bank, any determination or decision of the Internal Revenue Service requiring interest so to be included in gross income for Federal income tax purposes. Promptly after such interest has been required to be included in the gross income of any Bank for Federal income tax purposes, or upon any Bank entering into a settlement agreement providing for such inclusion of such interest, the City shall pay to such Bank, the difference between (i) the interest, if any, which has been paid on the Note in respect of the period during which such interest is required to be included in the gross income of such Bank for Federal income tax purposes and (ii) interest on the Note for such period at the rate equal to 11%.

(c) Except in connection with any prepayment or acceleration in accordance with this Agreement and in connection with additional payments as provided in paragraph (b) of this Section 6, interest on each Note shall be payable on April 1, 1981, October 1, 1981 and semi-annually thereafter on each April 1 and October 1 until such Note is paid. Interest on each Note shall be computed on the basis of a year of 360 days and twelve thirty-day months in respect of the principal amount of such Note from time to time outstanding and unpaid.

(d) Principal on each Note shall be payable in annual installments on October 1 of each year during the period commencing on October 1, 1981 and ending on October 1, 1992, in accordance with the following schedule:

Any such prepayment shall be accompanied by payment of the unpaid accrued interest on the principal amount so prepaid to the date of such prepayment, and shall be applied as provided in paragraph (b) of Section 8 hereof. Any partial payment or prepayment of a Note shall be evidenced by notation on the back thereof by the holder to indicate the date of such payment or prepayment and the amount thereof.

(b) All payments and prepayments of principal of and interest on the Notes shall be paid to the Agent for the account pro rata of the Banks entitled thereto in accordance with the provisions of this Agreement. The Agent shall immediately distribute to each Bank all payments of principal or interest received by the Agent for the account of such Bank. All amounts received by each Bank (whether as a result of payment transmitted by the City or otherwise) on account of payment of interest on or principal of the Notes shall be so applied by it to its Note.

(c) If on October 15 of any year, the aggregate of the amounts held in the Escrow Account described in Section 9 hereof and of the amounts in the Note redemption and interest fund of the City attributable to the Notes shall exceed one-twelfth of the aggregate principal and interest paid on the Notes during the 12 month period preceding such October 15, the City shall promptly prepay principal of the Notes in an amount equal to the difference between (i) the aggregate of such amounts then held in the Escrow Account and such fund and (ii) one-twelfth of the aggregate principal and interest so paid during such 12 month period. 8. *Levy of Tax; Application of Payments.*

(a) For the purpose of providing for the prompt payment of the principal of and interest on the Notes, as the payments severally become due, there has been levied by the City Council of the City in the Ordinance and there shall be collected a direct annual tax in addition to all other taxes upon all the taxable property within the City sufficient therefor. Provided, however, that the taxes so levied for each year may be abated as provided in Section 6 of the Ordinance.

(b) All prepayments by the City with respect to the principal of the Notes shall be applied, at the election of the City, in the direct or inverse order of principal installments, or ratably against all remaining principal installments. At the time of any such prepayment, the City shall notify the Agent in writing of the manner in which such prepayment is to be applied to the principal due on the Notes.

(c) If any of the Banks shall obtain any payment or prepayment (whether voluntary or involuntary) in respect of principal of or interest on its Note in excess of its pro rata share of payments then obtained by all Banks in respect of principal and interest on all Notes, then such Bank shall purchase from the other Banks such interest (at face value) in their Notes as shall be necessary to cause such purchasing Bank to share the excess payment received ratably with such other Banks; provided, however, that if all or any portion of the excess payment is thereafter recovered from such purchasing Bank, the purchase shall be rescinded and the purchase price restored to the extent of such recovery but without interest.

9. *Escrow Account; Claim and Lien in Favor of Noteholders.*

(a) Proceeds of the taxes hereby provided to be levied for the payment of the principal of and interest on the Notes, and any revenues of the Sewer Department and any other moneys to be used for payment of principal of and interest on the Notes, shall be deposited in Escrow with Continental Illinois National Bank and Trust Company of Chicago as escrow agent (the "Escrow Agent"), in a special account separate and segregated from all other funds and accounts of the City, to be designated as "Special Escrow for City of Chicago General Obligation Term Notes, Series 1980-A" (the "Escrow Account"), and shall be faithfully applied to the payment of principal of and interest on the Notes. The Escrow Account shall be established pursuant to the Ordinance and the Escrow Agreement substantially in the form attached hereto as Exhibit A. Taxes levied for the Notes (the "Pledged Taxes") and any revenues of the Sewer Department and any other moneys to be used to pay the Notes, shall be deposited by the City Treasurer in the Escrow Account in accordance with the terms of the Escrow Agreement. The levy of taxes for the Notes shall be for the sole benefit of the holders of the Notes and such holders shall have a claim against such levy and a first and prior lien upon (i) all present and future proceeds of the Pledged Taxes, (ii) Pledged Revenues as defined in the Escrow Agreement, and (iii) Additional Deposits as defined in the Escrow Agreement but only after such proceeds, Pledged Revenues and Additional Deposits are deposited in the Escrow Account and only until the principal of and interest on the Notes are paid in full or, until such proceeds, Pledged Revenues or Additional Deposits are withdrawn or removed from the Escrow Account pursuant to the Escrow Agreement.

In the event that sufficient moneys are not deposited in the Escrow Account to meet in a timely manner the required principal and interest payments on the Notes, then other moneys of the City shall be so deposited therein, at or before the time such principal and interest is due so as to provide for timely payment thereof.

Moneys so deposited shall be used solely and only for the purpose of paying the principal of and the interest on the Notes and shall not be used for any other purpose so long as the Notes remain outstanding. Pending the need for the use of the moneys so deposited, the Escrow Agent shall invest the moneys so deposited in accordance with the provisions of the Escrow Agreement.

10. *Covenants.* The City hereby covenants and agrees with the Banks that so long as the Notes are not paid in full:

(a) The City shall duly and punctually pay the principal of and interest on the Notes out of the sources of payment specified in Section 5(c) hereof at the dates set forth in this Agreement and in accordance with the terms and conditions of the Escrow Agreement entered into pursuant to Section 9 hereof. All amounts payable by the City to the Banks under this Agreement or the Notes shall be paid to the Agent at 231 South LaSalle Street, Chicago, Illinois 60693.

(b) The City hereby pledges its full faith and credit to the payment of the principal of and interest on the Notes and of any other amounts payable by the City to the Banks under this Agreement. The City hereby covenants and agrees that the City shall levy and collect taxes which it is now authorized and empowered to impose, or which it may additionally hereafter be authorized and empowered to impose, including, without limitation, direct taxes upon all taxable property within the City, without limitation as to rate or amount, sufficient to enable the City to pay the principal of and interest on the Notes as they come due.

(c) The City shall appropriate by ordinance as provided by law sums sufficient to pay the Notes in full, both as to principal and interest, when due. To the extent that the City should fail to include in any appropriation ordinance (including supplements thereto) for any year an amount sufficient to pay the principal of and interest on the Notes due during such year, the Ordinance shall constitute a continuing appropriation of such amounts for such purposes, as provided in the Ordinance.

(d) In addition to the Escrow Account established pursuant to Section 9 hereof, the City shall maintain separate and segregated escrow accounts with respect to the Bond Principal and Interest Fund, the Public Building Commission Rental Fund, the funds for the payment of the City's outstanding General Obligation Tax Anticipation Notes and Special Service Area Number One Bonds and each and every other fund of the City relating to the repayment of general obligation indebtedness (other than short term indebtedness issued pursuant to revolving credit agreements for which no tax is levied) with a bank or banks or trust company or companies, as escrow agent(s), pursuant to escrow agreements substantially similar to the Escrow Agreement and the City shall make no permanent or temporary transfers (including interfund loans) from any such escrow accounts, except as permitted by such escrow agreements, for purposes other than payment of debt service or which such fund was established.

(e) As soon as practicable following the end of each fiscal year, the City shall furnish the Banks with a comprehensive audit report of the City's finances and funds (including those relating to the Sewer Department) (and the accompanying management letter) by one of the eight largest national firms of independent certified public accountants selected by the City and acceptable to the Banks. Upon any proposed change in accounting firms, the City shall provide to each Bank a statement of the Mayor of the City as to whether the City Council has recommended or approved or disapproved of such change and stating the reasons for such recommendations, approval or disapproval.

Each year-end financial statement shall be furnished to each Bank within 240 days after the last day of the City's fiscal year.

(f) The City will furnish to each Bank the available unaudited quarterly financial reports prepared by the City for each of the first three quarterly fiscal periods of each fiscal year of the City. Each quarterly report shall include a statement of revenues and expenditures for the Corporate Fund and any other funds for which such information is available, a quarterly cash flow statement including projected cash flow for the remainder of the unexpired budget period, and any other information reasonably requested by the Banks. Each quarterly financial report shall be furnished to each Bank within 90 days after the last day of the quarterly fiscal period to which such report relates.

(g) It is the intention of the City and the Banks that the interest on the Notes be excluded from the gross income of the Banks for Federal income tax purposes by reason of the provisions of Section 103 of the Code, or any substantially similar successor provision hereinafter enacted. To that end, the City covenants that it will not take any action, or omit to take any action which is lawful and within its power to take, and which, if taken or omitted, would cause interest on the Notes to become includable in the gross income of the holders thereof for Federal income tax purposes. Without limiting the foregoing, the City covenants that no funds of the City will be invested or used in such manner that would cause the Notes to be "arbitrage bonds" within the meaning of Section 103(c) of the Code and the applicable regulations promulgated thereunder, as they may be in force and applicable at the time of such investment or use.

(h) If there is a failure by the City to eliminate the cumulative fund balance deficit(s) if any, (a) in the Corporate Purposes Fund of the City as of the end of its 1980 fiscal year, or (b) in the four major Internal Service Funds of the City (i.e., Electrical Service, Electrical Construction, Equipment Service and Public Works Revolving Funds) as of the end of its 1982 fiscal year, the City will levy, in each case, not later than December 31 of the respective following year, direct taxes upon all taxable property within the City, collectible during the year following the levy, sufficient, together with any other fiscal action taken by the City prior to such levy, to enable the City to eliminate such deficits upon the collection of such taxes.

11. *Events of Default.*

(a) If one or more of the following "events of default" occur:

(i) Default in the payment of principal of, or interest on, the Notes when due;

(ii) Default by the City in the payment of any other general obligation indebtedness for borrowed money (including lease rental payments to the Public Building Commission of Chicago) or any water or sewer revenue notes (which water or sewer revenue notes are held at such time by any of the Banks) when the same becomes due and payable or the failure by the City to observe or perform any term, covenant or agreement contained in any agreement, instrument, ordinance or resolution by which it is bound evidencing or securing general obligation indebtedness for borrowed money for such period of time as would cause acceleration of the maturity thereof or would permit (assuming the giving of appropriate notice if required) the holder or holders thereof to accelerate the maturity thereof;

(iii) The failure by the City to observe or perform in any material respect any term, covenant or agreement contained in the Escrow Agreement;

(iv) Any representation made by the City herein or in any schedule, statement, exhibit, report, certificate, notice or writing furnished by the City to the Banks in connection herewith of which the Banks have given notice to the City shall be untrue in any material respect on the date as of which the facts set forth are stated or certified and, with respect only to financial reports delivered pursuant to Section 10(e) and (f) hereof, which is not made good within 30 days after notice thereof from the Agent or any Banks;

(v) Legislation shall be enacted or a referendum of the electors of the City shall be passed or a decision by a court of competent jurisdiction shall become final and not subject to further review which prevents the City from complying with the Ordinance, the Notes, this Agreement or the Escrow Agreement or limits or modifies the powers of the City in any way which materially and adversely impair the ability of the City to pay any of its general obligation indebtedness as the same becomes due or materially and adversely impairs the ability of the City to perform its obligations under the Ordinance, this Agreement, the Notes or the Escrow Agreement, or the Ordinance shall be modified or amended except as permitted by this Agreement;

(vi) Default in the performance of any of the City's agreements set forth herein or in the Ordinance (and not constituting an event of default under any of the preceding subsections of this Section 11(a)) and continuance of such default for 30 days after notice thereof to the City from the Agent or from any Bank; or

(vii) A decree or order by a court having jurisdiction shall be entered adjudging the City a bankrupt or insolvent, or approving as properly filed a petition seeking reorganization or rearrangement of the City under the Federal bankruptcy laws or any similar applicable Federal or Illinois law, and such decree or order shall continue undischarged or unstayed for a period of 30 days; or a decree or order of a court having jurisdiction in the premises for the appointment of a receiver, liquidator, trustee or assignee in bankruptcy or insolvency of the City or all or any material portion of its property, or for the winding-up or liquidation of the City or all or any material portion of its property, shall be entered, and such decree or order shall continue undischarged and unstayed for a period of 30 days; or

(viii) The City shall institute proceedings to be adjudicated a voluntary bankrupt, or shall consent to the filing of a bankruptcy proceeding against it, or shall file a petition or answer or consent seeking reorganization or arrangement under the Federal bankruptcy laws or any similar applicable Federal or Illinois law, or shall consent to the filing of any such petition, or shall consent to the appointment of a receiver, liquidator, trustee or assignee in bankruptcy or insolvency of the City or of all or any material portion of its property, or shall make an assignment generally for the benefit of creditors, or shall admit in writing its insolvency or inability to pay its debts generally as they become due, or any action shall be taken by the City in furtherance of any of these purposes;

then the Agent, upon the request of any two or more Banks which may include the Agent holding in the aggregate interests in 50% or more of the unpaid principal amount of the Notes, shall, declare the principal of and accrued interest on the Notes to be immediately due and payable, and the Notes shall thereupon be and become immediately due and payable, without presentment, demand, protest or notice of any kind, all of which are expressly waived, and without relieving the City of any of its obligations under the Ordinance or this Agreement; provided, however, that in the case of any occurrence of any event of default described in the foregoing clauses (vii) or (viii), the Notes shall become due and payable forthwith without the requirement of any such declaration or request, and without presentment, demand, protest or other notice of any kind, all of which are expressly waived.

(b) If any event of default or event which might mature into an event of default has occurred and is continuing, the Agent may take whatever action at law or in equity which may appear necessary or desirable to collect the principal of and interest on the Notes then due and thereafter to become due, or to enforce performance and observance of any obligation, agreement or covenant of the City under the Ordinance, this Agreement or the Notes, whether for specific performance of any covenant or agreement contained in the Ordinance, this Agreement or the Notes or in aid of the execution of any power granted in this Agreement or the Ordinance.

(c) No remedy in this Agreement conferred upon or reserved to the Agent or the Banks is intended to be exclusive of any other available remedy or remedies. Each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Agreement, as now or subsequently existing at law or in equity or by statute. No delay or omission to exercise any right or power occurring upon any event of default shall be construed to be a waiver of such right or power, but any such right or power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Agent or the Banks to exercise any remedy reserved in this Agreement, it shall not be necessary to give any notice other than notice required by this Agreement.

(d) In the event of any default in payment of principal of or interest on the Notes when due any indebtedness from the Agent or from any Bank to the City may be set off and applied to the payment of the defaulted principal of or interest on the Notes. This paragraph shall not apply to any funds held by the Agent or any Bank, in its capacity as trustee, escrowee or paying agent, in any segregated escrowed or trusteed account or to any taxes, assessments or charge made by the City in its governmental capacity as to which funds there shall be no such setoff or application.

(e) Any request by the City for a waiver or consent with respect to a default (other than a default described in Section 11 (a) (i), (ii), (vii) or (viii) hereof shall be acted on by the Banks within 60 days after receipt of written request therefor, and if not acted on within such time shall be deemed to have been granted. Any such request shall contain full and complete disclosure of all material facts, and any waiver granted shall be effective only to the extent of such disclosure.

12. *The Agent.*

(a) Each Bank authorizes the Agent to act on behalf of such Bank to the extent provided in this Agreement and to take such other action as may be reasonably incidental to such action.

(b) The Agent shall not be required to do any act under this Agreement, or take any action towards the execution or enforcement of the agency created by this Agreement or to prosecute or to defend any suit in respect of this Agreement or any security unless indemnified by the Banks to the satisfaction of the Agent against loss, cost, liability and expense. If any indemnity furnished to the Agent for any performance should become impaired, the Agent may call for additional indemnity and may cease to do the acts indemnified against until such additional indemnity is given.

(c) Each Bank agrees to reimburse the Agent, to the extent not reimbursed by the City, for such Bank's pro rata share (based upon its percentage of the aggregate commitment set forth on the signature pages of this Agreement) of all reasonable out-of-pocket expenses (including reasonable attorneys' fees and legal expenses) incurred by the Agent under or in connection with this Agreement or in enforcing the obligations of the City under this Agreement, the Ordinance, the Notes or the Escrow Agreement, or in enforcing any security for this Agreement or the Notes.

(d) The Agent shall promptly distribute to each of the Banks such Bank's pro rata share of all payments actually received by the Agent with respect to the Notes. The Agent shall conclusively deem each of the Banks to have continuing interests in its Note until such time as the Agent shall have received written notice from such Bank that its interest in its Note has been assigned as provided in Section 13(b) of this Agreement to a proper assignee, which notice shall set forth the name and address of such assignee.

(e) Neither the Agent, nor any of its directors, officers, employees or agents, shall be liable as such for any action taken or omitted by it or them, except for its own or their own gross negligence or willful misconduct, nor be responsible for any recitals or warranties in this Agreement, nor for the execution or validity of this Agreement or the Notes, nor for the validity, effectiveness or enforcement of any security, nor to make any inquiry concerning the performance by the City of its obligations. The Agent shall be entitled to rely upon advice of counsel concerning legal matters and upon any certificate, schedule, statement, report, notice or writing which it believes to be genuine or to have been presented by a proper person.

(f) The Agent may resign as such at any time upon at least 30 days' prior written notice to the City and the Banks, such resignation to take effect upon the appointment of and acceptance by a successor agent in accordance with the next sentence of this Section. In the event the Agent gives notice of its resignation, Banks holding in the aggregate interests in more than 50% of the unpaid principal amount of the Notes shall, as promptly as practicable, appoint a successor agent.

(g) Each Bank acknowledges that it has, independent of the Agent and any other Bank and based on such financial statements, documents, information and investigations as has been furnished by the City, made its own credit decision to make the loan to the City under this Agreement. Each Bank also acknowledges that it will, independently of the Agent and any other Bank and based on such documents, information and investigations as it shall deem appropriate, continue to make its own credit decision in exercising or not exercising from time to time any rights and privileges available to it under this Agreement and any instrument executed pursuant to this Agreement.

(h) Each assignee of an interest of a Bank in a Note pursuant to Section 13(b) of this Agreement shall have with respect to such interest all of the rights, privileges, authorities, duties and obligations of its assignor from and after the time that notice in writing of such assignment shall have actually been received by the Agent.

13. *General.*

(a) No official, officer, agent or employee of the City shall be liable personally on the Notes by reason of the issuance thereof.

(b) This Agreement shall be binding upon and shall inure to the benefit of the City, the Agent and the Banks, and the respective successor and assigns of the Agent and the Banks but only to the extent such assignment is permitted under this paragraph (b), and shall inure to the benefit of each such assignee of any Note or any interest therein. Any Bank may assign its interests in this Agreement or its Note (either in while or in part) only to any other national or state bank. Any such assignee shall be considered to be a Bank for purposes of this Agreement. The Bank assigning any interest in its Note shall promptly notify the City and the Agent of such assignment and of the name and of the address of the assignee. The failure so to give notice of assignments shall not affect the validity of such assignment.

(c) The provisions of this Agreement, the Notes and the Ordinance shall each constitute a contract among the City, the Agent and the Banks. Any owner of any interest in the Notes (or the Agent on its behalf where properly authorized by the owner either in this Agreement or otherwise) may either in law or equity, by suit, action, mandamus or other proceeding, enforce or compel performance by the City and its officials of all duties required by law, the Notes, this Agreement or the Ordinance. No change or modification, or waiver pursuant to Section 11(e) hereof, shall be made in this Agreement, the Notes, the Ordinance or the Escrow Agreement which in any way affects the obligation of the City with respect to the Notes, this Agreement, the Ordinance or the Escrow Agreement without the prior written consent (except as otherwise provided in Section 11(e)) of the City and Banks holding in the aggregate interests in more than 50% of the unpaid prinicpal amount of the Notes, but no such change or modification in the maturity, principal amount, principal installment payment dates or amounts, interest payment dates, interest rates, security or sources of payment of the Notes shall be made without the prior written consent of the City and each of the Banks.

(d) Whenever possible each provision of this Agreement shall be interpreted in a manner as to be effective and valid under applicable law, but if any provision of this Agreement shall be prohibited by or invalid under applicable law, that provision shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of the provision of the remaining provision of this Agreement.

(e) This Agreement may be executed in any number of copies and by the different Banks on separate counterparts; provided, however, that each counterpart shall be executed by the City and the Agent. When counterparts executed by all parties shall have been received by the Agent, this Agreement shall become effective and at that time the Agent shall notify the City and each Bank.

(f) No failure or delay by the Agent or the Banks in exercising any right, power or privilege under the Ordinance, the Note or this Agreement shall operate as a waiver of that right, power or privilege, nor shall any single or partial exercise or any right, power or privilege preclude any other or further exercise of that right, power or privilege or the exercise of any other right, power or privilege.

(g) This Agreement shall terminate upon the payment of all the Notes in full as to both principal and interest, together with all other amounts due under this Agreement.

(h) Each of the Banks severally represents that it is purchasing its Note for its own account for investment and with no present intention of distributing or reselling its Note or any interest therein, but subject, nevertheless, to the disposition of its Note and all interests therein being at all times within its sole discretion and control.

(i) Any notice under this Agreement shall be effective upon receipt and shall be delivered, in the case of the City, to the City at City Hall, attention Comptroller, and, in the case of the Agent or the Banks, to the Agent at 231 South LaSalle Street, Chicago, Illinois 60693, attention Public Finance Department.

In Witness Whereof, the parties to this Agreement have caused it to be executed by their respective authorized officers as of the day and year first above written.

Article II. Creation of the Escrow

2.01. *Establishment of Escrow Account.* The Escrow Account is hereby established with the Escrow Agent pursuant to the Note Ordinance and this Agreement, separate and segregated from all other funds and accounts of the City.

2.02. *Pledged Revenues, Pledged Taxes and Additional Deposits.* Pursuant to the Note Ordinance and for the purpose of providing the funds required to pay the interest on the Notes when and as the same falls due and to pay and discharge the principal thereof at maturity, revenues of the City of Chicago Department of Sewers and/or Pledged Taxes and/or Additional Deposits shall be deposited in the Escrow Account in accordance with the following procedures:

(A) *Pledged Revenues*—Prior to the last date on which certificates of tax abatement with respect to Pledged Taxes in respect of any Year are permitted by the County Clerks of Cook and DuPage Counties to be filed but not later than February 1 of the next succeeding year, the City may, at its option, deposit with the Escrow Agent moneys out of legally available revenues of the City of Chicago Department of Sewers to pay the principal of and interest on the Notes when and as the same falls due during such Year. To the extent that such Pledged Revenues have been so deposited, the taxes levied for collection in such Year shall be abated as and to the extent provided in the Note Ordinance. In the event that the City does not so deposit Pledged Revenues in an amount sufficient to pay the principal of and interest on the Notes coming due during such Year, the City shall follow the procedures specified in Sections 2.02(B) and 2.02(C) hereof.

(B) *Pledged Taxes*—Prior to the receipt by the Treasurer of the first distribution of property tax collections in any Year, commencing in 1981, the Comptroller shall issue to the Treasurer (with a copy to the Escrow Agent) a Segregation Order specifying the percentage of each distribution of property taxes to be received by the Treasurer during such Year which is attributable to Pledged Taxes and directing that such percentage of each such distribution be segregated and paid to the Escrow Agent, and promptly upon receipt of each such distribution of property taxes from the County Collector, the Treasurer shall so segregate and pay to the Escrow Agent for deposit in the Escrow Account an amount equal to the amount of such distribution multiplied by the percentage specified in the Segregation Order; and

(C) *Additional Deposits*—In the event that sufficient moneys are not on deposit in the Escrow Account to meet in a timely manner any required principal or interest payments on the Notes, then other moneys of the City shall be so deposited therein (the "Additional Deposits"), not less than one (1) business day before the time such principal or interest is due, in an amount sufficient to provide for timely payment thereof.

Such segregations, payments and deposits shall continue in each Year but only until an amount has been so deposited which, together with all monies on deposit, is sufficient to make the payments of principal of and interest on the Notes due in such Year (with interest for any past period being computed at the actual rate accrued on the Notes and interest for any future period being computed at the maximum rate provided in the Note Ordinance) and thereafter no further deposits shall be required to be made in such Year.

Article III. Operation of the Escrow Account

3.01. *Amounts Held in Escrow Account.* Moneys deposited in the Escrow Account shall be used solely and only for the purpose of paying principal of and interest on the Notes and shall not be used for any other purpose (other than making investments permitted by Section 3.03 hereof) so long as the Notes remain outstanding and unpaid. The holders of the Notes shall have a first and prior lien upon (i) all present and future proceeds of the Pledged Taxes, (ii) Pledged Revenues and (iii) Additional Deposits but only after such proceeds, Pledged Revenue or Additional Deposits are deposited in the Escrow Account and only until the principal of and interest on the Notes is paid in full or until such proceeds, Pledged Revenues or Additional Deposits are withdrawn or removed from the Escrow Account pursuant to this Section 3.01 or Section 3.03 hereof. Any amount remaining on deposit in the Escrow Account subsequent to the payment in full of all principal and interest coming due in any current Year (other than net earnings on Permitted Investments which shall be distributed to the City pursuant to Section 3.03 hereof) shall be retained in the Escrow Account to be applied to the payment of principal of and interest on the Notes; provided, however, that if on October 15, of such Year the aggregate of the amounts held in the Escrow Account and of the amounts in the appropriate note redemption and interest fund of the City attributable to the Notes shall exceed one-twelfth of the aggregate principal and interest paid on the Notes during the 12 month period preceding such October 15, the City Comptroller may direct in writing that all or part of the funds held in the Escrow Account be applied to the prepayment of principal of the Notes, together with accrued interest on the amount to be prepaid, in accordance with the requirements of Section 7(c) of the Term Loan Agreement identified in the Note Ordinance, in which event the Escrow Agent shall transfer funds in the amount so directed to the Agent for prepayment of the Notes in accordance with procedures set forth in Section 3.02 hereof.

3.02. *Payment of the Notes.* On each interest payment date, the Escrow Agent shall pay to the Agent identified in the Note Ordinance all principal of and interest on the Notes coming due on such date. All transfers of money to the Agent shall be in immediately available funds. The remittance by the Escrow Agent of such moneys to the Agent shall fully release and discharge the Escrow Agent from any further duty or obligation with respect thereto under this Agreement. The Escrow Agent is authorized to liquidate any investments in the Escrow Account in order to make available moneys necessary to make such transfers.

3.03. *Investment Moneys in Escrow Account.* Pending the need for the moneys deposited and to be deposited in the Escrow Account to be used for payment of principal of and interest on the Notes, said moneys may be invested by the Escrow Agent only in Permitted Investments in accordance with the written directions of the Comptroller, with written affirmation of the Treasurer. Investments shall be scheduled to come due to meet maturing principal and interest payments on the Notes in a timely manner.

The Escrow Agent shall report on the status of investment moneys in the Escrow Account on a monthly basis, pursuant to Section 3.04, and distributions of net earnings on Permitted Investments shall be paid as received to the City; provided, however, that no such payment of net earnings shall be made at a time when total funds in the Escrow Account are not sufficient to make all payments due holders of the Notes during the current Year (with interest for any past period being computed at the actual rate accrued on the Notes and interest for any future period being computed at the maximum rate provided in the Note Ordinance). Net earnings on Permitted Investments shall be used to pay principal and interest on the Notes when due to the extent other funds on deposit in the Escrow Account are insufficient; provided, however, that after all payments due holders of the Notes during the current Year have been made, such portion of any amounts remaining in the Escrow Account as is equal to net earnings used to pay principal and interest on the Notes, shall be paid to the City.

3.04. *Reports.* The Escrow Agent will submit to the Treasurer and the Comptroller on or before the 20th day of each month, commencing in the month of January, 1981, a statement, as of the 10th day of such month, itemizing all moneys received by it and all payments made by it under the provisions of this Agreement during the one-month period ending on such 10th day, and also listing the Permitted Investments on deposit therewith on the date of said report, including all moneys held by it received as interest on or profit from the Permitted Investments.

The Comptroller will advise the Escrow Agent at least 10 days prior to any principal or interest payment date of the amount of principal and/or interest due on the Notes on such payment date. If it shall then appear to the Escrow Agent that the total funds in the Escrow Account, including deposits therein, investments, and earnings on investments, will not be sufficient to make any payment due to the holders of any of the Notes on such payment date, the Escrow Agent shall notify the City not less than five (5) days prior to such date and the City shall make deposits therein pursuant to Section 2.02 hereof.

3.05. *Payment of Fees.* The fees of the Escrow Agent shall be paid by the City. Such fees shall be competitive with fees charged for similar services by other banking institutions within the City.

Article IV. Covenants

The City and the Escrow Agent covenant and agree as follows:

4.01. The Escrow Agent shall have no responsibility or liability whatsoever for (a) any of the recitals herein (except those relating to its own organization), (b) the performance of or compliance with any covenant, condition, term or provision of the Notes, or the Note Ordinance, and (c) any undertaking or statement of the City hereunder or under the Notes or the Note Ordinance. The Escrow Agent is not a trustee for the Noteholders and has no obligation in its capacity as Escrow Agent to enforce the rights of the holders of the Notes under the Note Ordinance, or this Agreement.

4.02. The Escrow Agent has all the powers and duties herein set forth with no liability in connection with any act or omission to act hereunder, except for its own gross negligence or willful misconduct, and shall be under no obligation to institute any suit or action or other proceeding under this Agreement or to enter any appearance in any suit, action, or proceeding in which it may be a defendant or to take any steps in the enforcement of its, or any, rights and powers hereunder, nor shall it be deemed to have failed to take any such action, unless and until it shall have been indemnified to its satisfaction against any and all costs and expenses, outlays, counsel fees and other disbursements, including its own reasonable fees, and if any judgment, decree or recovery be obtained by the Escrow Agent, payment of all sums due it, as aforesaid, shall be a first charge against the amount of any such judgment, decree or recovery. The Escrow Agent shall notify the City of any such suit, action or proceeding.

4.03. The Escrow Agent, in its separate capacity as a banking institution, may in good faith buy, sell or hold and deal in any of the Notes. The Escrow Agent may also, at the direction of the Comptroller and the Treasurer as provided in Section 3.03, invest for the Escrow Account in certificates of deposit issued by itself and in other Permitted Investments purchased from itself; provided, however, that the Escrow Agent shall not have or exercise any right of set-off with respect to the Escrow Account against any obligation of the City.

4.04. All payments to be made by, and all acts, and things required to be done by, the Escrow Agent under the terms and provisions of this Agreement, shall be made and done by the Escrow Agent without any further direction or authority of the City except as expressly provided herein.

4.05. The Escrow Agent is authorized, in its sole discretion, to disregard any and all notices or instructions given by the City or any other person, firm or corporation, except (i) only such notices or instructions as are hereinabove specifically provided for and (ii) orders or process of any court having jurisdiction duly entered or issued. If any property subject hereto is at any time attached, garnished, or levied upon under any court order or in case the payment, assignment, transfer, conveyance or delivery of any such property shall be stayed or enjoined by any court order, or in case any order, judgment or decree shall be made or entered by any court affecting such property or any part thereof, then, the Escrow Agent shall promptly notify the City thereof and in any of such events the Escrow Agent is authorized, in its discretion, to rely upon and comply with any such order, writ, judgment or decree which it is advised by legal counsel of its own choosing is binding upon it; and if it complies with any such order, writ, judgment or decree it shall not be liable to any of the parties hereto or to any other person, firm or corporation by reason of such compliance even though such order, writ, judgment or decree may be subsequently reversed, modified, annulled, set aside or vacated.

4.06. The Escrow Agent shall not be personally liable for any act taken or omitted hereunder if taken or omitted by it in good faith and in the exercise of its own best judgment. The Escrow Agent shall also be fully protected in relying upon any written notice, demand, certificate or document which it in good faith believes to be genuine.

4.07. The Escrow Agent shall not be responsible for the sufficiency or accuracy of the form, execution, validity or genuineness of any securities now or hereafter deposited hereunder, or of any endorsement thereon, or for any lack of endorsement thereon, or for any description therein, nor shall it be responsible or liable in any respect on account of the identity, authority or rights of the persons executing or delivering or purporting to execute or deliver any such document, security or endorsement. The Escrow Agent shall not be liable for any depreciation or change in the value of such investments.

4.08. If the Escrow Agent reasonably believes it to be necessary to consult with counsel concerning any of its duties in connection with this Agreement, or in case it becomes involved in litigation on account of being Escrow Agent hereunder or on account of having received property subject hereto, then in either case, its costs, expenses, and reasonable attorneys' fees shall be paid by the City of Chicago Office of the Corporation Counsel, Department of Law, and upon timely notice thereof having been given.

4.09. This Agreement shall be construed, enforced, and administered in accordance with the laws of the State of Illinois, and shall inure to, and be binding upon, the respective successors and assigns of the parties hereto.

EXHIBIT C

Opinion of Bond Counsel

May, 1980.

To Each of the Note Purchasers
Named in Schedule A Hereto

Dear Sirs:

We have examined a certified copy of the record of proceedings of the City Council of the City of Chicago, Illinois (the "City") pertaining to the issuance by the City of its General Obligation Term Notes, Series 1980-A (the "Notes") in an aggregate principal amount of $30,000,000. We have also examined an executed copy of the General Obligation Term Loan Agreement, Series 1980-A dated as of April 1, 1980 (the "Agreement") among the City, the Note Purchasers named in Schedule A hereto and Continental Illinois National Bank and Trust Company of Chicago, as agent (the "Agent"), an executed copy of the Escrow Agreement (General Obligation Term Notes, Series 1980-A) dated as of April 1, 1980 (the "Escrow Agreement") between the City and Continental Illinois National Bank and Trust Company of Chicago, as escrow agent (the "Escrow Agent"), accompanying certificates of the City and an opinion of even date herewith delivered by the Corporation Counsel of the City.

The Notes are issued pursuant to an ordinance adopted by the City on April .., 1980 and effective on ...., 1980 (the "Ordinance"). The Notes are dated May .., 1980, and have a stated maturity of October 1, 1992. The Notes bear interest at a rate equal to 70% of the Agent's Prime Rate (as defined in the Agreement) from time to time in effect, except that the interest rate on the Notes may not exceed 11% per annum. The Notes are prepayable as provided in the Ordinance and the Agreement.

Based upon the foregoing, we are of the opinion that:

1. The City is a body politic and corporate of the State of Illinois pursuant to the laws of the State of Illinois, and is a home rule unit within the meaning of Section 6(a) of Article VII of the 1970 Constitution of Illinois.

2. The City, acting by its City Council, has the full power and authority and has taken all necessary action to enter into the Agreement and the Escrow Agreement.

3. We have examined the Notes authorized to be issued by the Ordinance which are further described as follows:

Note Number	*Denomination*	*Name of Purchaser*
....	....	....

The Agreement and the Escrow Agreement have been authorized to be executed and the Notes have been authorized to be issued by valid action taken by the City Council in the adoption of the Ordinance. Such Agreement, Escrow Agreement and Notes are valid and binding obligations of the City and are enforceable in accordance with their terms, except as may be limited by Section 552 of the Bankruptcy Reform Act of 1978 or any applicable bankruptcy, insolvency, moratorium or other similar laws of general application relating to enforceability of creditors' rights from time to time in effect.

4. The Notes are a debt of the City to which the City has pledged its full faith and credit for the payment thereof, and all taxable property of the City is subject to the levy of taxes to pay the same, without limitation as to rate or amount.

5. The above-described proceedings direct the City Treasurer to deposit the proceeds of the taxes levied to pay principal and interest on said Notes in a separate and segregated escrow account with the Escrow Agent to secure payment of said Notes, and such proceedings provide that such proceeds shall be used solely and only for the purpose of paying the principal of and interest on said Notes and shall not be used for any other purpose so long as said Notes remain outstanding. At its option, the City may deposit legally available revenues of the City of Chicago Department of Sewers in such escrow account. We are of the opinion that such levy is for the sole benefit of the holders of said Notes, that said holders have a claim against such levy and a first and prior lien upon all present and future proceeds of such levy of taxes for the Notes and that said holders have a first and prior lien upon Pledged Revenues (as defined in the Escrow Agreement), but only after such proceeds or Pledged Revenues are deposited in said escrow account and only until said Notes are paid in full or until said proceeds or Pledged Revenues are withdrawn or removed from said escrow account, except as may be limited by Section 552 of the Bankruptcy Reform Act of 1978 or any applicable bankruptcy, insolvency, moratorium or other similar laws of general application relating to enforceability of creditors' rights from time to time in effect. The Ordinance and the Escrow Agreement do not create any lien or encumbrance upon the present or future revenues or assets of the City of Chicago Department of Sewers except as specifically provided therein in respect of Pledged Revenues.

6. As of the date hereof, the interest payable on the Notes is exempt from Federal income taxes under present law.

7. The Notes are not arbitrage bonds within the meaning of Section 103(c) of the United States Internal Revenue Code of 1954, as amended.

We express no opinion as to whether mandamus, specific performance or other specific forms of judicial relief would be granted in a particular case.

Gentlemen:

Re: $30,000,000 City of Chicago,
Illinois General Obligation
Term Notes, Series 1980-A

I am counsel for the City of Chicago, Illinois (the "City"). In connection with issuance today by the City of the Notes listed in Exhibit A attached to this opinion (the "Notes"), I have examined, among other things, the following:

I. Public records, proceedings and documents in connection with the organization and establishment of the City.

II. The proceedings of the City Council of the City pertaining to the adoption of the ordinance on April ...., 1980, (the "Note Ordinance") authorizing the issuance, sale and delivery of the Notes by the City, the execution and delivery of a General Obligation Term Note Agreement, Series 1980-A (the "Agreement") and Escrow Agreement (General Obligation Term Note, Series 1980-A) (the "Escrow Agreement") and authorizing City officers to do all things necessary to implement the terms of the Note Ordinance and the contracts which are created by the Notes, the Agreement, the Escrow Agreement and the Note Ordinance

III. The executed Notes.

Based on the foregoing, it is my opinion that as of the date of this letter:

1. The City is a political subdivision and home rule municipality of the State of Illinois duly organized and existing as such under the laws of the State of Illinois, and, pursuant to the provisions of the Constitution and laws of the State of Illinois and the Note Ordinances, the City is empowered to issue the Notes.

2. The City has full right, power and authority to adopt the Note Ordinance, and no consents, approvals or authorizations are required by any governmental body for the City to carry out the transactions contemplated by the Notes, the Note Ordinance, the Agreement and the Escrow Agreement.

3. The Note Ordinance has been duly adopted by the City Council, has not been amended or repealed and remains in full force and effect.

4. The Notes, the Agreement and the Escrow Agreement have been duly authorized, executed and delivered by the City.

5. The Notes, the Note Ordinance, the Agreement and the Escrow Agreement constitute valid and binding obligations of the City enforceable in accordance with their respective terms, except as enforcement thereof may be limited by bankruptcy or other similar laws affecting the enforcement of creditors' rights generally.

6. The execution, delivery and performance by the City of the Notes, the Note Ordinance, the Agreement and the Escrow Agreement will not conflict with, or result in any breach of any of the provisions of or constitute a default under, any loan agreement, note, bond, resolution, ordinance or other agreement or instrument to which the City is a party or to which it is subject.

7. All proceedings and actions of the City Council of the City relating to the Notes and the Note Ordinance, and related proceedings comply with all laws, ordinances, rules and regulations applicable to the City Council, and none of the actions taken relating to the authorization, execution and delivery of the Notes, the Agreement and the Escrow Agreement, has been repealed, rescinded or revoked.

8. There is no action, suit, proceeding or investigation before or by any court, public board or body pending or, to such counsel's knowledge, threatened, wherein any unfavorable decision, ruling or finding would:

i. Affect the creation, organization, existence of the City or the powers of the City to adopt the Note Ordinance, issue the Notes or perform its obligations under or as contemplated by the Notes, the Note Ordinance, the Agreement or the Escrow Agreement or the titles of the City's officers to their respective offices, with the following exceptions:

....

....

ii. Enjoin or restrain the issuance, sale and delivery of the Notes or the levy or collection of any property taxes levied for the purpose of paying the principal of and interest on the Notes, or the application of the proceeds of such levy for such purpose.

iii. In any way question or affect any of the rights, powers, duties or obligations of the City with respect to the City taxes levied for the purpose of paying the principal of and interest on the Notes, or the application of the proceeds of such levy for such purpose.

iv. In any question or affect any authority for the issuance of the Notes or the validity or enforceability of the Notes, the Note Ordinance, the Agreement or the Escrow Agreement or the transactions contemplated by the Agreement except for the matters discussed in Section 2 (c) thereof.

v. In any way question or affect any loan agreement note or bond or any resolution, ordinance or other agreement or instrument relating to the indebtedness of the City for borrowed money or lease obligations to the Public Building Commission of Chicago, to which the City is a party or to which it is subject.

Nothing contained herein shall be deemed to enlarge or diminish the rights or obligations of the City and its officers under applicable law.

The statements contained herein are made in an official capacity and not personally and no personal responsibility shall derive from them.

Regular Order of Business Resumed.

At this point in the proceedings Honorable Jane M. Byrne, Mayor, relinquished the Chair to President Pro Tem. Alderman Edward D. Vrdolyak.

The Bond and the obligation to pay interest thereon do not now and shall never constitute an indebtedness or a loan of credit of the Issuer, the State of Illinois or any political subdivision thereof, or a charge against their general taxing powers, within the meaning of any constitutional or statutory provision of the State of Illinois, but shall be secured as aforesaid, and are payable solely from the revenues and receipts from the Agreement and the Note.

WHEREAS, It appears that the instruments above referred to which are now before this meeting are in appropriate form and are appropriate instruments to be executed and delivered by the Issuer for the purposes intended; now therefore,

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. *Definitions* All defined terms used in this Bond Ordinance shall have the meanings specified in Article I of the Loan Agreement (except as herein otherwise expressly provided, or unless the context clearly requires otherwise).

SECTION 2. *Authority to Finance the Acquisition, Construction and Equipping of the Project.* Based upon representations made by the Borrower to the Issuer, the Issuer hereby determines that the Cost of the Project will not be substantially less than $675,000; that the location of the Project within the corporate boundaries of the Issuer will promote the purposes of the Enabling Ordinance; that the financing of the acquisition, construction and equipping of the Project by the Issuer through a loan of the proceeds derived from a sale of the Series 1980 Bond to the Borrower is in the public interest and in furtherance of the purposes of the Enabling Ordinance; and that such financing is authorized by the Enabling Ordinance and this Bond Ordinance. It is hereby found and declared that the financing of the Cost of the Project, and the use of the Project by the Borrower as hereinafter provided, is necessary to accomplish the purposes of the Enabling Ordinance.

SECTION 3. *Authorization of the Series 1980 Bond, and Security for the Bonds.* For the purpose of providing funds to finance a portion of the Cost of the Project, there shall be issued, and is hereby authorized and directed to be issued, the Series 1980 Bond of the Issuer.

The Bonds and any interest thereon shall be paid solely from the revenues and receipts derived from the Instruments (but excluding moneys derived by the Issuer from the Instruments pursuant to its Unassigned Rights), and not from any other fund or source. The Bonds shall be issued in compliance with, and under authority of, the provisions of the Enabling Ordinance and this Bond Ordinance. The Issuer hereby pledges the revenues and receipts derived by it from the Loan Agreement (but excluding amounts derived by it pursuant to its Unassigned Rights) to the payment of the principal of, Redemption Premium, if any, and Interest on the Bonds. The Bonds shall be additionally secured by, among other things, the Assignment, the Collateral Security Agreement, the Mortgage, the Loan Agreement, and the Construction Fund.

The Bonds shall be limited obligations of the Issuer, the principal of, Premium, if any, and Interest on which shall be payable solely from the sources specified in, and be secured as provided by, the Enabling Ordinance and the Instruments. The obligation of the Issuer to pay the principal of, Premium, if any, and Interest on the Bonds shall never constitute a general obligation of the Issuer, nor shall the Bonds ever constitute an indebtedness or loan of credit of the Issuer, the State or any other political subdivision thereof within the meaning of any State constitutional provision or statutory limitation, and neither the Issuer, the State nor any other political subdivision thereof shall be liable thereon; and the principal of, Premium, if any, and Interest on the Bonds shall neither constitute nor give rise to a pecuniary liability or a charge against the general credit or taxing powers of the Issuer, the State or any other political subdivision thereof. The aforementioned limitation shall be plainly stated on the face of each Bond together with a recital that each such Bond has been issued under and in compliance with the provisions of the Enabling Ordinance.

Any payments on the Bonds made to the Bond Purchaser or to any subsequent Owner thereof, or to any duly authorized representative of the Bond Purchaser, by the Borrower or the Issuer, or for the account of the Borrower or the Issuer, shall, for all purposes and in every respect, be deemed a payment of the Bonds, and such payments shall be applied in accordance with the provisions of this Bond Ordinance.

Nothing in the Instruments shall be construed so as to create an obligation or commitment by the Issuer to expend any of its funds other than (i) the proceeds derived from the sale of the Bonds, (ii) certain of the revenues and receipts to be received by the Issuer, or by any Person on the Issuer's behalf, from or pursuant to the Instruments, as provided herein, (iii) any proceeds accruing to the Issuer, or to any Person on the Issuer's behalf, from insurance on the Project, (iv) any moneys accruing to the Issuer, or to any Person on the Issuer's behalf, on account of any taking or condemnation of title to (or sale by the Borrower under threat of condemnation of) the whole or any part of the Project, and (v) any moneys arising out of the investment or reinvestment of said proceeds, income, rents, revenues, receipts or other moneys.

It is hereby found, determined and declared by the Issuer that the aggregate amount payable in each year under the Loan Agreement is the amount necessary in such year to pay the principal of, Premium, if any, and Interest on the Series 1980 Bond; and that the loan repayments and other monetary obligations undertaken by the Borrower in the Loan Agreement are sufficient to satisfy the monetary obligations required by the Enabling Ordinance to be undertaken by the user of an "industrial development project" within the meaning of the Enabling Ordinance.

SECTION 4. *Description and Details of the Series 1980 Bond.* The Series 1980 Bond shall be issued in fully registered form in the name of the Bond Purchaser, shall be numbered R-1, and shall be in the denomination of $675,000. No Series 1980 Bond shall be sold, transferred or assigned except to an "Institutional Investor," as such term is hereinafter defined, and then only for the investment account of such "Institutional Investor," as hereinafter defined. The costs and charges of any transfer shall be paid by the purchaser, transferee or assignee thereof. In the event that any Bond is sold, transferred or assigned, the purchaser, transferee or assignee thereof must notify the Issuer and the Borrower of the new address for the payment thereof; absent such notification, such sale, transfer or assignment shall be ineffective as against the Issuer and the Borrower. Each Series 1980 Bond shall bear on the face thereof the legend: This Series 1980 Bond shall not be sold, transferred or assigned except to an "Institutional Investor," as such term is defined in the Bond Ordinance, and then only for the investment account of such institutional investor."

The Series 1980 Bond is only subject to mandatory redemption in the event that the Borrower is required to prepay the amounts payable under the Loan Agreement upon the occurrence of a "Determination of Taxability," as defined in Section 7.3 of the Loan Agreement. If called for redemption upon the occurrence of a "Determination of Taxability," as defined in Section 7.3 of the Loan Agreement, this Series 1980 Bond shall be subject to redemption by the Issuer at any time in whole and not in part, in one of the two methods described below as selected by the Borrower:

(1) by the delivery from the Borrower to the owner of this Series 1980 Bond at that time, in exchange for cancellation of this Series 1980 Bond, of the Borrower's own installation note in the principal amount of this Series 1980 Bond outstanding at that time, bearing interest (based, for actual days elapsed, on a 360 day year) at 120% of the rate then being charged by the owner of this Series 1980 Bond at that time for secured industrial loans made to the prime customers of the owner of this Series 1980 Bond at that time (the "prime rate"), plus the payment of an amount equal to (i) the amount necessary so that all who shall have owned this Series 1980 Bond at any time after an "Event of Taxability," as defined in Section 7.3 of the Loan Agreement, shall have received interest on this Series 1980 Bond at the rate described above (based, for actual days elapsed, on a 360 day year) for the period of their ownership elapsed between the "Event of Taxability," as such term is defined in Section 7.3 of the Loan Agreement, and the date of redemption, prior transfer or prior payment, plus (ii) any penalties or interest which all who shall have owned this Series 1980 Bond at any time after an "Event of Taxability," as defined in Section 7.3 of the Loan Agreement, may have had to pay as a result of interest on this Series 1980 Bond being deemed taxable; any installment note of the Borrower so delivered shall be subject to, and governed by, the provisions of the Instruments, and shall be secured as provided therein, as fully as if such installment note were this Series 1980 Bond issued under the Bond Ordinance; or

(2) at a redemption price equal to the unpaid principal amount hereof, plus accrued interest to the redemption date, plus a redemption premium equal to (i) the amount necessary so that all who shall have owned this Series 1980 Bond at any time after an "Event of Taxability," as defined in Section 7.3 of the Loan Agreement, shall have received interest on the principal amount of this Series 1980 Bond at the Prime Rate as such term is defined in Section 1.2 of the Loan Agreement (based, for actual days elapsed, on a 360 day year) for the period of their ownership elapsed between the "Event of Taxability," as such term is defined in Section 7.3 of the Loan Agreement, and the date of redemption, prior transfer or prior payment, plus (ii) any penalties or interest which all who shall have owned this Series 1980 Bond at any time after an "Event of Taxability," as defined in Section 7.3 of the Loan Agreement, may have had to pay as a result of interest on this Series 1980 Bond being deemed taxable.

Any person who was an owner of this Series 1980 Bond (or portion hereof) at or subsequent to the time of an "Event of Taxability" (as defined in Section 7.3 of the Loan Agreement) shall, upon presentation to the Issuer and the Borrower in writing of proof satisfactory to the Issuer and the Borrower that he was the owner of this Series 1980 Bond (or portion hereof) at such time, be entitled to an amount equal to (i) the amount necessary so that such owner of this Series 1980 Bond (or portion hereof) shall have received interest on the principal amount of this Series 1980 Bond which was outstanding during the time of such ownership after the time of the "Event of Taxability," as such term is defined in Section 7.3 of the Loan Agreement, at the rate of 120% of the prime rate (based, for actual days elapsed, on a 360 day year) for the period of such ownership elapsed between the "Event of Taxability," as such term is defined in Section 7.3 of the Loan Agreement, and the date on which such principal amount of this Series 1980 Bond was paid, transferred or redeemed, plus (ii) any penalties or interest which such owner of this Series 1980 Bond (or portion hereof) may have had to pay as a result of interest on this Series 1980 Bond (or portion hereof) being deemed taxable.

The amounts referred to in the preceding three (3) paragraphs shall constitute the total compensation due any owner of this Series 1980 Bond (or portion hereof) as a result of an "Event of Taxability," as defined in Section 7.3 of the Loan Agreement.

If the Issuer shall default in the due and punctual payment of the principal of, premium, if any, or interest on any Bond when and as the same shall become due and payable, at maturity, by acceleration or otherwise, or if an "event of default," as defined in the Loan Agreement shall occur, then, and at any time thereafter, unless and until the event of default shall have been cured or shall have been waived in the manner provided therein, the owners of a majority in aggregate principal amount of Bonds then outstanding may, upon written notice given by certified or registered mail to the Issuer, the Borrower and the owners of the remainder of the Bonds at the time outstanding under the Bond Ordinance, declare all Bonds then outstanding to be due and payable, and may proceed to enforce the rights embodied in the

Bonds then outstanding, and any and all such other rights as the owners of the Bonds may have, either by suit in equity or by action at law, or both.

The obligation of the Issuer to pay the principal of, premium, if any, and interest on the Bonds is a limited obligation of the Issuer payable solely from the revenues and receipts derived from the Instruments and the Project, and otherwise as provided in the Instruments. Pursuant to the provisions of the Instruments, amounts sufficient in the aggregate for the prompt payment when due of the principal of, premium, if any, and interest on the Bonds are to be paid directly to the owners of such Bonds for the account of the Issuer pursuant to the terms and provisions thereof. Any payments on the Bonds made to any owner (or representative thereof) by the Borrower or the Issuer, or for the account of the Borrower or the Issuer, shall for all purposes and in every respect be deemed a payment of the Bonds, and such funds shall be applied to the payment of the Bonds, and shall satisfy and discharge the liability of the Issuer upon the Bonds.

The Bonds shall be limited obligations of the Issuer, the principal of, premium, if any, and interest on which shall be payable solely from the sources specified in, and be secured as provided by, the Enabling Ordinance and the Instruments. The obligation of the Issuer to pay the principal of, premium, if any, and interest on the Bonds shall never constitute a general obligation of the Issuer, nor shall the obligation of the Issuer to pay the principal of, premium, if any, and interest on the Bonds ever constitute and indebtedness or loan of credit of the Issuer, the State of Illinois or any other political subdivision thereof within the meaning of any State of Illinois constitutional provision or statutory limitation, and neither the Issuer, the State of Illinois nor any other political subdivision thereof shall be liable thereon, and the obligation of the Issuer to pay the principal of, premium, if any, and interest on the Bonds shall neither constitute nor give rise to a pecuniary liability or a charge against the general credit or taxing power of the Issuer, the State of Illinois or any other political subdivision thereof.

In certain events, on the conditions, in the manner and with the effect set forth in the Bond Ordinance, the principal of all of the Bonds issued under the Bond Ordinance, and then outstanding, may become or may be declared to be due and payable before the stated maturity thereof, together with interest accrued thereon. Modifications or alterations of the Instruments may be made only to the extent and in the circumstances permitted by the Bond Ordinance.

It Is Hereby Certified, Recited and Declared that all acts, conditions and things required to exist, happen and be performed precedent to and in the passage and approval of the Bond Ordinance and the issuance of this Series 1980 Bond do exist, have happened and have been performed in due time, form and manner as required by law; and that the issuance of this Series 1980 Bond, together with all other obligations of the Issuer relating hereto, shall not constitute an indebtedness of the Issuer, the County of Cook, the State of Illinois or of any other political subdivision thereof within the meaning of any constitutional or statutory provision of the State of Illinois.

In Witness Whereof, the City of Chicago, has caused this Series 1980 Bond to be executed in its name by the manual signature of its Mayor, and attested by the manual signature of its City Clerk and its seal to be impressed hereon, all as of April 1, 1980.

SECTION 11. *Execution and Delivery of the Bond; Deposit of Bond Proceeds; Designation of Fiscal Agent by Issuer.* The Mayor and the City Clerk of the Issuer are hereby authorized and directed to prepare and execute, in the manner hereinbefore specified, the Series 1980 Bond herein authorized, and to deliver the Series 1980 Bond to the Bond Purchaser upon receipt of the purchase price therefor, namely 100% of the principal amount thereof and accrued interest to the date of delivery. The Mid-City National Bank of Chicago, Chicago, Illinois, is hereby designated Fiscal Agent for the Issuer for the purposes of, among other things, (i) serving as the depository of the proceeds of the Series 1980 Bond as provided herein, (ii) establishing and maintaining the Construction Fund as provided in Section 13 hereof, and (iii) performing such other obligations and responsibilities as shall be provided in the Instruments. The rights and duties of the Fiscal Agent are further specified in Section 32 of this Bond Ordinance. The proceeds of said Series 1980 Bond shall be deposited with the Fiscal Agent and applied as provided in Section 3.3 of the Loan Agreement and Section 13 hereof.

SECTION 12. *Evidence of Signatures of Bondowners, Ownership of Bonds.* Any request, consent, revocation of consent or other instrument which this Bond Ordinance may require or permit to be signed and executed by the Owners of the Bonds may be in one or more counterparts of similar tenor, and shall be signed or executed by such Owners of the Bonds in person, or by their attorneys duly appointed in writing. Proof of (i) the execution of any such instrument, or of an instrument appointing any such attorney, or (ii) the ownership by any Person of the Bonds shall be sufficient for any purpose of this Bond Ordinance (except as otherwise herein expressly provided) if made in the following manner, or in any other manner satisfactory to the Issuer, the Fiscal Agent or the Borrower, which may nevertheless require further or other proof in cases where the same is deemed desirable. The fact and the date of the execution of such instruments by any Owner of the Bonds or his attorney may be proved by a guarantee of the signature thereon by a bank or trust company, or by the certificate of any notary public or other officer authorized to take acknowledgements of deeds, that the individual signing such request or other instrument acknowledged to him the execution thereof and exhibited before him the Bonds to which an ownership claim has been made, or by an affidavit of a witness of such execution and presentation, duly sworn to before such notary public or other officer. Where such execution is by an officer of a corporation or association, or a member of a partnership, on behalf of such corporation, association or partnership, such signature guarantee, certificate or affidavit shall also constitute sufficient proof of authority.

Any request or consent by the Owner of any Bond shall bind all future Owners of such Bond, and of any Bond issued in exchange therefor or in replacement thereof, with respect to anything done or suffered to be done by the Issuer, the Fiscal Agent or the Borrower in accordance therewith.

SECTION 13. *Construction Fund.* There is hereby authorized and ordered to be established in the custody of the Fiscal Agent a separate trust fund designated the "Cougle Commission Company Project Construction Fund (City of Chicago)" (the "Construction Fund"). The Fiscal Agent shall promptly deposit the proceeds derived from the sale of the Series 1980 Bond into the Construction Fund. The Construction Fund shall be used for the purpose of providing moneys to pay the Cost of the Project, in the manner and as provided in Section 3.3 of the Loan Agreement. Any moneys not required for said purpose shall, when the Project is certified as having been completed as provided in Section 3.5 of the Loan Agreement, be applied by the Fiscal Agent in the manner provided in Section 3.3(k) of the Loan Agreement.

SECTION 14. *Investments.* As used herein, the term "Permitted Investments" shall mean those investments permitted by Section 3.8 of the Loan Agreement.

Moneys held in the Construction Fund or in any other trust fund established hereunder or pursuant hereto, upon instructions from the Authorized Borrower Representative, shall be invested by the Fiscal Agent in Permitted Investments. No investment shall be made pursuant to this Section for a period longer than the time period, determined by the Fiscal Agent, for which said moneys are not required for the purpose for which they are intended. All proceeds of, interest on and profit realized from Permitted Investments held in any trust fund shall accrue to and become a part of the appropriate trust fund, and any loss resulting from such Permitted Investments shall be charged to such trust fund and paid by the Borrower from its own funds on demand of the Fiscal Agent.

SECTION 15. *Application of the Construction Fund.* The Fiscal Agent is authorized and directed to apply the amounts on deposit in the Construction Fund to the payment or reimbursement of the Cost of the Project.

The Fiscal Agent is hereby authorized and directed to make payments and reimbursements from the Construction Fund upon a requisition submitted to the Fiscal Agent and signed by the Authorized Borrower Representative in conformance in all respects with the requirements contained in Section 3.3 of the Loan Agreement. Each requisition shall certify each item thereof as correct and proper under this Section, and that none of the items for which the requisitions made has formed the basis for any payments or reimbursement theretofor made from the Construction Funds, and shall have attached thereto proof of payment or an invoice, and, if appropriate, a bill of sale therefor. The Fiscal Agent shall keep and maintain adequate records pertaining to the Construction Fund and all disbursements therefrom, and shall file an accounting thereof with the Issuer and the Borrower annually on the anniversary of the date of the issuance and delivery of the Series 1980 Bond until completion of the Project, as such is evidenced by the certificate required by Section 16 hereof and Section 3.5 of the Loan Agreement.

SECTION 16. *Completion of the Project.* The completion of the Project, and the payment of all costs and expenses incident thereto, shall be evidenced by the filing with the Owners of the Bonds, the Issuer and the Fiscal Agent of the certificate of the Authorized Borrower Representative required by the provisions of Section 3.5 of the Loan Agreement. As soon as is practicable, and in any event not more than sixty (60) days from the date of the certificate referred to in the preceding sentence, any balance remaining in the Construction Fund, other than the amounts retained by the Fiscal Agent for the Cost of the Project not then due and payable (said balance being referred to in the Loan Agreement as "Surplus Construction Fund Money"), shall be applied as provided in Section 3.3(k) of the Loan Agreement.

SECTION 17. *Payment of Principal of, Premium, if any and Interest; Condition of the Issuer's Obligations.* The Issuer covenants that it will promptly pay, or cause to be paid, the principal of, Premium, if any, and Interest on every Bond, at the place, on the dates and in the manner provided in this Bond Ordinance and in the Bonds, according to the true intent and meaning hereof and thereof. The principal of, Premium, if any, and Interest on the Bonds are payable solely from the revenues and receipts derived from or in connection with the Instruments and the Project (but excluding those amounts derived by or for the Issuer pursuant to its Unassigned Rights), which revenues and receipts are hereby specifically pledged to the payment thereof in the manner and to the extent specified in the Instruments. The Bonds are further secured by, among other things, the Instruments and the Construction Fund. The Issuer shall not be required under the Instruments to expend any of its funds other than (i) the proceeds derived from the sale of the Bonds, (ii) the income, revenues, receipts and other moneys derived from the Instruments or the Project (but excluding revenues and receipts derived by or for the Issuer pursuant to its Unassigned Rights), (iii) any income or gains therefrom, and (iv) condemnation awards, amounts received pursuant to any sale under threat of condemnation, or insurance proceeds with respect to the Project. Each and every covenant herein made is predictated upon the condition that any obligation for the payment of money incurred by the Issuer shall not constitute an indebtedness of the Issuer or a loan of credit thereof within the meaning of any constitutional or statutory provision, but shall be payable solely from the revenues and receipts derived from or in connection with the Project, including all moneys received by the Issuer under the Loan Agreement, or by the Issuer's assignee under the Assignment, which revenues and receipts (but excluding revenues and receipts derived by or for the Issuer permitted to its Unassigned Rights) are hereby specifically pledged to the payment thereof in the manner and to the extent in the Instruments specified; and nothing in the Bonds or this Bond Ordinance shall be considered to pledge any other funds or assets of the Issuer.

Any provision of this Bond Ordinance to the contrary notwithstanding, the Issuer shall not be obligated to take any action or execute any instrument pursuant to any provision hereof (other than its obligations to pay the principal of, Premium, if any, and Interest on the Bonds), unless (i) it shall have been requested to do so by the Owner of any such Bond in writing, and (ii) if compliance with such request can reasonably be expected to result in the incurrence by the Issuer of any fees or expenses, it shall have received from the Borrower or the Owner of the Bond assurances reasonably satisfactory to the Issuer that the Issuer will be promptly reimbursed for the full amount of such fees and expenses; provided, however, that no limitation on the obligations of the Issuer contained herein by virtue of any lack of assurances provided in clause (ii) above shall be deemed to prevent the occurrence and full force and effect of an event of default hereunder.

SECTION 18. *Particular Covenants of the Issuer.* Except as provided in Section 17 hereof, as long as any of the principal of, Premium, if any, or Interest on the Bonds herein authorized remains unpaid, or until provision shall have been made for the payment thereof, the Issuer covenants with each of the Owners of said Bonds as follows:

(a) The Issuer will comply fully with all the terms, provisions and conditions of the Instruments which require performance by, or impose duties on, the Issuer, and will not permit any default to occur on the part of the Issuer hereunder or thereunder; will fully and promptly enforce all of the terms, provisions and conditions of the Loan Agreement which require performance by, or impose duties on, the Borrower; and in the event of the occurrence of an event of default under the Loan Agreement will, subject to the terms and provisions of the Instruments, exercise, or cause the same to be exercised, all of the rights and remedies conferred upon the Issuer by the Loan Agreement for the full and complete protection of the security and rights of the Owners of the Bonds. The Issuer's obligation to pay the expenses of such enforcement shall be limited to funds made available to it for that purpose by the Owners of the Bonds, or other interested parties.

(b) The Issuer will enforce, or cause to be enforced, collection of the loan repayments and the payment of other fees, expenses and charges in the amounts and at the times set forth in the Loan Agreement, and will not reduce, or cause or permit to be reduced, the loan repayments and other fees, expenses and charges fixed, established and required by the Loan Agreement, nor change or alter the time or times when the same are due and payable under said Loan Agreement. The Issuer's obligation to pay the expenses of such enforcement shall be limited to funds made available to it for that purpose by the Owners of the Bonds, or other interested parties.

(c) Until payment of all principal of, Redemption Premiums, if any, and Interest on the Bonds has been duly made or provided for, the Issuer will not consent to any change, amendment, modification or termination of the Loan Agreement, except as otherwise provided herein or therein.

(d) Any Net Proceeds of condemnation awards or insurance coverage, any amounts received pursuant to any sale under threat of condemnation, any funds which are received by the Issuer pursuant to the termination of the Loan Agreement, or any other funds intended by the purpose of paying the principal of. Redemption Premiums, if any, and Interest on Bonds, will be used solely and exclusively to pay the principal of, Redemption Premiums, if any, and Interest on Bonds then subject to prepayment or otherwise as provided in the Loan Agreement. Upon receipt of any such funds, the Issuer shall proceed promptly to prepay principal on the Bonds over and above the principal required to be paid on an annual basis, and shall give the notice, or cause the notice to be given, thereof provided for by the terms of the Bond Ordinance.

(e) The Issuer will not issue any other obligations payable from payments to be made by the Borrower pursuant to the Loan Agreement, nor will the Issuer voluntarily create or cause to be created any debt, lien, pledge, assignment, encumbrance or other charge on said payments or on the property and rights subject to the Loan Agreement, except as provided in Sections 33 and 34 hereof, nor will the Issuer, unless required by law or by the terms of the Loan Agreement or the Assignment, sell or otherwise dispose of its interest in the Loan Agreement or any part thereof.

(f) The Borrower has agreed to keep the Project, or to cause the same to be kept, insured in the manner provided for by the Loan Agreement. The Issuer's share, if any, of the Net Proceeds of any such insurance policies shall be payable to and deposited with the Bond Purchaser (as representative of all of the Owners of the Bonds). Any of the Net Proceeds of such insurance policies shall be used and applied in the manner set forth in the Loan Agreement. The Borrower will also pay, or cause to be paid, as provided in the Loan Agreement, all lawful taxes, assessments and charges at any time levied or assessed upon or against the Project, or any part thereof, failure to pay which might impair or prejudice the lien and priority of the Instruments; provided, however, that nothing contained herein shall require the payment of any such taxes, assessments or charges if the same are not required to be paid under the provisions of the Loan Agreement.

(g) The Issuer shall cause the Fiscal Agent to maintain adequate records and accounts, separate and apart from all other records and accounts of the Issuer or the Fiscal Agent, in accordance with generally accepted principles of accounting, including complete details of all financial transactions relating to the Bonds and the Project. Such books and records shall be available for inspection by the agents of the Borrower or any of the owners of the Bonds during the regular business hours of the Fiscal Agent.

(h) The Issuer covenants that it will faithfully perform at all times any and all covenants, undertakings, stipulations and provisions contained in this Bond Ordinance, in any and every Bond executed and delivered hereunder or pursuant hereto, and in all proceedings pertaining hereto and thereto. The Issuer covenants that it is duly authorized under the Constitution and laws of the State of Illinois, including particularly and without limitation the Enabling Ordinance, to issue the Bonds authorized hereby, to lend to the Borrower the proceeds of the Bonds by means of the Loan Agreement, and to pledge and assign the revenues and receipts (and rights thereto) hereby authorized to be pledged and assigned in the manner and to the extent herein, in the Loan Agreement and in the Assignment set forth; that all action on its part for the issuance of the Bonds and the adoption of this Bond Ordinance has been duly and effectively taken; and that the Bonds in the hands of the Owners thereof are and will be valid and enforceable limited obligations of the Issuer according to the import thereof.

SECTION 19. *Insurance and Condemnation Proceeds.* The Loan Agreement provides for the assignment to the Bond Purchaser (as representative of all of the Owners of the Bonds) of certain insurance proceeds and condemnation awards, amounts paid pursuant to sales under threat of condemnation, damages and compensation with respect to the Project which are payable to the Issuer. The Issuer hereby agrees to the application of such moneys in said manner.

SECTION 20. *Amendments or Modifications.* Any provision of the Bonds or the Instruments may be modified or amended in any respect with the written consent of the Owners of a majority in aggregate principal amount of Bonds then Outstanding, provided however, that nothing in this Section 20 contained shall permit or be construed as permitting (a) an extension of the stated maturity or reduction in the principal amount of, or reduction in the rate, or extension of the time of payment, of Interest on, or reduction of any Premium payable on the redemption of, any Bonds, without the consent of the Owners of such Bonds, (b) the creation of any lien (other than Permitted Encumbrances) prior to or on a parity with the lien of the Instruments, (c) a reduction in the aforesaid aggregate principal amount of Bonds the Owners of which are required to consent to any such supplemental or amendatory ordinance, without the consent of the Owners of all Bonds at the time Outstanding which would be effected by the action to be taken, (d) the modification of the rights, duties or immunities of the Fiscal Agent, without the written consent of the Fiscal Agent, or (e) a privilege or priority of any Bond over any other Bond; and provided further that any provision relating to the amounts to be paid on the Bonds (or the time of such payments) may be modified or amended only with the written consent of the Owners of all Bonds then Outstanding, and provided further that the Borrower shall have given its prior written approval to any such modification or amendment if the same would permit, or be construed to permit, any change in the obligations of the Borrower as set forth in the Instruments. Every amendment or modification of a provision of the Bonds or the Instruments to which the written consent of the Owners of all or a majority in aggregate principal amount, as appropriate, of the Bonds is given, as above provided, shall be expressed in an ordinance of the Issuer amending or supplementing the provisions of this Bond Ordinance, and shall be deemed to be a part of this Bond Ordinance. It shall not be necessary to note on any outstanding Bond any reference to such amendment or supplement. A certified copy of every such amendatory or supplemental ordinance, and a certified copy of this Bond Ordinance, will be sent by the City Clerk of the Issuer to each of the Owners of the Bonds.

The Issuer may enter into any supplemental or amendatory ordinance for any of the purposes of this Section only upon the receipt by it of the written consent of the Owners or all or a majority in aggregate principal amount, as appropriate, of the Bonds then Outstanding; such consent shall be binding upon all Owners of the Bonds and upon any subsequent Owners of the Bonds (whether or not such subsequent Owners have notice thereof).

No subsequent Owner of any Bond shall have any right to object to such supplemental or amendatory ordinance, or to object to any of the terms and provisions contained therein or the operation thereof, or in any manner to question the propriety of the adoption thereof, or to enjoin or restrain the Issuer from adopting the same or from taking any action pursuant to the provisions thereof.

Upon the adoption of any supplemental or amendatory ordinance pursuant to the provisions of this Section, this Bond Ordinance shall be, and be deemed to be, modified and amended in accordance therewith; and the respective rights, duties and obligations under this Bond Ordinance of the Issuer, the Fiscal Agent, the Borrower and the Owners of the Bonds shall thereafter be determined, exercised and enforced under this Bond Ordinance, subject in all respects to such modifications and amendments. Any supplemental or amendatory ordinance authorized and entered into in accordance with the provisions of this Bond Ordinance shall thereafter form a part of this Bond Ordinance, and all of the terms and conditions contained in any such supplemental or amendatory ordinance as to any provisions authorized to be contained therein shall be, and shall be deemed to be, part of the terms and conditions of this Bond Ordinance for any and all purposes.

SECTION 21. *Enforcement.* The provisions of this Bond Ordinance shall constitute a contract between the Issuer and the Owners of the Bonds, and subject to the provisions of Section 28 hereof, the Owner of any one or more of the Bonds may sue to recover Interest, Premium or principal which has not been paid according to the terms of said Bonds. The Owners of the Bonds then Outstanding, in accordance with the provisions of Section 23 hereof and Section 10 of the Assignment, may sue in any action, either at law or in equity, to enforce or compel performance of all duties and obligations required by this Bond Ordinance to be done or performed by the Issuer or by the Borrower.

SECTION 22. *Events of Default.* Each of the events set forth in Section 6.1 of the Loan Agreement, and defined therein as an "event of default," shall constitute an "event of default" hereunder. Upon the happening and continuance of any event of default, the Bond Purchaser or the Owners of a majority in aggregate principal amount of the Bonds then Outstanding if additional bonds have been issued may appoint a representative to act on behalf of the Owners of all of the Bonds, and such representative shall be and is hereby vested with all of the rights, powers and duties of a trustee appointed by the Owners of all of the Bonds. Upon such occurrence and giving of written notice to the Borrower and the Issuer by the Bond Purchaser or the other Owners of Bonds then Outstanding, declare the principal of all Bonds then outstanding, and the Interest accrued thereon, to be due and payable immediately without presentment, demand, protest or other notice of any kind, all of which are hereby waived; and upon any such declaration the same shall become and be immediately due and payable, anything in this Bond Ordinance or in the Bonds contained to the contrary not withstanding.

The Issuer hereby grants to the Borrower full authority for the account of the Issuer to perform any covenant or obligation, the non-performance of which is alleged in any notice received by the Borrower to constitute an event of default, in the name and place of the Issuer, with full power to do any and all things and acts to the same extent as the Issuer, and perform any such things and acts with the power of substitution.

For purposes of this Section, notice shall be deemed to have been given if given in the manner required by Section 9.1 of the Loan Agreement for the giving of notices thereunder.

SECTION 23. *Foreclosure and Enforcement of Remedies.* Upon the happening and continuance of any event of default, and the giving of notice to the Borrower, and the Issuer (as provided in Section 22 hereof) by the Owners of the Bonds then and in every case the Owners of the Bonds may proceed to protect and enforce their rights under the instruments by such suits, actions or special proceedings in equity or at law, or proceedings in the office of any board or officer having jurisdiction, whether for the specific performance of any covenant or agreement contained in the Bonds or the Instruments, or in aid of the execution of any power granted herein, therein or in the Enabling Ordinance, or for the enforcement of any legal or equitable rights or remedies, including the sale of all or any part of the Project, subject to statutory requirements, if any, to the highest bidder, and all right, title and interest, claim and demand therein and thereto, and all right of redemption thereof, as the Owners of the Bonds shall determine.

In the enforcement of any right or remedy under the Instruments or the Enabling Ordinance, the Owners of the Bonds shall be entitled to sue for, enforce payment on and receive any and all amounts then due and unpaid or becoming due from the Issuer to the Owners of the Bonds for principal, Interest, Premium or otherwise under any provision of the Instruments, the Enabling Ordinance or the Bonds, with Interest on overdue payments at the rate of one hundred twenty percent (120%) of the Prime Rate as defined in Section 1.2 of the Loan Agreement per annum, together with any and all costs and expenses of collection and of all proceedings hereunder and thereunder, without prejudice to any other right or remedy of the Owners of the Bonds and to recover and enforce any judgment or decree against the Issuer, but solely as provided herein and therein, for any portion of such amounts remaining unpaid, with interest, costs and expenses, and to collect (but solely from the moneys available for said purpose), in any manner provided by law, the moneys adjudged or decreed to be payable.

SECTION 24. *Application of Revenues and Receipts After Default.* All moneys received by the Owners of the Bonds pursuant to any right given or action taken under the provisions of this Bond Ordinance shall, after payment of the costs and expenses of the proceedings resulting in the collection of such money, and of the expenses, liabilities and advances incurred or made by the Owners of the Bonds, be applied to the payment of the Bonds in such manner as the Owners of all of the Bonds may determine.

Whenever the principal of all of the Bonds, and the Premium, if any, and Interest thereon, shall have been paid under the provisions of this Section, and all expenses and charges of the Owners of the Bonds, the Fiscal Agent and the Issuer shall have been paid, any balance remaining shall be paid to or upon the order of the Borrower.

SECTION 25. *Waivers of Events of Default; Actions by the Owners of the Bonds.* The Owners of the Bonds may waive any event of default hereunder upon payment of all amounts in default, and after all other defaults have been cured. All rights of action under the Instruments or the Bonds may be enforced by the Owners of the Bonds without the production thereof at any trial or other proceeding relating thereto, and any such suit or proceeding instituted by the Owners of the Bonds shall be brought in their respective names without the necessity of joining as a party plaintiff or defendant the Issuer, and any recovery of judgment will be for the equal benefit of all of the Owners of the Bonds.

SECTION 26. *Bondowner Rights not Impaired.* Nothing contained in the Instruments shall affect or impair the right of any Owner of any Bond to the payment of the principal of, Redemption Premium, if any, and Interest on any Bond at and after the maturity thereof, or the obligation of the Issuer to pay the principal of, Redemption Premium, if any, and Interest on each of the Bonds to the respective Owners thereof at the time, place, from the source and in the manner herein and in said Bonds expressed.

SECTION 27. *Effect of Discontinuance of Proceedings.* If any proceeding taken by the Owners of the Bonds on account of any event of default shall have been discontinued or abandoned for any reason, or shall have been determined adversely to the Owners of the Bonds, then and in every such case, the Borrower, the Issuer and the Owners of the Bonds shall be restored, respectively, to their former obligations and rights hereunder.

SECTION 28. *Remedies Not Exclusive; Delay or Omission.* No remedy by the terms of the Instruments conferred upon or reserved to the Owners of the Bonds is intended to be exclusive of any other remedy, and each and every such remedy shall be cumulative and shall be in addition to any other remedy given under the Instruments, or now or hereafter existing at law or in equity.

No delay or omission of the Owners of the Bonds to exercise any right or power arising upon any event of default shall impair any right or power, or shall be construed to be a waiver of any such event of default or an acquiesence therein; and every power and remedy given by the Instruments to the Owners of the Bonds may be exercised from time to time and as often as may be deemed expedient by the Owners of the Bonds.

SECTION 29. *Bondowners Control Proceedings.* Subject to the provisions of the preceding Section, anything in the Instruments to the contrary notwithstanding, the Owners of all the Bonds then Outstanding shall have the right, at any time, by an instrument or instruments in writing, executed and delivered, effective upon deposit in the mail if sent by registered or certified mail, to the Issuer and the Borrower, to direct the method and place of conducting all proceedings to be taken in connection with the enforcement of the terms and conditions of the Instruments, and for the appointment of a receiver of any other proceedings hereunder or thereunder; provided that such direction shall not be otherwise than in accordance with the provisions of law and of this Bond Ordinance.

SECTION 30. *Acceleration in the Event of Default.* In the event that the principal of, Premium, if any, or Interest on the Bonds herein authorized is not paid according to the terms hereof and thereof, either on maturity, mandatory prepayment call for redemption or the occurrence of an event of default, the Owners of the Bonds then Outstanding, may, in accordance with the provisions of Section 10 of the Assignment, by written notice effective upon deposit in the mail if sent by certified or registered mail, given to the Borrower and the Issuer declare the principal of all Bonds then Outstanding to be immediately due and payable; and upon such declaration given as aforesaid, the principal of, Premium, if any, and accrued Interest on said Bonds shall be immediately due and payable, anything in the Bonds or in this Bond Ordinance contained to the contrary not withstanding. This provision, however, is subject to the condition that if at any time thereafter all arrears of Interest, except Interest accrued but not due, and of principal shall have been paid in full, then in every such case, the Owners of a majority in aggregate principal amount of the Bonds then Outstanding, by written notice effective upon deposit in the mail if sent by certified or registered mail, given to the Borrower, the Issuer and the other Owners of Bonds then Outstanding, may rescind and annul such declaration and its consequences, but no such rescission or annulment shall extend to or affect any other event of default, or impair any rights consequent thereon.

SECTION 31. *Defeasance.* If the Issuer shall pay or cause to be paid, or there shall otherwise be paid, to the Owners of all of the Bonds, or their representatives, the principal of, Redemption Premium, if any, and Interest due or to become due thereon, at the times and in the manner stipulated in the Bonds and this Bond Ordinance, and if all other amounts due under the Instruments are paid in full, then the pledge and assignment of any revenues and receipts from or in connection with the Project under the Instruments, and the estate and rights hereby and thereby granted, and all covenants, agreements and other obligations of the Issuer to the Owners of the Bonds, shall thereupon cease, terminate, become void and be discharged and satisfied. In such event, the Owners of the Bonds shall cancel and discharge the lien of the Instruments, and shall execute and deliver to the Issuer and the Borrower, and record in all offices appropriate therefor, all such instruments as may be appropriate to satisfy such lien and to evidence such discharge and satisfaction; and the Fiscal Agent, the Issuer and the Owners of the Bonds shall pay over and deliver to the Borrower or its order all moneys or securities held by them or their representative pursuant to this Bond Ordinance which are not required for the payment of the principal of, Redemption Premium, if any, or Interest on the Bonds not theretofore paid or redeemed and all other amounts due under this Bond Ordinance.

All Bonds paid or redeemed in full shall be returned to the Issuer for cancellation prior to their delivery to the Borrower.

SECTION 32. *Provisions Relating to the Fiscal Agent.*

(a) The Fiscal Agent shall signify its acceptance of its duties and obligations under the Instruments by its execution of the Fiscal Agent Agreement. All provisions of this Section shall be construed as extending to and including all of the rights, duties and obligations imposed upon the Fiscal Agent under the Instruments, as fully for all intents and purposes as if this Section were contained therein.

(b) (i) The Fiscal Agent shall have no responsibility for the validity or sufficiency of the Instruments, or the security provided hereunder and thereunder, or for the due execution hereof and thereof by the Issuer and the other parties thereto, or in respect of the title to or the value of the Project, or in respect of the validity of any Bonds issued hereunder, or to see to the recording or filing of the Mortgage, any financing statement or any other document or instrument whatsoever. (c) The Fiscal Agent shall be entitled to receive and collect from the Borrower payment or reimbursement for reasonable fees for services rendered under the Instruments, and all advances, counsel fees and other expenses reasonably and necessarily made or incurred by the Fiscal Agent in connection herewith and therewith. Before taking any action hereunder or thereunder, the Fiscal Agent may require that a satisfactory indemnity bond be furnished for the reimbursement of all expenses to which it may be put, and to protect it against all liability, except liability which has resulted from its own misconduct, negligence or bad faith by reason of any action taken or omitted.

(d) The Fiscal Agent shall be protected and shall incur no liability in acting or proceeding, or in not acting or not proceeding, in good faith, reasonably and in accordance with the terms of the Instruments, upon any ordinance, resolution, order, notice, request, consent, waiver, certificate, statement, affidavit, requisition, bond or other paper or document which it shall in good faith believe to be genuine and to have been adopted or signed by the proper Person, or to have been prepared and furnished pursuant to any provision of the Instruments, or upon the written opinion of Independent Counsel or Bond Counsel, or an Independent Engineer, appraiser or accountant believed in good faith by the Fiscal Agent to be qualified in relation to the subject matter.

(e) A certificate signed by the Authorized Borrower Representative to the effect that no event of default is occurring or will result from the issuance of such Additional Bonds.

(f) An opinion of Bond Counsel to the effect that the issuance of such Additional Bonds will not affect the tax-exempt status of all Bonds then Outstanding.

SECTION 36. *Form, Execution and Authorization of Financing Documents.* The Issuer, by its Mayor and its City Clerk, is authorized to enter into the Loan Agreement, the Assignment and the Fiscal Agent Agreement, which instruments are to be substantially in the form now before this meeting and hereby approved, and which instruments the Mayor and the City Clerk of the Issuer are hereby authorized and directed to execute for and on behalf of, and as the act and deed of, the Issuer. The Loan Agreement, the Assignment and the Fiscal Agent Agreement, as executed and delivered by the Mayor and the City Clerk of the Issuer, shall each be in substantially the respective forms now before this meeting and hereby approved, or with such changes therein as shall be approved by the officers of the Issuer executing the same, their execution thereof to constitute conclusive evidence of their approval and the approval of the City Council of the Issuer of any and all changes or revisions therein from the forms of said instruments now before this meeting; and from and after the execution and delivery of the above-mentioned documents, the officers, agents and employees of the Issuer are hereby authorized, empowered and directed to do all such acts and things, and to execute all such documents and instruments, as may be necessary to carry out and comply with the provisions of this Bond Ordinance and said Loan Agreement, Assignment and Fiscal Agent Agreement as executed.

SECTION 37. *Execution of Other Instruments and Certificates.* The Mayor and the City Clerk, for and on behalf of the Issuer, are hereby authorized and directed to do any and all things necessary to effect the execution and delivery of the Instruments by the parties thereto, the performance of all obligations of the Issuer under and pursuant to the Instruments, the execution and delivery of the Bonds, and the performance of all other acts of whatever nature necessary to effect and carry out the authority conferred by this Bond Ordinance and the other Instruments. The Mayor and the City Clerk of the Issuer are hereby further authorized and directed for and on behalf of the Issuer, to execute all papers, documents, certificates and other instruments that may be required for the carrying out of the authority conferred by this Bond Ordinance and the other Instruments, or to evidence the said authority and its exercise.

SECTION 38. *Priority of Instruments.* The Instruments are given in order to secure funds to finance the acquisition, construction and equipping of the Project, and, by reason thereof, it is intended that the Instruments shall be superior to any laborers', mechanics', materialmen's or other liens which may be placed upon the Project.

SECTION 39. *Creation of Lien; Indebtedness.* The Issuer shall not create or suffer to be created any lien or charge upon or pledge of the revenues and receipts (other than revenues and receipts arising pursuant to the Issuer's Unassigned Rights) derived from or in connection with the Project, except the lien, charge and pledge created by the Instruments and the Bonds. The Issuer agrees that the Owners of all of the Bonds or the Owners of a majority in aggregate principal amount of the Bonds, as appropriate, in their own name or in the name of the Issuer, may, and are hereby granted the right to, enforce all rights of the Issuer and all obligations of the Borrower under and pursuant to the Loan Agreement, whether or not the Issuer is in default in its covenant to enforce such rights and obligations.

The Issuer shall not incur any indebtedeness, or issue any evidences of indebtedness other than the Bonds herein authorized secured by a lien on or pledge of such revenues and receipts (other than revenues and receipts arising pursuant to the Issuer's Unassigned Rights) which is prior to or equal with the lien and pledge securing the Bonds hereunder, said lien continuing as long as any of the Bonds are Outstanding. The Issuer further covenants and agrees not to sell, convey, transfer, mortgage or encumber its interest in the Loan Agreement, except as specifically permitted by the Instruments.

SECTION 40. *Instruments of Further Assurance.* The Issuer covenants that it will do, execute, acknowledge and deliver, or cause to be done, executed, acknowledged and delivered, such supplemental ordinances and further acts, instruments and transfers as the Owners of the Bonds may reasonably require for the better assuring, transferring, conveying, pledging, assigning and confirming unto the Owners of the Bonds, all and singular, the property herein described, and the revenues and receipts pledged hereby to the payment of the principal of, Premium, if any, and Interest on the Bonds. Any and all property hereafter acquired which is of the kind or nature herein provided to be and become subject to the lien of the Instruments shall, *ipso facto*, and without any further conveyance, assignment or act on the part of the Issuer or the Owners of the Bonds, become and be subject to the lien of the Instruments as fully and completely as though specifically described herein and therein; but nothing in this sentence contained shall be deemed to modify or change the obligations of the Issuer heretofore made by this Section 40.

SECTION 41. *Recording and Filing.* The Mortgage, or an appropriate summary thereof, shall be recorded in the real property records of Cook County, Illinois, and/or in such other office or offices as may be at the time provided by the laws of the State as the proper place or places for the recordation thereof. The security interests granted to the Owners of the Bonds by the Issuer relative to the Issuer's rights under the Loan Agreement, and by the Borrower relative to the Borrower's rights in the personal property constituting a part of the Project, shall be perfected in the manner required by the State Uniform Commercial Code, and any security agreement or interest which might in any way conflict with or supercede the priority of such security interests shall be released so as not to impair the priority of the security interests required to be created hereby. The Mortgage shall be re-recorded and re-indexed by the Borrower whenever, in the opinion of Independent Counsel, such action is necessary to preserve the lien hereof and thereof; and, in addition, such financing or continuation statements as in the opinion of such Independent Counsel become necessary to preserve said lien shall be filed in such offices by the Borrower as shall be required by the State Uniform Commercial Code to maintain the prior perfected status required hereby. The Borrower will within twenty (20) days after any such filing, recording or other act, furnish the Owners of the Bonds with an opinion of Independent Counsel as to the adequacy, and reciting the details, of such filing, recording or other act, and specifying any re-recording or re-filing to be effected in the future with respect to the security interests required to be created hereby.

SECTION 42. *Taxes, Charges and Assessments.* Pursuant to Section 5.5 of the Loan Agreement, the Borrower has agreed to promptly pay, or to cause to be promptly paid, all lawful taxes, assessments, imposts and governmental charges at any time levied or assessed upon or against the Project, or any part thereof, which might impair or prejudice the lien and pledge created by the Instruments; provided, however, that nothing contained in this Section shall require there to be paid any such taxes, assessments, imposts or charges as long as the validity thereof is being contested in accordance with Section 5.6 of the Loan Agreement, in good faith and by appropriate legal proceedings; and provided further that such delay in payment shall not subject the Project or any part thereof to forfeiture or sale.

SECTION 43. *Maintenance and Repairs; Insurance.* Pursuant to Section 5.4 of the Loan Agreement, the Borrower has agreed that it will at all times cause the Project to be maintained, preserved and kept in good condition, repair and working order, and that it will from time to time cause to be made all needed repairs so that the operation and business pertaining to the Project shall at all times be conducted properly, and so that the Project shall be fully maintained as an "industrial development project" within the meaning of the Ordinance.

Pursuant to Section 5.6 of the Loan Agreement, the Borrower has agreed to keep, or to cause to be kept at all times while the Bonds are Outstanding, the Project insured against such risks as are customarily insured against by businesses of like size and type as Cougle Commission Company with the standard extended coverage endorsements in the amounts and in the manner provided in Section 5.6 of the Loan Agreement.

SECTION 44. *Rights Under Loan Agreeemnt.* The Issuer agrees that the Owners of the Bonds as pledgees and assignees of certain revenues and receipts derived from the Loan Agreement under the Assignment, in their respective names or in the name of the Issuer, shall, subject to the provisions thereof, have the legal power to exercise all of the rights, powers and privileges of the Issuer under the Loan Agreement, including the right to enforce all of the obligations of the Borrower thereunder.

SECTION 45. *Provisions of this Bond Ordinance Separable.* The provisions of this Bond Ordinance are hereby declared to be separable; and if any section, phrase or provision shall for any reason be declared to be invalid, such declaration shall not affect the validity of the remainder of the sections, phrases and provisions hereof.

SECTION 46. *Covenants, Stipulations, Obligations and Agreements of the Issuer.* All covenants, stipulations, obligations and agreements of the Issuer contained in the Instruments shall be deemed to be the covenants, stipulations, obligations and agreements of the Issuer to the full extent authorized or permitted by law, and all such covenants. stipulations, obligations and agreements shall be binding upon the Issuer and its successors from time to time, and upon any board or body to which any powers or duties affecting such covenants, stipulations, obligations and agreements shall be transferred by or in accordance with law; except as otherwise provided in this Bond Ordinance or in the other Instruments to which the Issuer is or is to be a party, all rights, powers and privileges conferred, and duties and liabilities imposed, upon the Issuer by the provisions of this Bond Ordinance or of the other Instruments shall be executed or performed by the Issuer or by such officers, board or body as may be required by law to exercise such powers and to perform such duties.

No covenant, stipulation, obligation or agreement contained in the other Instruments shall be deemed to be a covenant, stipulation, obligation or agreement of any officer, agent or employee of the Issuer, nor shall any officer executing the Bonds be liable personally on the Bonds or be subject to any personal liability or accountability by reason of the issuance thereof.

SECTION 47. *Conflicting Resolutions and Ordinances.* All resolutions and ordinances in conflict herewith are hereby repealed to the extent of such conflict. Notwithstanding the foregoing sentence, the initial ordinance of the Issuer with respect to the Project (Ordinance No. ...., adopted on November 28, 1979) shall not be repealed either in whole or in part.

SECTION 48. *Effective Date.* This Bond Ordinance shall take effect and be in force from and after its adoption.

That in order to promote the general welfare of the Issuer and its inhabitants by relieving conditions of unemployment and encouraging the increase of industry, the Project shall be and is hereby authorized to be financed as described herein. The estimated cost of the construction of the Project is not less than $900,000, of which $850,000 will be provided by the issuance of the Bond hereinafter authorized and the loan of the proceeds thereof to the Land Trust. It is hereby found and declared that the financing of the Project and the use thereof by the Land Trust and the Company as hereinafter provided is necessary to accomplish the public purposes described in the preamble hereto, and that in order to further secure the Bond, the mortgaging of the Premises by the Land Trust to the Bank pursuant to the Mortgage, the assignment to the Bank of all rents, revenues, earnings, income, issues, and profits from the leasing of the Premises pursuant to the Assignment of Rents and the guaranty of the payment of principal installments of and interest on the Note and the Bond and the performance of the obligations, covenants and agreements of the Land Trust under the Agreement pursuant to the Guaranty, are necessary and proper.

Authorization and Payment of Bond

SECTION 3. That for the purpose of financing a portion of the cost of the Project there shall be and there is hereby authorized to be issued by the Issuer its Industrial Revenue Bond, Series 1980 (Duray Fluorescent Manufacturing Co. Project), in the principal sum of $850,000, dated as of March 1, 1980 (except a Bond issued in exchange for the unredeemed portion of the Bond which shall be dated as of March 1 or September 1 next preceding its issue or if issued on a March 1 or September 1, as of such date), numbered R-1, payable to the order of Northwest National Bank of Chicago, or its assigns, bearing interest on the unpaid principal installments thereof at the rate of eight and three-quarters percent (8¾%) per annum, computed as if each calendar year consisted of 360 days and a full calendar month consisted of 30 days, payable in 30 consecutive semi-annual installments, including principal and interest, consisting of (i) 29 consecutive equal semi-annual installments of $51,425 payable on September 1, 1980 and on the first day of each March and September thereafter, and (ii) a final semi-annual installment of $51,007.90 payable on March 1, 1995, as set forth in Exhibit A attached hereto and made a part hereof, except as the provisions hereinafter set forth with respect to redemption prior to maturity may become applicable thereto. The Bond shall bear interest on any overdue amount of principal or interest at the rate of ten percent (10%) per annum until paid, to the maximum extent permitted by law.

The principal installments of and interest on the Bond shall be payable to Northwest National Bank of Chicago, or its assigns, in lawful money of the United States of America at the principal office of Northwest National Bank of Chicago in the City of Chicago, Illinois. The Bank shall note on the Payment Record attached as Schedule A to the Bond the date and amount of payment of each installment of principal (whether at maturity or upon redemption or acceleration) and interest then being paid and of principal (whether at maturity, upon redemption or acceleration) and interest theretofore paid and not yet noted thereon and, upon request of the Land Trust or the Issuer, the Bond shall be made available by the holder thereof for inspection by the Land Trust or the Issuer at the principal office of Northwest National Bank of Chicago in Chicago, Illinois. At least annually, the Bank shall notify the Issuer of the payment of the principal installments of the Bond (whether at maturity or upon redemption or acceleration) and shall include in such notification a statement of the unpaid balance of the Bond.

The Bond, together with interest thereon, shall be a limited obligation of the Issuer secured by the Agreement and the Note, a mortgage on and security interest in the Premises in favor of the Bank pursuant to the Mortgage, an assignment to the Bank of all rents, revenues, earnings, income, issues and profits from the leasing of the Premises pursuant to the Assignment of Rents and the guaranty of the payments of principal installments of and interest on the Note and the Bond and the performance of the obligations, covenants and agreements of the Land Trust under the Agreement pursuant to the Guaranty, and shall be payable solely from the revenues and receipts derived from the Agreement and the Note authorized to be issued thereunder (except to the extent paid out of moneys attributable to the Bond proceeds, the income from the temporary investment thereof or payments made pursuant to the Guaranty and the Assignment of Rents), and shall be a valid claim of the owner thereof only against the Bond Fund and other moneys held by the Bank and the revenues and receipts derived from the Agreement and the Note, which revenues and receipts shall be used for no other purpose than to pay the principal installments of and interest on the Bond, except as may be expressly authorized otherwise in this Ordinance and in the Agreement. The Bond and the obligation to pay interest thereon does not now and shall ever constitute an indebtedness or a loan of credit of the Issuer, the State of Illinois or any political subdivision thereof, or a charge against their general taxing powers, within the meaning of any constitutional or statutory provision, but shall be secured as aforesaid, and is payable solely from the revenues and receipts from the Agreement and the Note (except as stated aforesaid).

The principal installments of the Bond shall be subject to redemption prior to maturity if the Land Trust prepays the Note or a portion thereof pursuant to Section 7-1 of the Agreement as a result of damage to or destruction of or condemnation of the Premises or certain events of impossibility described in Section 7.1 of the Agreement, on any semi-annual installment payment date, in whole, or in part by installment in the order of maturity of the principal installments of the Bond, at a redemption price of par plus accrued interest to the date fixed for redemption and without premium.

Upon the receipt by the Issuer and the Bank of at least 30 days prior written notice from the Land Trust specifying a date for the prior redemption of principal installments of the Bond, the Bank shall, to the extent that amounts are or become available therefor in the Bond Fund, redeem the principal installments of the Bond in accordance with the preceding paragraph. All principal installments of the Bond designated for prior redemption shall cease to bear interest on the specified redemption date, provided funds for their redemption are on deposit at Northwest National Bank of Chicago on such date. If the principal installments of the Bond are redeemed prior to maturity in part and not in whole, the Bank or any other holder of the Bond shall surrender the Bond to the Bank in exchange for a new Bond in the amount of the unpaid principal amount of the Bond, a new amortization schedule with respect to the Bond setting forth the amount of the monthly installment payments to be made on the Bond after the date of such partial redemption and the unpaid principal balance of the Bond after each such installment payment, and a new Schedule A. The amortization schedule shall be determined by advancing the date of each subsequent unpaid semi-annual installment payment and the unpaid principal balance of the Bond after each such installment payment.

The Bond may be prepared in typewritten, printed or engraved form.

The Bond shall be signed by the Mayor by her manual signature, attested by the manual signature of the City Clerk of the Issuer, and countersigned by the City Comptroller by his manual signature, and the corporate seal of the Issuer shall be affixed thereto.

In the event the Bond is mutilated, lost, stolen or destroyed, the Issuer may execute a new Bond of like date, tenor and maturity as that Bond multilated, lost, stolen or destroyed; provided that, in the case the Bond is mutilated, such mutilated Bond shall first be surrendered to the Issuer, and in the case the Bond is lost, stolen or destroyed, there shall be first furnished to the Issuer evidence of such loss, theft or destruction satisfactory to the Issuer, together with indemnity satisfactory to the Issuer. The Issuer shall duplicate on the Payment Record of the new Bond replacing the multilated, lost, stolen or destroyed Bond all payments of principal (whether at maturity, upon redemption or acceleration) and interest which the Issuer's records indicate as having appeared on the mutilated, lost, stolen, or destroyed Bond. In the event all the principal installments of the Bond shall have matured, instead of issuing a duplicate Bond the Issuer may pay the same without surrender thereof. The Issuer may charge the holder or owner of the Bond with reasonable fees and expenses in this connection.

This Bond is issued in the principal sum of $850,000 and designated "Industrial Revenue Bond, Series 1980 (Duray Fluorescent Manufacturing Co. Project)" (the "Bond") pursuant to the hereinafter described Enabling Ordinance and to an Ordinance duly adopted by the governing body of the Issuer on ...., 1980 (the "Ordinance") for the purpose of providing funds to finance a portion of the cost of constructing buildings, building additions and related property (hereinafter called the "Project") and paying expenses incidental thereto, to the end that the Issuer may be able to relieve conditions of unemployment and encourage the increase of industry within the City of Chicago, Illinois. The proceeds of the Bond will be used by the Issuer to pay or reimburse American National Bank and Trust Company of Chicago, as Trustee under Land Trust Number 49307 (the "Land Trust), a national banking association duly organized and validly existing under the laws of the United States of America, for a portion of the cost of the construction of the Project, under the terms of a Loan Agreement dated as of March 1, 1980 (which agreement, as from time to time supplemented and amended, is hereinafter referred to as the "Agreement"). The Land Trust intends to lease the Project to Duray Fluorescent Manufacturing Co., an Illinois corporation (hereinafter the "Company"), pursuant to the terms of a Lease Agreement dated as of March 1, 1980, by and between the Land Trust, as lessor, and the Company, as lessee, for use as an industrial, manufacturing and distribution facility.

This Bond is secured by a pledge and assignment of revenues and receipts derived by the Issuer from the repayment of the loan by the Land Trust and other revenues and receipts derived pursuant to the Agreement and the Note issued by the Land Trust pursuant to the Agreement, and is further secured by a mortgage on and security interest in the Premises (as defined in the Ordinance), an assignment of rents, revenues, earnings, issues, income and profits from the leasing of the Premises, and a guaranty of the payments of principal installments of principal of and interest on the Note and the Bond and the performance of the obligations and covenants of the Land Trust under the Agreement, as more fully described in the Ordinance. This Bond is issued pursuant to and in full compliance with the Constitution and laws of the State of Illinois, particularly Chapter 15.2 of the Municipal Code of the City of Chicago (the "Enabling Ordinance"), as supplemented and amended. This Bond and the obligation to pay interest thereon are limited obligations of the Issuer, secured as aforesaid and payable solely out of the revenues and receipts derived from the Agreement and the Note and otherwise as provided in the Ordinance and Agreement. This Bond and the obligation to pay interest thereon shall not be deemed to constitute an indebtedness or a loan of credit of the Issuer, the State of Illinois or any political subdivision thereof, or a charge against their general taxing powers, within the meaning of any constitutional or statutory provision of the State of Illinois. Pursuant to the provisions of the Agreement, payments sufficient for the prompt payment when due of the principal installments of and interests on this Bond are to be paid by the Land Trust to the Bank for the account of the Issuer and deposited in a special account created by the Issuer and designated "City of Chicago, Cook County, Illinois, Bond Fund (Duray Fluorescent Manufacturing Co. Project)", and all revenues and receipts accruing from the repayment of the loan by the Land Trust under the Agreement and the Note have been duly pledged and assigned to the Bank for that purpose, under the Ordinance, to secure payment of such principal and interest.

All principal installments of this Bond designated for prior redemption shall cease to bear interest on the specified redemption date, provided funds for their redemption are on deposit at Northwest National Bank of Chicago on such date. If the principal installments of this Bond are redeemed prior to maturity in part and not in whole, the Bank or any other holder of this Bond shall surrender this Bond to the Bank in exchange for a new Bond in the amount of the unpaid principal amount of the Bond, a new amortization schedule with respect to the Bond setting forth the amount of the semi-annual installment payments to be made on the Bond after the date of such partial redemption and the unpaid principal balance of the Bond after each such installment payment, and a new Schedule A, all as provided in the Ordinance.

In certain events, on the conditions, in the manner and with the effect set forth in the Ordinance, the principal installments of this Bond may become or may be declared due and payable before the stated maturity thereof, together with premium, if any, and interest accrued thereon.

There is hereby created and established with the Bank, which is hereby constituted and appointed as depositary for the Issuer, a special fund in the name of the Issuer to be designated "City of Chicago, Cook County, Illinois, Construction Fund (Duray Fluorescent Manufacturing Co. Project)". The proceeds received by the Issuer upon the sale of the Bond, exclusive of accrued interest, if any, to the date of delivery of the Bond, which shall be deposited in the Bond Fund, shall be deposited in the Construction Fund which shall be held in a separate account by the depositary. Moneys in the Construction Fund shall be expended in accordance with the provisions of the Agreement, and particularly Section 3.3 thereof.

The Bank, as depositary, shall keep and maintain adequate records pertaining to the Construction Fund and all disbursements therefrom, and after the Project has been completed and a certificate of payment of all costs filed as hereinafter provided in this Section, the Bank shall deliver copies of such records to the Issuer and the Land Trust.

The completion of the Project and payment of all costs and expenses incident thereto shall be evidenced by the filing with the Issuer and the Bank of a certificate of the Authorized Land Trust Representative required by Section 3.4 of the Agreement. Any moneys thereafter remaining in the Construction Fund shall be applied in accordance with Section 3.4 of the Agreement.

Construction of Project and Payment of Amounts under the Agreement

SECTION 6. It is the declared intention of the Issuer to authorize the disbursement of the proceeds of the Bond in order to finance a portion of the cost of the Land Trust's construction of the Project pursuant to the Agreement in substantially the form which has been presented to and is hereby approved by the governing body of the Issuer and which Agreement is now on file in the official records of the Issuer.

The Agreement and the revenues and receipts thereof, including all moneys received under its terms and conditions and the Note therein authorized, are to be sufficient to pay the principal installments of and interest on the Bond hereby authorized, and are hereby pledged and ordered paid into the Bond Fund as specified in Section 7 hereof. The Agreement provides that the Land Trust shall remit the required payments in repayment of the loan under the terms and conditions of the Agreement directly to the Bank for the account of the Issuer for deposit in the Bond Fund and such provision is hereby expressly approved.

Revenues; Bond Fund

SECTION 7. The Bond and all payments required of the Issuer hereunder are not general obligations of the Issuer but are special and limited obligations secured by a mortgage on and security interest in the Premises pursuant to the Mortgage, an assignment of all rents, revenues, earnings, issues, income and profits from the leasing of the Premises pursuant to the Assignment of Rents and a guaranty of the payments of principal installments of and interest on the Note and the Bond and the performance of the obligations, covenants and agreements of the Land Trust under the Agreement pursuant to the Guaranty, and the Bond is payable by the Issuer solely and only out of the revenues and receipts derived from the Agreement and the Note as provided herein (except to the extent paid out of moneys attributable to the Bond proceeds, the income from the temporary investment thereof or payments made pursuant to the Guaranty or the Assignment of Rents).

There is hereby created by the Issuer and ordered established with the Bank, as depositary, a special fund to be designated "City of Chicago, Cook County, Illinois, Bond Fund (Duray Fluorescent Manufacturing Co. Project)" (herein sometimes referred to as the "Bond Fund"), which shall be used to pay the principal installments of and interest on the Bond or to redeem the principal installments of the Bond.

There shall be deposited into the Bond Fund, as and when received, (a) a sum equal to the accrued interest, if any, paid by the purchaser of the Bond; (b) any amount remaining in the Construction Fund to the extent provided in Section 3.4 of the Agreement; (c) all payments made on the Note; (d) all prepayments of the Note pursuant to Article VII of the Agreement; (e) all payments made pursuant to the Guaranty; (f) payments made pursuant to the Assignment of Rents; and (g) all other moneys received by the Bank required to be deposited in the Bond Fund under and pursuant to any of the provisions of the Agreement, the Note, the Mortgage, the Guaranty or the Assignment of Rents. The Bank is authorized and directed to apply amounts available therefore in the Bond Fund to the payment when due of the principal installments of and interest on the Bond.

The Issuer covenants and agrees that should there be a default under the Agreement, the Issuer shall fully cooperate with the Bank and any other owner of the Bond to the end of fully protecting the rights and security of the Bank and any other such owner. Nothing herein shall be construed as requiring the Issuer to operate the Project or to use any funds or revenues from any source other than funds and revenues derived from the Agreement and the Note (except as otherwise provided herein).

Any amounts remaining in the Bond Fund, after payment in full of the principal installments of and interest on the Bond (or provision for payment thereof as provided in this Ordinance) and the charges and expenses of the Bank, shall be paid to the Land Trust, as provided herein and in Section 9.5 of the Agreement.

Assignment, Mortgage, Assignment of Rents and Guaranty

SECTION 8. As security for the due and punctual payment of the principal installments of and interest on the Bond hereby authorized, the Issuer hereby assigns and pledges to the Bank all revenues and receipts derived by the Issuer pursuant to the Agreement and the Note (except any payment made pursuant to Section 4.2(c) of the Agreement relating to the obligation of the Land Trust to pay reasonable and necessary expenses of the Issuer, Section 5.3 of the Agreement relating to indemnification of the Issuer by the Land Trust or Section 6.3 of the Agreement relating to the obligation of the Land Trust to pay any attorneys' fees and expenses incurred by the Issuer upon the Land Trust's default under the Agreement) and all rights and remedies of the Issuer under the Agreement to enforce payment thereof, and as evidence of such assignment, pledge, and security interest and of the agreement of the Bank to accept its responsibilities with respect to the Construction Fund created pursuant to Section 5 hereof, to the Bond Fund created pursuant to Section 7 hereof, and to any other owner of the Bond, the Mayor is hereby authorized to execute for and on behalf of the Issuer the Assignment, and the City Clerk is hereby authorized to attest the same and to affix thereto the corporate seal of the Issuer, and the Mayor and City Clerk are authorized and directed to cause the Assignment to be executed by the Bank, the Assignment to be in substantially the form which has been presented to and is hereby approved by the governing body of the Issuer and which is now on file in the official records of the Issuer.

As further security for the payment of the Note and the principal installments of and interest on the Bond, the Land Trust will execute and deliver the Mortgage and the Assignment of Rents in substantially the form presented to the governing body of the Issuer, which Mortgage and Assignment of Rents are now on file in the official records of the Issuer and hereby approved by the governing body of the Issuer, and will cause the Mortgage and the Assignment of Rents to be recorded in the real estate records of the office of the Recorder of Deeds of Cook County, Illinois.

As further security for the payment of the principal installments of and interest on the Note and the Bond, the Guarantors will execute and deliver the Guaranty in substantially the form presented to the governing body of the Issuer, which Guaranty is now on file in the official records of the Issuer and hereby approved by the governing body of the Issuer.

SECTION 9. Any such investment shall be held by or under control of the Bank and shall be deemed at all times a part of the fund for which the investment was made, and the interest accruing thereon and any profit realized from such investments shall be credited to such fund, and any loss resulting from such investments shall be charged to such fund, which loss shall be an obligation of the Land Trust as provided in the Agreement.

As and when any amount invested pursuant to this Section may be needed for disbursement, the Authorized Land Trust Representative may direct the Bank to cause a sufficient amount of the investments to be sold and reduced to cash to the credit of such funds regardless of the loss on such liquidation.

With respect to Section 103(c) of the Code, the Land Trust has made certain covenants with the Issuer in Section 3.6 of the Agreement, and the Land Trust will make certain certifications and representations with respect to Section 103(c) of the Code on the date of delivery of the Bond which the Issuer shall accept and adopt, and the governing body of the Issuer, acting in reliance on such covenants, certifications and representations, hereby covenants with the purchaser and the owner of the Bond that so long as any principal installments of the Bond remain unpaid, the governing body of the Issuer will not take or authorize the taking of any action which will cause the Bond to be classified as an "arbitrage bond" within the meaning of Section 103(c) of the Code and any lawful regulations promulgated or proposed thereunder, including Section 1.103-13, Section 1.103-14 and Section 1.103-15 of the Internal Revenue Service Rules and Regulations (26 C.F.R., Part 1) as the same presently exist, or may from time to time hereafter be amended, supplemented or revised.

Authorization and Payment of Bonds

SECTION 3. For the purpose of financing a portion of the cost of the Project there is authorized to be issued by the City its Industrial Revenue Bond, Series 1980 (International Great Lakes Shipping Company—Iroquois Landing Project), in the principal sum of $2,000,000, dated the date of its issuance and delivery to the Bank, payable to the Bank or its registered assigns. The Bond shall be payable as to principal in annual installments of $165,000 each on each April 1, commencing April 1, 1981, through April 1, 1991, inclusive, and of $185,000 on April 1, 1992. The Bond shall be in the denomination of $2,000,000. Except as provided below, the Bond shall bear interest on the unpaid principal amount from time to time of the Bond from its date until paid at the rate of eight and six hundred twenty-five one-thousands percent (8.625%) per year. Interest shall be payable semiannually on each date listed above for the payment of principal and on each preceding October 1 (commencing October 1, 1980) for the period ending on the due date of such interest payment. Interest shall be computed on the basis of a year of 360 days. The Bond shall bear interest on any overdue principal amount at the rate of ten percent (10%) per year until paid.

Notwithstanding the provisions of the previous paragraph of this Section, the Bond will bear interest on the unpaid principal installments at the Adjusted Rate for any period during which interest on the Bond is required to be included in the gross income of the Bondowner (other than as a result of the Bondowner being a "substantial user" of the Project or a "related person" as such terms are defined in the Code). The Bond shall not bear such increased interest rate unless the Bondowner shall have given notice to the Company before including interest on the Bond in its gross income for Federal income tax purposes (or entering into a settlement agreement with the United States Internal Revenue Service whereby interest on the Bond would be so included). Such notice shall state the reasons for so including or agreeing to include interest on the Bond in gross income and permitting the Company, at its own expense, to challenge on behalf of or in opposition to the Bondowner, any determination by the Internal Revenue Service requiring interest to be so included in gross income for Federal income tax purposes. Promptly upon interest on the Bond being so included by the Bond owner in its gross income for Federal income tax purposes (other than as a result of the Bondowner being a "substantial user" of the Project or a "related person" as such terms are defined in the Code), or upon the Bondowner entering into a settlement agreement providing for such inclusion of interest, the Company shall deposit in the Bond Fund as additional interest then due the amount, if any, by which interest computed at the Adjusted Rate exceeds the interest as calculated in the previous paragraph of this Section, during the period in which interest is so includable in gross income.

Any or all installments of principal of the Bond are subject to prepayment on or after April 1, 1984, at a price equal to the principal amount being prepaid plus accrued interest on that amount, and without premium, but only as provided in this paragraph. The installments of principal of the Bond are subject to prepayment in whole or in part on any interest payment date on or after April 1, 1984, in principal amounts equal to the amounts which may be deposited in the Bond Fund from amounts in the Acquisition and Construction Fund derived from original proceeds of this Bond as provided in Section 3.3(d) of the Loan Agreement, from Net Proceeds of insurance as provided by Section 5.10 of the Loan Agreement, from Net Proceeds of eminent domain proceedings as provided by Section 5.11 of the Loan Agreement or from payments and reimbursements made by the District under the Lease, including, without limitation, Section 1402 of the Lease, as provided in Section 5.12 of the Loan Agreement. All such amounts shall be applied to the prepayment of the outstanding and unpaid installments of the Bond with the latest due dates. Any amounts so utilized shall constitute similarly a prepayment of the corresponding installments and amounts under the Loan Agreement.

The Bond may be prepared in typewritten, printed or engraved form.

The principal installments of and interest on the Bond shall be payable to the Bank, or its registered assigns, in lawful money of the United States of America at the principal office of the Bank in the City of Chicago, Illinois. The Bondowner shall note on the Payment Record attached as Schedule A to the Bond the date and amount of payment of principal and each installment of interest then being paid and of interest theretofore paid and not yet noted thereon. Upon request of the Company or the City, the Bond shall be available for inspection by the Company or the City at the principal office of the Bank in Chicago, Illinois, or at the principal office in the continental United States of the Bondowner if other than the Bank. Upon each payment or prepayment the Bondowner shall notify the City and the Company of such payment or prepayment and shall include in the notification a statement of the upaid balance of the Bond.

The Bond shall be signed by the Mayor of the City by her manual or facsimile signature, attested by the manual signature of the City Clerk of the City and countersigned by the City Comptroller of the City by his manual or facsimile signature. The corporate seal of the City shall be affixed to the Bond. The Mayor and City Comptroller are authorized to file or to keep on file in the office of the Secretary of State of Illinois their manual signatures certified under the Uniform Facsimile Signatures of Public Officers Act, as amended. The Bond shall be as effective as if executed by the hand of those officers.

The Bond shall not be sold, transferred or assigned except to an Institutional Investor, and then only for the investment account of such Institutional Investor. The costs and charges of any transfer shall be paid by the purchaser, transferee or assignee of the Bond. In the event that the Bond is sold, transferred or assigned, the purchaser, transferee or assignee thereof must notify the City and the Company; absent such notification, such sale, transfer or assignment shall be ineffective as against the City and the Company.

The Bond, together with interest on it, shall be a limited obligation of the City secured by the Loan Agreement, the Assignment, the Mortgage and guaranteed under the Guaranty, and payable solely from revenues and receipts derived from the Loan Agreement (except to the extent paid out of money attributable to the Bond proceeds or the income from the temporary investment of such proceeds), and shall be a valid claim only against the Bond Fund and other money held by the Bank or the Fiscal Agent under the Loan Agreement and the Fiscal Agent Agreement and the revenues and receipts derived from the Loan Agreement, which revenues and receipts shall be used for no other purpose than to pay the principal installments of and interest on the Bond, except as may be expressly authorized otherwise in this Ordinance or in the Loan Agreement. The Bond and the obligation to pay interest on it do not now and shall never constitute an indebtedness or a loan of credit of the City, the State of Illinois or any political subdivision of it, or a charge against their general taxing powers, within the meaning of any constitutional or statutory provision of the State of Illinois, but shall be secured as provided in this Ordinance, and are payable solely from the revenues and receipts from the Loan Agreement, the Guaranty or from Bond proceeds and temporary investments of such proceeds as provided in the Loan Agreement.

For purposes of the previous paragraph, "Adjusted Rate" means a rate of interest equal to 125% of the rate per year announced by the Bank for 90-day unsecured commercial loans at Chicago, Illinois, to large corporate borrowers of the highest credit standing.

Both principal of and interest on this Bond are payable in immediately available funds at the principal office of Continental Illinois National Bank and Trust Company of Chicago in the City of Chicago, Illinois.

Payments of interest and payments of the principal of this Bond shall be noted on the Payment Record—Schedule "A" made a part of this Bond as provided in the ordinance pursuant to which this Bond is issued.

This Bond is issued in the principal sum of $2,000,000 and is designated Industrial Revenue Bond, Series 1980 (International Great Lakes Shipping Company—Iroquois Landing Project) (the "Bond"). This Bond is issued pursuant to Chapter 15.2 of the Municipal Code of the City of Chicago as supplemented and amended (the "Enabling Ordinance") and to an ordinance duly adopted by the City (the "Bond Ordinance") for the purpose of providing funds to finance a portion of the cost of International Great Lakes Shipping Company, a corporation incorporated and existing under the laws of the State of Ohio (the "Company"), of acquiring and constructing a terminal warehouse and related facilities as described in the Bond Ordinance (the "Project"), and paying expenses incidental thereto, to the end that the City may relieve conditions of unemployment and encourage the increase of industry in the City and to provide for facilities for use in connection with the Port of Chicago. The Project shall consist of storage, handling, office and similar facilities for receiving, handling, loading and discharging cargo from or for vessels using the Port of Chicago. The proceeds of this Bond will be loaned by the City to the Company to pay or reimburse the Company for a portion of the costs of the acquisition and construction of the Project, under the terms of a Loan Agreement dated as of May 1, 1980 (which agreement, as from time to time supplemented and amended, is hereinafter referred to as the "Loan Agreement").

This Bond is secured by a pledge and assignment of revenues and receipts derived by the City from the repayment of the loan by the Company and other revenues and receipts derived pursuant to the Loan Agreement, by an Assignment and Agreement whereby the City has assigned certain of its rights in the Loan Agreement for payment of this Bond, and by a mortgage on and security interest in the terminal warehouse and related facilities and the leasehold on the land on which the terminal warehouse is to be constructed, all as more fully described in the Bond Ordinance. Reference is made to the Bond Ordinance for a description of the provisions, among others, with respect to the nature and extent of the security, the rights, duties and obligations of the City, the rights of the owner of this Bond, and the terms on which this Bond is issued.

The Board and the obligation to pay interest on it shall not be deemed to constitute an indebtedness or a loan of credit of the City, the State of Illinois or any political subdivision of the State, or a charge against any of their general taxing powers, within the meaning of any constitutional or statutory provision of the State of Illinois. Pursuant to the provisions of the Loan Agreement, payments sufficient for the prompt payment when due of the principal of and interest on this Bond are to be paid by the Company to the Bank for the account of the City and deposited in a special account with the Bank, created by the City and designated "City of Chicago, Illinois, Bond Fund (International Great Lakes Shipping Company—Iroquois Landing Project)" (the "Bond Fund"), and all revenues and receipts accruing from the repayment of the loan by the Company under the Loan Agreement have been duly pledged and assigned under the Bond Ordinance to the Bank to secure payment of such principal installments and interest.

Any or all installments of principal of the Bond are subject to prepayment on or after April 1, 1984, at a price equal to the principal amount being so prepaid plus accrued interest on that amount to the date of prepayment, and without premium, but only as provided in this paragraph. Custody and Application of Process of Bonds: Acquisition and Construction Fund

Section 5. There is created and established with the Fiscal Agent, which is constituted and appointed as depositary for the City pursuant to the Fiscal Agent Agreement, an escrow fund in the name of the City to be designated "City of Chicago, Illinois, Acquisition and Construction Fund (International Great Lakes Shipping Company—Iroquois Landing Project)". The Bank is appointed Fiscal Agent. The proceeds received by the City upon the sale of the Bond shall be deposited in the Acquisition and Construction Fund which shall be held in a separate account by the Fiscal Agent. Money in the Acquisition and Construction Fund shall be expended in accordance with the provisions of the Loan Agreement and the Fiscal Agent Agreement.

The Fiscal Agent shall keep and maintain adequate records pertaining to the Acquisition and Construction Fund and all disbursements from it, and after the Project has been completed and a certificate of payment of all costs filed as provided in this Section 5, the Fiscal Agent shall deliver copies of such records to the City and the Company.

The completion of the Project and payment of all costs and expenses incident to it shall be evidenced by the filing with the City, the Bank and the Fiscal Agent of the certificate of the Authorized Company Representative required by Section 3.4 of the Loan Agreement. Any money thereafter remaining in the Acquisition and Construction Fund shall be applied in accordance with Section 3.3 of the Loan Agreement. The proceeds of the sale of the Bond, and all interest and other investment earnings on that amount, and the amounts in the Acquisition and Construction Fund are appropriated for use as provided in the Loan Agreement.

Acquisition of Project and Payment of Amounts Under the Loan Agreement

Section 6. The City directs the Fiscal Agent to disburse under the Fiscal Agent Agreement the proceeds of the Bond in order to finance a portion of the cost of the Company's acquisition and construction of the Project pursuant to the Loan Agreement in substantially the form which has been presented to the City Council of the City and which is now on file in the official records of the City. In particular, the Fiscal Agent is directed to disburse the proceeds of the Bond as provided in Section 3.3 of the Loan Agreement so that substantially all such proceeds shall be used to provide storage, handling and office facilities for the handling, storage, loading and discharge of cargo from or for vessels using the Port of Chicago.

The revenues and receipts under Sections 4.2(a) and (b) of the Loan Agreement are to be sufficient to pay the principal installments of and interest on the Bond, and are pledged to such payment and are ordered paid into the Bond Fund. The Loan Agreement provides that the Company shall remit the required payments in repayment of the loan under the terms and conditions of the Loan Agreement directly to the Bank for the account of the City for deposit in the Bond Fund. This provision is approved.

Revenues: Bond Fund

Section 7. The Bond and all payments required of the City under this Ordinance are not general obligations of the City but are special and limited obligations secured by a mortgage and security agreements and are payable by the City solely and only out of the revenues and receipts derived from the Loan Agreement (except any payments made pursuant to Section 5.3 of the Loan Agreement relating to indemnification of the City by the Company or to Sections 4.2(c) and 6.3 of the Loan Agreement relating to the Company's obligation to pay any attorneys' fees and expenses incurred by the City) and as provided in this Ordinance.

There is created by the City and ordered established with the Bank, which is hereby appointed depositary of the Bond Fund, a special fund to be designated "City of Chicago, Illinois, Bond Fund (International Great Lakes Shipping Company—Iroquois Landing Project)", which shall be used to pay or prepay the principal installments of and the interest on the Bond.

There shall be deposited into the Bond Fund, as and when received, (a) the accrued interest, if any, paid by the purchaser of the Bond upon the delivery of the Bond; (b) any amount remaining in the Acquisition and Construction Fund to the extent provided in the Loan Agreement; and (c) all other money received by the Bank for application to the Bond Fund under and pursuant to the provisions of the Loan Agreement. The Bank is authorized and directed to apply amounts available in the Bond Fund to the payment when due of the principal of and interest on the Bond or the prepayment of the Bond, all as provided in the Loan Agreement. All amounts in the Bond Fund are appropriated to be expended for that purpose.

The City covenants and agrees that, should there be a default under the Loan Agreement, the City shall fully cooperate with the Bondowner to protect the rights and security of the Bondowner. Nothing in this Ordinance shall be construed as requiring the City to operate the Project or to use any funds or revenues from any source other than funds and revenues derived from the Loan Agreement.

Any amounts remaining in the Bond Fund, after payment in full of the principal installments of and interest on the Bond (or provision for payment thereof as provided in this Ordinance) and the charges and expenses of the Bank, shall be paid to the Company as provided in this Ordinance and in Section 9.5 of the Loan Agreement.

Assignment and Mortgage

SECTION 8. As security for the due and punctual payment of the principal of and interest on the Bond, the City assigns and pledges to the Bondowner all revenues and receipts derived by the City pursuant to the Loan Agreement (except any payment made pursuant to Section 5.3 of the Loan Agreement relating to indemnification of the City by the Company or Sections 4.2(c) and 6.3 of the Loan Agreement relating to the Company's obligation to pay any attorneys' fees and expenses incurred by the City) and all rights and remedies of the City under the Loan Agreement to enforce payment thereof, and as evidence of such assignment, pledge and security interest and of the agreement of the Bank to accept its responsibilities with respect to the Bond Fund, the Mayor is authorized to execute for and on behalf of the City, the Assignment, and the City Clerk is authorized to attest the same and to affix thereto the corporate seal of the City, and the Mayor and City Clerk are authorized and directed to cause the Assignment to be executed by the Bank, with the Assignment to be in substantially the form which has been presented to the City and which is now on file in the official records of the City.

As further security for the payment of the principal installments of and interest on the Bond, the Company will execute and deliver the Mortgage and Lavino will execute and deliver a Guaranty, and the Company will cause the Mortgage to be recorded in the office of the Recorder of Deeds of Cook County, Illinois, and will file appropriate financing statements evidencing such security interests under the Uniform Commercial Code.

Investments; Arbitrage

SECTION 9. Any money held as part of the Acquisition and Construction Fund or the Bond Fund may be invested or reinvested, on the direction of the Authorized Company Representative, in accordance with the provisions of Section 3.5 of the Loan Agreement. Any such investment shall be held by or under control of the Fiscal Agent or the Bank, as the case may be, and shall be deemed at all times a part of the fund for which the investment was made and the interest accruing thereon and any profit realized from such investments shall be credited to such fund, and any loss resulting from such investments shall be charged to such fund, which loss shall be an obligation of the Company as provided in the Loan Agreement.

As and when any amount invested pursuant to this Section may be needed for disbursement, the Company may direct the Fiscal Agent or the Bank, as the case may be, to cause a sufficient amount of the investments to be sold and reduced to cash to the credit of such funds regardless of the loss on such liquidation.

The City covenants with the Bondowner that, so long as the Bond remains unpaid as to principal or interest, the City will not take or authorize the taking of any action which will cause the Bond to be classified as an "arbitrage bond" within the meaning of Section 103(c) of the Code and any lawful regulations promulgated or proposed under that Section.

General Covenants

SECTION 10. The City covenants that it will promptly cause to be paid solely and only from the source mentioned in the Bond, the principal of and interest on the Bond at the place, on the dates and in the manner provided in this Ordinance and in the Bond according to the true intent and meaning of the Bond. The City covenants that it will execute, acknowledge and deliver the instruments, financing statements and other documents reasonably required by the Bondowner for the better assuring, granting, pledging and assigning unto the Bondowner the interest of the City in the Loan Agreement (except for any payment made pursuant to Section 5.3 of the Loan Agreement relating to indemnification of the City by the Company or Sections 4.2(c) and 6.3 of the Loan Agreement relating to the Company's obligation to pay any attorneys' fees and expenses incurred by the City) as well as the rights of the City in and to the required payments of revenues and receipts pursuant to Sections 4.2(a) and (b) of the Loan Agreement assigned and pledged to the payment of the principal installments of and interest on the Bond. The City covenants and agrees that, except as provided in the Loan Agreement and this Ordinance, it will not sell, convey, mortgage, encumber or otherwise dispose of any part of the revenues and receipts derived from the Loan Agreement, or of its rights under the Loan Agreement.

The City covenants and agrees that all books and documents in its possession relating to the Project and the payments under the Loan Agreement shall at all reasonable times be open to inspection by the Bondowner or such accountants or other agents as the Bondowner may from time to time designate.

The City covenants and agrees that it shall, through the Bondowner, enforce all of its rights for the benefit of the Bondowner. Upon any such declaration all payments under the Loan Agreement from the Company immediately shall become due and payable as provided in Section 6.2 of the Loan Agreement.

Upon the occurrence of an event of default, the Bondowner may pursue any available remedy at law or in equity by suit, action, mandamus or other proceeding to enforce the payment of the principal installments and interest on the Bond and to enforce and compel the performance of the duties and obligations of the Company as set forth in this Ordinance and in the Loan Agreement.

No remedy by the terms of this Ordinance conferred upon or reserved to the Bondowner is intended to be exclusive of any other remedy, but each and every such remedy shall be cumulative and shall be in addition to any other remedy given to the Bondowner now or hereafter existing at law or in equity or by statute.

Whenever money is to be applied pursuant to the provisions of this Section 11 it shall be applied at such times as the Bondowner shall determine, but in any event within five business days after deposit of the money in the Bond Fund. The Bank shall give the notice it deems appropriate of the deposit with it of any such money and of the fixing of any such date.

Whenever all principal installments and interest on the Bond have been paid under the provisions of this Section and all expenses of the Bondowner and the City have been paid, any balance remaining in the Bond Fund shall be paid to the Company.

With regard to any event concerning which notice is given to the Company under the provisions of this Section 11, the City grants the Company full authority for account of the City to perform or observe any covenant or obligation alleged in the notice not to have been performed or observed, in the name and stead of the City with full power to do any and all things and acts to the same extent that the City could do in order to remedy such default.

AGENDA ITEM NO. 6

FOR APPROVAL: PROPOSED RESIDENTIAL-BUSINESS PLANNED DEVELOPMENT

APPLICANT: CHESSIE RESOURCES INC.

LOCATION: 12.25 acre site at W. Polk Street, S. Wells Street, W. Roosevelt Road and the Chicago River

Pursuant to provisions of the Chicago Zoning Ordinance, I hereby submit a proposed Residential-Business Planned Development for your review and recommendation to the City Council as to its conformity with the planning and zoning objectives of the City of Chicago.

The application for this Amendment to the Chicago Zoning Ordinance was introduced into the City Council on December 12, 1979. Notice of this public hearing was published in the Chicago Sun-Times on December 26, 1979 and the Applicant was separately notified of this hearing date. The matter was continued at the last Plan Commission meeting to afford additional study of the proposal.

The proposed Residential-Business Planned Development is located on 12.25 acres of land in the South Loop area. Permitted uses would include residential business, commercial and light industrial uses; service-type business uses; professional and business offices; off-street parking and loading, recreational uses, including a riverfront marina, with lagoons and related water oriented recreational uses, a health club, educational and institutional uses and related uses, and parking.

The Plan of Development proposes a maximum of 1500 dwelling units, no more than 30% of which may be efficiencies, in a mid rise structure which will also contain 810,000 square feet of light industrial, business and commercial space. It will also include 600 off-street Parking spaces.

The Plan of Development proposes a 5.36 Floor Area Ratio for the entire site. The Planned Development application has been reviewed by the Department of Planning, City and Community Development and copies have been forwarded to other City agencies for their review and no major objections have been received, other than an objection to the partial vacation and probable elimination of Polk Street between Wells Street and the Chicago River.

The staff of the Department of Planning, City and Community Development also reviewed the form and content of the Plan of Development portion of the application and has the following comments:

1. That the Residential-Business Planned Development Use and Bulk Regulations and Data be revised to correspond with the attached sheet captioned "Revised February 21, 1980."
2. The proposal as revised is in conformity with the planning and zoning objectives of the City of Chicago as set forth in the goals and policy statements of the Comprehensive Plan of Chicago.
3. The proposal as revised is in harmony with the guidelines for planned developments as set forth in Section 194A 11.11-2 of the Chicago Zoning Ordinance.

Recommendation:
Based on the foregoing report it is my recommendation that the substitute application for a proposed Residential-Business Planned Development for Chessie Resources, Inc., as revised, be approved, and that the recommendation of the Chicago Plan Commission to the City Council Committee on Buildings and Zoning be: "Passage Recommended."

SECTION 2. *Additional Levy for Deficiencies.* The taxes which are levied by this Ordinance (the "1980 Series A Tax Levy Ordinance") include the additional sums provided in this Section, which are in addition to the dollar amounts specifically set forth in Section 1 of this Ordinance. For paying principal of and interest on the Bonds, and for the purposes of providing money to be deposited in the debt service reserve fund (the "Reserve Fund") established by the Bond Resolution for the Bonds pursuant to the Act, there is levied and there shall be collected a direct annual tax upon all taxable property within the City, being a school district named Board of Education of the City of Chicago, sufficient to produce the sums specified in this Section. The additional sums provided in this Section are levied for each levy year, beginning with the levy year 1981, and shall be collected in each year, beginning with calendar year 1982, while any of

the 1980 Series A Bonds are outstanding and unpaid, either as to principal or interest. The additional amount levied for each such year pursuant to this Section is the sum sufficient to produce the amount, if any, by which:

(i) the cumulative total principal amounts due on the 1980 Series A Bonds at maturity or on sinking fund installment dates and interest on the 1980 Series A Bonds as it fell due, in each case through December 1 of such levy year, less an amount equal to the interest paid from the 1980 Series A Capitalized Interest Account (all as provided in the Bond Resolution and the 1980 Series A Resolution) shall have exceeded

(ii) the cumulative total of the collections, up to and through December 1 of such levy year, of all taxes levied as provided by this 1980 Series A Tax Levy Ordinance (including taxes levied pursuant to this Section).

No later than December 31 of each year, beginning in 1981, the Trustee under the Bond Resolution shall file in the offices of the county clerks of each county in which any taxable property in the City is located, a statement, certified by a corporate trust officer of that Trustee, of the amount of the additional taxes which are included in the levy for that year as provided in this Section. The failure of the Trustee to file the certificate referred to in the preceding sentence shall not affect the validity of the levy of taxes as provided in this Section and, whether or not the Trustee shall file the statement, the county clerks and collectors of each county in which any taxable property in the City is located are directed to cause to be extended and collected all the amounts levied by this Section, all as provided in this Section.

SECTION 3. *Filing of Ordinance.* After the adoption of this 1980 Series A Tax Levy Ordinance, the City Clerk of the City is directed to cause copies of this 1980 Series A Tax Levy Ordinance, duly certified by or on behalf of that officer, to be filed in the offices of the county clerks and of the county tax collectors of each county in which any taxable property in the City is located. Upon the filing of such copies of this 1980 Series A Tax Levy Ordinance with the county clerks, it shall be the duty of those county clerks to extend the taxes so levied for the 1980 Series A Bonds, all as provided in the Act, this 1980 Series A Tax Levy Ordinance, the Bond Resolution and the 1980 Series A Resolution. Except as specifically provided in the Bond Resolution, the 1980 Series A Resolution or this 1980 Series A Tax Levy Ordinance, the taxes levied as provided in this 1980 Series A Tax Levy Ordinance shall be computed, extended and collected in the same manner as is now or may subsequently be provided for the computation, extension and collection of *ad valorem* property taxes in the City generally. The taxes to be levied as provided by this 1980 Series A Tax Levy Ordinance shall be extended without limitation as to rate and shall be extended in amounts sufficient to produce the amounts so specified and provided for. No further action of this City Council shall be required for the levy of taxes as provided in this 1980 Series A Tax Levy Ordinance or for their extension and collection by the appropriate county officers.

SECTION 4. *Tax for Sole Benefit of Bondholders; Payment to Trustee.*

(a) As provided by the Act and the Bond Resolution, while any Bonds remain outstanding and unpaid, the taxes levied by this 1980 Series A Tax Levy Ordinance shall be for the sole benefit of the holders of the outstanding Bonds and the coupons pertaining to the outstanding Bonds. The Act and the Bond Resolution provide that such holders of Bonds and coupons shall have a security interest in, and a lien upon, all rights, claims and interests of the Authority arising pursuant to the levy and all present and future proceeds of the levy and that the security interest in and lien upon those rights, claims and interests is valid and binding from the time the Bonds are issued, without any physical delivery or further act, and shall be valid and binding as against, and prior to any claims, if any, of all other parties having claims of any kind in contract, tort or otherwise against the State, the Authority, the Board or the City, or any other person, irrespective of whether such other parties have notice of such lien or security interest.

(b) As provided by the Act and the Bond Resolution, all proceeds of the levy of taxes made by this 1980 Series A Tax Levy Ordinance shall be deposited by the county collectors of each county in which any taxable property in the City shall be located directly in the Debt Service Fund established with the Trustee by the Bond Resolution. The Bond Resolution provides that such amounts shall be applied solely for the payment and discharge of principal of the Bonds (at maturity or on sinking fund installment dates) and of interest on the Bonds as it falls due, or for redemption or purchase of Bonds as provided by the Bond Resolution, or for transfer to the Reserve Fund as provided by the Bond Resolution, and shall not be used for any other purpose.

SECTION 5. *Tax in Addition to and Separate from Other Taxes.* As provided by the Act, the taxes levied as provided in this 1980 Series A Tax Levy Ordinance shall be in addition to and exclusive of the maximum of all other taxes which the Authority, the Board or the City Council is now, or may hereafter be, authorized constitutionally or by law to levy for any and all school (or any other) purposes. The taxes so levied by this 1980 Series A Tax Levy Ordinance shall be separate and apart from all other taxes of the Authority, the Board and the City.

SECTION 6. *Bonds Not Obligations of City.* This 1980 Series A Tax Levy Ordinance is adopted in order to carry out the functions of the City Council as specified in the Act and the 1980 Series A Bonds shall not be deemd to constitute or debt or liability of the City, within the meaning of the Constitution and law of the State, or a pledge of the full faith and credit of the City. The issuance of the 1980 Series A Bonds shall not directly, indirectly or contingently obligate the City to levy any form of taxation for the 1980 Series A Bonds or to make any appropriation for payment of the 1980 Series A Bonds, provided that this sentence does not affect the obligations of the City Council under the Act, the Bond Resolution, the 1980 Series A Resolution and this 1980 Series A Tax Levy Ordinance. The City shall not in any event be liable for the payment of principal, Redemption Price or interest on the 1980 Series A Bonds or for the performance of any pledge, obligation or agreement of any kind whatsoever which may be undertaken by the Authority. No breach of any such pledge, obligation or agreement may impose any liability upon the City or any charge upon its general credit or against its taxing power.

SECTION 7. *Allowance for Loss and Cost of Collection and Anticipated Deferred Collections.* The Act, the Bond Resolution and the 1980 Series A Resolution provide that in extending the taxes levied by this 1980 Series A Tax Levy Ordinance, the county clerks of each county in which any taxable property in the City is located shall include in each year an amount to cover loss and cost of collection and anticipated deferred collections of the taxes so levied as is and shall be determined by the Authority pursuant to the Act, the Bond Resolution and the 1980 Series A Resolution. The 1980 Series A Resolution initially determines amounts to be so included in the extension of the taxes levied by this 1980 Series A Tax Levy Ordinance. The Bond Resolution and the 1980 Series A Resolution provide for those determinations to be modified by the Authority as provided in those resolutions. No action of this City Council shall be required with respect to any such determination or modification of the determination of the allowance for loss and cost of collection and anticipated deferred collections for taxes to be extended in any year.

SECTION 8. *Covenants.* It is covenanted and agreed with the Holders (as defined in the Bond Resolution) of all Bonds issued under the Bond Resolution as follows:

(a) The City Council will not take any action to repeal, abate or reduced the taxes levied pursuant to this 1980 Series A Tax Levy Ordinance, or otherwise to restrict the extension and collection of those taxes, except upon the direction of the Authority to the extent expressly permitted by the Bond Resolution.

(b) Without limiting any provisions of this 1980 Series A Tax Levy Ordinance, the City Council will take any or all additional steps, make any or all additional directions and cause to be filed any or all additional documents as may be or may become necessary to cause to be levied and extended for collection a direct annual tax upon all taxable property within the City, being the school district named the Board of Education of the City of Chicago, sufficient to pay and discharge the principal of the 1980 Series A Bonds, at maturity or on sinking fund installment dates, and interest on the 1980 Series A Bonds as it falls due.

SECTION 9. *Conflict.* All ordinances, resolutions or rules of the City Council; if any, in conflict with this 1980 Series A Tax Levy Ordinance or its adoption are repealed to the extent of such conflict.

SECTION 10. *Effectiveness.* This 1980 Series A Tax Levy Ordinance shall be effective and in force immediately upon its adoption.

Authorization and Issuance of Bonds

201. *Authorization of Bonds.* There is established and created an issue of Bonds of the Authority to be known and designated as "General Obligation School Assistance Bonds". The Bonds may be issued as provided in this Resolution without limitation as to principal amount except as provided in this Resolution or as may be limited by law. All the Bonds are payable from the sources and are secured as provided in this Resolution. The Bonds shall be general obligations of the Authority. To the payment as it falls due of the interest on the Bonds and of the principal of the Bonds at maturity or on Sinking Fund Installment dates, the full faith and credit of the Authority are irrevocably pledged. The principal, Redemption Price and interest on Bonds are payable solely from the taxes levied as provided by this Resolution, and from the Debt Service Fund and the Reserve Fund, including from deposits in those Funds of proceeds from the sale of Bonds, and from investment earnings on those Funds, all as provided in this Resolution and the various Series Resolution; provided, however, nothing in this Resolution or in any Series Resolution shall prohibit the use for any such payment of Bonds of any funds which lawfully may be used for that purpose.

The Bonds shall state on their face that they are payable solely from the funds and revenues provided for their payment in accordance with this Resolution and the various Series Resolutions; provided, however, nothing in this Resolution or in any Series Resolution shall prohibit the use for such payment of Bonds of any funds which lawfully may be used for that purpose.

203. *Pledge of State.* By the Act, the State pledges to and agrees with the Holders of the Bonds that the State will not limit or alter the rights and powers vested in the Authority by the Act so as to impair the terms of the contract made by this Resolution, the various Series Resolutions or the various Tax Levy Ordinances with the Holders of the Bonds and of the coupons pertaining to the Bonds or so as in any way to impair the rights and remedies of the Holders of the Bonds and of the coupons pertaining to the Bonds until the Bonds are paid in full as to both principal and interest, and all costs and expenses in connection with any action or proceeding by or on behalf of the Holders of the Bonds and of the coupons pertaining to the Bonds are fully met and discharged or provision is made for their payment.

204. *Provisions for Issuance of Bonds.* The Bonds may be issued in one or more Series. (2) A written order as to the delivery of such Series of Bonds, signed by an Authorized Officer of the Authority.

ARTICLE III

General Terms and Provisions of Bonds

301. *Medium of Payment; Form and Date.* (1) Principal, interest and the Redemption Price on the Bonds shall be payable in any coin or currency of the United States of America which at the time of payment is legal tender for the payment of public and private debts. The Bonds are authorized to be issued in the form of coupon bonds, registrable as to principal only, or in the form of fully registered bonds without coupons, or in both such forms. Bonds in coupon form shall each be exchangeable for Bonds in fully registered form and Bonds in fully registered form shall be exchangeable for Bonds in coupon form, all as provided in this Resolution.

(2) Bonds of each Series in coupon form shall be dated as of the date specified in the Series Resolution authorizing their issuance. Bonds of each Series in fully registered form issued before the first interest payment date for that Series shall be dated as of the date specified in the Series Resolution for Bonds of that Series in coupon form. Bonds in fully registered form issued on or after that first interest payment date shall be dated as of their date of issue if issued on June 1 or December 1, or if not issued on such a date, shall be dated as of the June 1 or December 1 next preceding their date of issue. However, notwithstanding the previous sentence, if the interest on Bonds shall be in default, as shown by the records of the Trustee, Bonds issued in fully registered form in exchange or transfer for Bonds in default shall be dated as of the date specified in the Series Resolution for Bonds of that Series in coupon form, or the date to which interest has been paid in full on the Bonds surrendered, whichever date is later. The Bonds shall bear interest from their date. All Bonds of each Series shall mature and each Sinking Fund Installment shall fall due on June 1 of the years as specified by the related Series Resolution. Interest on all Bonds of each Series shall be payable semi-annually on June 1 and December 1 of each year as specified by a Series Resolution. The first interest payment date on the Bonds of a Series shall be such date as the Authority shall specify by the related Series Resolution.

302. *Interchangeability of Bonds.* Bonds in coupon form, upon their surrender at the corporate trust office of the Trustee with all unmatured coupons attached, may, at the option of their Holder, be exchanged for an equal aggregate principal amount of Bonds in fully registered form of the same Series and maturity of any authorized denomination. Bonds in fully registered form, upon their surrender at the principal trust office of the Trustee may, at the option of the registered owner thereof, be exchanged for an equal aggregate principal amount of Bonds in coupon form of the same Series and maturity with appropriate coupons attached, or of Bonds in fully registered form of the same Series and maturity of any other authorized denomination or denominations.

303. *Negotiability, Transfer and Registry.* All the Bonds issued under this Resolution shall, as provided in the Act, be negotiable, subject to the provisions for registration and transfer contained in this Resolution and in the Bonds. So long as any of the Bonds shall remain outstanding, the Authority shall maintain and keep, at the corporate trust office of the Trustee, books for the registration and transfer of Bonds. Upon presentation of any Bond for registration and transfer at that office, the Authority shall register or cause to be registered in those books, and shall permit to be transferred on those books, under such reasonable regulations as it or the Trustee may prescribe, any Bond entitled to registration or transfer. So long as any of the Bonds remain Outstanding, the Authority shall make all necessary provisions to permit the transfer and exchange of Bonds pursuant to this Resolution at the corporate trust office of the Trustee. The Trustee is appointed Bond Registrar for the Bonds.

304. *Transfer and Registration of Bonds in Coupon Form.* (1) All Bonds in coupon form shall pass by delivery, unless registered as to principal other than to bearer in the manner provided in this Section. Any Bond in coupon form may be registered as to principal on the books of the Authority at the corporate trust office of the Trustee, upon presentation of the Bond at that office and the payment of a charge sufficient to reimburse the Authority or the Trustee for any tax, fee or other governmental charge, other than one imposed by the Authority, required to be paid with respect to such registration, and such registration shall be noted on such Bond. No other charge shall be made by the Authority or the Trustee as a condition precedent to such registration. After that registration no transfer shall be valid unless made on the books of the Trustee by the registered owner in person or by the registered owner's attorney duly authorized in writing, and similarly noted on such Bond. Such a Bond may be discharged from registration by being in like manner registered to bearer after which it shall again become transferable by delivery. Thereafter such Bond may again, from time to time, be registered or discharged from registration in the same manner. Registration of any Bond in coupon form as

to principal, however, shall not affect the negotiability by delivery of the coupons pertaining to such Bond, but each such coupon shall continue to pass by delivery and shall remain payable to bearer.

(2) As to any Bond in coupon form registered as to principal (other than to bearer), the person in whose name the Bond shall be registered upon the books of the Authority may be deemed and regarded as the absolute owner of the Bond, whether such Bond shall be overdue or not, for all purposes, except for the purpose of receiving payment of coupons. Payment of, or on account of, the principal or Redemption Price, if any, of such Bond shall be made only to, or upon the order of, such registered owner, but such registration may be changed as provided in this Article. All such payments shall be valid and effective to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid. The Authority, the Trustee and any Paying Agent may treat the bearer of any coupon as the absolute owner of the coupon, whether the coupon shall be overdue or not, for the purpose of receiving payment of the coupon and for all other purposes whatsoever, and may treat the bearer of any Bond in coupon form which shall not at the time be registered as to principal other than to bearer, as the absolute owner of such Bond, whether such Bond shall be overdue or not, for the purpose of receiving payment of the principal or Redemption Price of that Bond and for all other purposes whatsoever except for the purpose of receiving payment of coupons, and neither the Authority, nor the Trustee nor any Paying Agent shall be affected by any notice to the contrary. The Authority agrees to indemnify and save the Trustee and each Paying Agent harmless from and against any and all loss, cost, charge, expense, judgment or liability incurred by it, acting in good faith and without negligence under this Resolution, in so treating such bearer or registered owner.

305. *Transfer of Bonds in Fully Registered Form.* (1) Each Bond in fully registered form shall be transferable only upon the books of the Authority, which shall be kept for that purpose at the corporate trust office of the Trustee. Such a transfer may be made by the registered owner of the Bond in person or by such owner's attorney duly authorized in writing, upon surrender of the Bond together with a written instrument of transfer satisfactory to the Trustee, duly executed by the registered owner or such owner's duly authorized attorney. Upon the transfer of any such Bond in fully registered form, the Authority shall issue (and cause to be authenticated by the Trustee) new Bond or Bonds in fully registered form registered as directed by the instrument of transfer, or, at the option of the transferee. Bonds in coupon form, with appropriate coupons attached, of the same Series, aggregate principal amount and maturity as the surrendered Bonds.

(2) The Authority and the Trustee may deem and treat the person in whose name any outstanding Bond in fully registered form shall be registered upon the books of the Authority as the absolute owner of such Bond, whether such Bond shall be overdue or not, for the purpose of receiving payment of, or on account of, the principal and Redemption Price, if any, of and interest on such Bond and for all other purposes, and all such payments so made to any such registered owner of upon such owner's order shall be valid and effective to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid, and neither the Authority, nor the Trustee shall be affected by any notice to the contrary. The Authority agrees to indemnify and save the Trustee harmless from and against any and all loss, cost, charge, expense, judgment or liability incurred by it, acting in good faith and without negligence under this Resolution, in so treating such registered owner.

306. *Regulations with Respect to Exchange and Transfer.* In all cases in which the privilege of exchanging Bonds or transferring registered Bonds is exercised, the Authority shall execute and cause to be authenticated and the Trustee shall deliver Bonds in accordance with the provisions of this Resolution. All Bonds in fully registered form surrendered in any such exchanges or transfers shall forthwith be cancelled by the Trustee. All Bonds in coupon form, and the coupons pertaining to such Bonds surrendered in any such exchange or transfer shall be retained in the possession of the Trustee for the purpose of reissuance upon subsequent exchanges. The Trustee, prior to reissuance of any such Bonds in coupon form, shall detach and cancel all matured coupons (as to dates as to which interest on Bonds of that Series have been paid) from those Bonds. For every such exchange or transfer of Bonds, whether temporary or definitive, the Authority or the Trustee may make a charge sufficient to reimburse it for any tax, fee or other governmental charge, other than one imposed by the Authority, required to be paid with respect to such exchange or transfer, which sum or sums shall be paid by the person requesting such exchange or transfer as a condition precedent to the exercise of the privilege of making such exchange or transfer. No other charge shall be made by the Authority or the Trustee as a condition precedent to such exchange or transfer. The cost of preparing each new Bond in coupon form or Bond in fully registered form upon each exchange or transfer, and any other expenses of the Authority or the Trustee incurred in connection with the exchange or transfer (except any applicable tax, fee or other governmental charge, other than one imposed by the Authority), shall be paid by the Authority. The Authority shall not be obliged to make any such exchange or transfer of Bonds of any Series during the ten (10) days next preceding an interest payment date on the Bonds of that Series or, to make any such exchange or transfer in the case of any Bond proposed to be redeemed, after the first publication of notice of such redemption.

307. *Bonds Mutilated, Destroyed, Stolen or Lost.* In the case any Bonds of any Series shall become mutilated or be destroyed, stolen or lost, the Authority shall execute, cause to be authenticated by the Trustee, if authentication is required by the Series Resolution authorizing the Bonds of that Series, and deliver new Bonds (with appropriate coupons attached in the case of coupon Bonds) of like Series, maturity and principal amount as the Bonds and attached coupons, if any, so mutilated, destroyed, stolen or lost, in exchange and substitution for such mutilated Bonds, upon surrender and cancellation of such mutilated Bonds and attached coupons, if any, or in lieu of and substitution for the Bonds and coupons, if any, destroyed, stolen or lost, upon filing with the Authority of evidence satisfactory to the Authority and the Trustee that such Bonds and attached coupons, if any, have been destroyed, stolen or lost and proof of ownership thereof, and upon furnishing the Authority with indemnity satisfactory to it and complying with such other reasonable regulations as the Authority may prescribe and paying such expenses as the Authority may incur. All Bonds and coupons so surrendered to the Authority shall be cancelled by it. An Authorized Officer shall advise the Trustee and Paying Agents of the issuance of substitute Bonds or coupons.

308. *Preparation of Definitive Bonds; Temporary Bonds.* Until definitive Bonds of any Series are prepared, the Authority may execute and cause to be authenticated by the Trustee (if authentication is required by the Series Resolution authorizing the Bonds of that Series) in the same manner as is provided in this Resolution, and deliver, in lieu of definitive Bonds, but subject to the same provisions, limitations and conditions, as the definitive coupon Bonds (except as to the denominations and as to exchangeability for registered Bonds) one or more temporary Bonds (which may be registrable as to principal and interest), substantially of the tenor of the definitive Bonds in lieu of which such temporary Bond or Bonds are issued, but with or without coupons, in denominations of $5,000 of any in-

tegral multiples of that amount authorized by the Authority, and with such omissions, insertions and variations as may be appropriate to temporary Bonds. The installments of interest payable on such temporary Bonds in bearer form shall be payable only upon the presentation and surrender of the coupons pertaining to those Bonds or, if no coupons for such interest are attached, then only upon presentation of such temporary Bonds for notation on those Bonds of the payment of such interest. The Chairman or other Authorized Officer is authorized to enter into such agreements as may be necessary or desirable with the purchasers of any Series of Bonds for issuance of such temporary Bonds. The Authority at its own expense shall prepare, execute and cause to be authenticated by the Trustee (if authentication is required by the Series Resolution authorizing the Bonds of that Series) and, upon the surrender of such temporary Bonds, with there being attached all unmatured coupons and all matured coupons for which no payment or only partial payment has been provided, for exchange and the cancellation of such surrendered temporary Bonds and coupons, without charge to the Holder of such Bonds and coupons, deliver in exchange, at the corporate trust office of the Trustee, definitive Bonds. Until so exchanged, the temporary Bonds shall in all respects be entitled to the same benefits and security as definitive Bonds issued pursuant to this Resolution. All temporary Bonds surrendered in exchange for a definitive Bond or Bonds shall then be promptly cancelled by the Trustee.

ARTICLE IV

Redemption of Bonds

401. *Privilege of Redemption and Redemption Price.* Bonds subject to redemption prior to maturity pursuant to the provisions of a Series Resolution shall be redeemable, upon published notice as provided in this Article IV, at such times, at such Redemption Prices and upon such terms as may be specified in the Series Resolution authorizing such Series.

402. *Redemption at the Election of the Authority.* In the case of any redemption of Bonds at the option of the Authority, an Authorized Officer shall give written notice to the Trustee of the Authority's election so to redeem such Bonds of the redemption date, of the Series, of the principal amounts of the Bonds of each maturity of such Series so to be redeemed (the Series, maturities and principal amounts of the Bonds to be redeemed to be determined by the Authority, subject to the limitations with respect to such determination contained in this Resolution and any Series Resolution) and of the monies to be applied to the payment of the Redemption Price and the interest accrued and unpaid on the principal amount of the Bonds to be redeemed to the redemption date. That notice shall be given at least sixty (60) days prior to the redemption date or such shorter period (not less than thirty (30) days) as shall be acceptable to the Trustee. In the event notice of redemption shall have been given as provided in Section 405 of this Resolution, the Trustee shall, if it holds the monies to be applied to the payment of the Redemption Price and the interest to the redemption date accrued and unpaid on the principal amount of the Bonds to be redeemed or otherwise the Authority shall, prior to the redemption date, pay to the Trustee and the appropriate Paying Agents an amount in cash which, together with other monies, if any, available for that payment held by the Trustee and those Paying Agents, will be sufficient to redeem all of the Bonds to be redeemed, on the redemption date and at the Redemption Price for those Bonds together with accrued and unpaid interest on those Bonds to the redemption date. The Authority shall promptly notify the Trustee in writing of all such payments made by the Authority to a Paying Agent other than the Trustee.

403. *Redemption Otherwise Than at Authority's Election.* Whenever by the terms of this Resolution and any Series Resolution the Authority is required to redeem Bonds pursuant to Sinking Fund Installments or otherwise, the Trustee shall select the Bonds to be redeemed, give the notice of redemption and pay out the Redemption Price and interest accrued and unpaid to the redemption date on those Bonds to itself and the appropriate Paying Agents in accordance with the terms of this Article IV in order to effect such redemption.

404. *Selection of Bonds to Be Redeemed by Lot.* In the event of redemption of less than all of the outstanding Bonds of any Series and maturity, the Trustee shall assign to each Outstanding Bond in fully registered form of the Series and maturity to be redeemed a distinctive number for each $5,000 of the principal amount of such Bond. The Trustee shall then select by lot, using such method of selection as it shall deem proper in its discretion, from the numbers of all such Bonds in coupon form of such maturity and the numbers assigned to those Bonds in fully registered form as many numbers as, at $5,000 for each number, shall equal the principal amount of such Bonds of such Series and maturity to be redeemed. The Bonds to be redeemed shall be the Bonds in coupon form of the denomination of $5,000 bearing the numbers so selected and the Bonds in fully registered form to which were assigned numbers so selected; provided, however, that only so much of the principal amount of each such Bond in fully registered form of a denomination of more than $5,000 shall be redeemed as shall equal $5,000 for each number assigned to it and so selected.

405. *Notice of Redemption.* When the Trustee shall receive notice from an Authorized Officer of the Authority's election to redeem Bonds pursuant to Section 402 of this Resolution, or when redemption of Bonds is required by this Resolution pursuant to Section 403 of this Resolution, the Trustee shall give notice, in the name of the Authority, of the redemption of such Bonds. The notice shall specify the Series and maturities of the Bonds to be redeemed, the redemption date and the place or places where amounts due upon such redemption will be payable and, if less than all of the Bonds of any series and maturity are to be redeemed, the letters and numbers of such Bonds so to be redeemed. In the case of Bonds in fully registered form to be redeemed in part only, the notice shall also specify the respective portions of the principal amount to be redeemed. The notice shall further state that on the redemption date there shall become due and payable upon each Bond to be redeemed the Redemption Price, or in case of Bonds in fully registered form the Redemption Price of the specified portions of the principal to be redeemed, together with unpaid interest accrued to the redemption date on the principal of the Bonds to be redeemed, and that from and after that date interest on such principal amount shall cease to accrue and be payable. The notice shall be given by publication once a week for at least two (2) successive weeks in a daily newspaper of general circulation in the City of Chicago, Illinois, and in a financial newspaper of general circulation in the City of New York, New York, the first such publication to be not less than thirty (30) days nor more than sixty (60) days prior to the redemption date. The Trustee shall also mail a copy of such notice, postage prepaid, not less than thirty (30) days nor more than sixty (60) days prior to the redemption date, to the registered owners of any Bonds or portions of Bonds which are to be redeemed at their last addresses if any, appearing upon the registry books, but such mailing shall not be a condition precedent to such redemption and failure so to mail any such notice shall not affect the validity of the proceedings for the redemption of Bonds.

406. *Payment of Redeemed Bonds.* Notice having been given by publication in the manner provided in Section 405 of this Resolution, the Bonds or portions of Bonds so called for redemption shall become due and payable on the redemption date so designated at the Redemption Price, plus interest accrued and unpaid to the redemption date on the principal of the Bonds to be redeemed, and, upon presentation and surrender of such Bonds at the offices specified in such notice, together with, in the case of Bonds registered other than to bearer presented by other than the registered owner, a written instrument of transfer duly executed by the registered owner or that owner's duly authorized attorney, and, in the case of Bonds in coupon form, all coupons pertaining to those Bonds maturing subsequent to the redemption date, such Bonds, or portions thereof, as the case may be, shall be paid at the Redemption Price plus interest accrued and unpaid to the redemption date on the Bonds to be redeemed to the extent that such interest is not represented by coupons for matured interest installments. All interest installments represented by coupons which shall have matured on or prior to the redemption date shall continue to be payable to the bearers of such coupons. If there shall be selected for redemption less than all of the principal amount of a Bond in fully registered form, the Authority shall execute and deliver, upon the surrender of such Bond, without charge to the owner thereof, for the unredeemed portion of the principal amount of the registered Bond so surrendered, at the option of the owner thereof, either Bonds in coupon form or Bonds in fully registered form of like Series and maturity in any of the authorized denominations. If, on the redemption date, monies for the redemption of all the Bonds or portions thereof of any Series and maturity to be redeemed, together with interest to the redemption date, shall be held by the Trustee and Paying Agents so as to be available for that redemption on that date and if notice of redemption shall have been published as provided in this Article, then, from and after the redemption date, interest on the Bonds or portions of Bonds of such Series and maturity so called for redemption shall cease to accrue and become payable, and the coupons for interest pertaining to those Bonds maturing subsequent to the redemption date shall be void. If those monies shall not be so available on the redemption date, such Bonds or portions thereof shall continue to bear interest until paid at the same rate as they would have borne had they not been called for redemption.

ARTICLE V

Custody and Application of Certain Proceeds of Bonds

501. *Establishment of and Deposits in School Assistance Fund.* There is created and established a separate and distinct fund to be maintained by the Trustee and entitled the "School Assistance Fund". To the credit of this Fund deposits shall be made as required in this Section. All proceeds of any Series of Bonds which are designated by the Series Resolution authorizing the issuance of that Series of Bonds to be used to provide financial assistance to the Board (including, without limitation, providing it with money for ordinary and necessary expenditures for educational purposes, maintenance of school facilities, and other operational needs of the Board) shall be deposited in the School Assistance Fund. In addition, there shall be deposited in the School Assistance Fund amounts required to be paid to and deposited in that Fund as provided in Section 503 of this Resolution. However, the portion of the proceeds of any Series of Bonds which is to be used to refund any Bonds or other notes and bonds of the Authority or is to be used to pay any debt obligations of the Board or of the City issued to provide financing for the Board shall be used and applied as provided in the Series Resolution authorizing the issuance of that Series of Bonds and may be applied by the Authority directly to such purposes without being deposited in the School Assistance Fund.

502. *Application of School Assistance Fund.* The amounts in the School Assistance Fund shall be paid by the Trustee from time to time to the Board upon the filing with the Trustee of a requisition of the Chairman or other Authorized Officer so authorizing the Trustee to pay amounts in that Fund. The Chairman or other Authorized Officer is authorized and directed so to file from time to time with the Trustee requisitions to pay amounts deposited in the School Assistance Fund to the Board if the Chairman or such other Authorized Officer shall find that such amounts are then required by the Board for the purposes for which the Series Resolution authorizing the issuance of such Series of Bonds provides such amounts are to be used, all in accordance with the Board's budget or revised budget then in effect as approved by the Authority. The Chairman or other Authorized Officer and the Trustee shall not be responsible for the use or application of any amounts paid to the Board from the School Assistance Fund. Should there remain any amounts in the School Assistance Fund on June 1, 1985, the Trustee shall pay and deposit all such amounts to the Debt Service Fund to the credit of the Principal and Interest Account, and the School Assistance Fund shall then be closed.

503. *Establishment of Cost of Issuance Accounts.* There is created and established a series of separate and distinct accounts to be maintained by the Trustee, and designated collectively as 'School Assistance Bonds Cost of Issuance Accounts." Upon the issuance, sale and delivery of any Series of Bonds pursuant to this Resolution, the Series Resolution authorizing such Series of Bonds may (but is not required to) establish a separate account designated "Series . . . Cost of Issuance Account" (inserting in the title the appropriate Series and any other necessary designation). The Series Resolution shall provide for the payment into the related Cost of Issuance Account of the amount of the proceeds from the sale of such Series of Bonds designated by that Series Resolution to be used to pay the Costs of Issuance of that Series of Bonds. That amount shall be expended for Costs of Issuance of that Series of Bonds upon a requisition signed by an Authorized Officer stating the amount and purposes of any such payment. Upon receipt by the Trustee of a certificate of an Authorized Officer stating that all Costs of Issuance for a Series of Bonds have been paid and that amounts remaining in the related Cost of Issuance Account are no longer needed for the payment of Costs of Issuance of that Series of Bonds, the Trustee shall pay such remaining amounts in that Account to and deposit them in the School Assistance Fund, or if it has been closed, then to the Debt Service Fund to the credit of the Principal and Interest Account. In any event, on the first business day of the twelfth month following the last date of delivery of a Series of Bonds, the Trustee shall pay any amounts remaining in the Cost of Issuance Account for that Series of Bonds to and deposit them in the School Assistance Fund, or if it has been closed then to the Debt Service Fund to the credit of the Principal and Interest Account. When all amounts in any Cost of Issuance Account have been expended or transferred as provided in this Section, that Account shall be closed.

504. *Separate Funds and Accounts.* Each Cost of Issuance Account and the School Assistance Fund shall be separate and segregated from all other funds and accounts of the Authority on the Board. Cash funds and investments in any Cost of Issuance Account or the School Assistance Fund shall never be commingled with other funds or accounts of the Authority or the Board for any purpose whatsoever.

ARTICLE VI

Establishment and Application of Funds and Accounts for Payment of Bonds

601. *Debt Service Fund.* (1) There is created and established a separate and distinct fund to be maintained by the Trustee and entitled the "School Assistance Bonds Debt Service Fund" (the "Debt Service Fund"). There are created and established in the Debt Service Fund as separate and distinct accounts to be maintained by the Trustee an account entitled "Principal and Interest Account," an account entitled "Redemption Account" and a series of accounts entitled collectively the "Capitalized Interest Accounts." Each Series Resolution authorizing the issuance of a Series of Bonds interest on which is required to be paid from a Capitalized Interest Account pursuant to Section 909 of this Resolution shall create and establish such an account entitled "Series . . . Capitalized Interest Account" (inserting in the title the appropriate Series and any other necessary designation).

(2) There shall be deposited by the Trustee in the Debt Service Fund to the credit of the Principal and Interest Account:

(a) all collections of taxes to be levied as provided by this Resolution, the Series Resolutions and the Tax Levy Ordinances;

(b) all amounts required to be transferred and credited to the Principal and Interest Account from the Redemption Account as provided in paragraph (11) of this Section;

(c) all amounts required to be paid and deposited in the Debt Service Fund from the Reserve Fund as provided in Section 602 of this Resolution;

(d) all amounts transferred to the Principal and Interest Account from a Capitalized Interest Account as provided in paragraph (8) of this Section; and

(e) all amounts transferred to the Principal and Interest Account pursuant to Article V of this Resolution.

(3) Amounts in the Principal and Interest Account shall be applied by the Trustee to the payment of the interest on the Bonds as it falls due (other than interest paid from a Capitalized Interest Account as provided in paragraph (8) of this Section), and the principal of the Bonds at maturity or on Sinking Fund Installment dates. Prior to June 1 and December 1 of each year (but not more than 5 days prior to such dates), beginning with December 1, 1981, the Trustee shall pay out of the amounts in the Principal and Interest Account to itself and the appropriate Paying Agents, the amounts required for the payment by it and the Paying Agents of the Debt Service Requirements then coming due on the Bonds (other than interest to be paid from a Capitalized Interest Account as provided in paragraph (8) of this Section).

(4) In December of each year, after paying all interest due on the Bonds on December 1 of that year, the Trustee shall transfer from the Principal and Interest Account to the Reserve Fund the amount, if any, by which the value of the Reserve Fund is less than the Reserve Requirement, but only to the extent that amounts in the Principal and Interest Account are in excess of the Debt Service Requirements on the Bonds for the next June 1.

(5) In December of each year (beginning in 1981), upon receipt of the Trustee's Annual Report and after all transfers required from the Principal and Interest Account to the Reserve Fund, as provided by paragraph (4) of this Section, have been made and after the transfers of amounts from the Reserve Fund to the Principal and Interest Account as provided by paragraph (5) of Section 602 of this Resolution have been made, the Authority (i) may by resolution direct the Trustee to transfer amounts from the Principal and Interest Account to the Redemption Account, (ii) may by resolution determine to abate the amount of taxes levied with respect to that year (and provided to be collected in the next calendar year) for payment of principal of the Bonds, at maturity or on Sinking Fund Installment dates and of interest on Bonds as it falls due, or (iii) may so direct and determine a combination of such transfers and abatements. Upon a certified copy of such a resolution being filed with the Trustee directing such a transfer to the Redemption Account, the Trustee shall promptly make such a transfer. The total amount of any such abatement and transfer so directed and determined by resolution of the Authority in any year shall not exceed the amount, if any, by which the value of the Principal and Interest Account, after the transfers between the Principal and Interest Account and the Reserve Fund referred to in the first sentence of this paragraph, exceeds the sum of:

(a) the Debt Service Requirements for the next June 1, plus

(b) the amount, if any, by which all taxes levied pursuant to all Tax Levy Ordinances and received by the Trustee through December 1 of each year exceeds the sum of (i) the amount of principal of Bonds due at maturity or on Sinking Fund Installment dates, and of the interest due on the Bonds, through such December 1 (other than interest which was paid from a Capitalized Interest Account) plus (ii) the Debt Service Requirements for the next June 1.

(6) At any time after any December 1, the Trustee, in its sole discretion, may, and upon direction of an Authorized Officer shall, withdraw moneys from the Principal and Interest Account and purchased within any period after any December 1 and mature or are subject to mandatory redemption pursuant to Sinking Fund Installments on the next June 1. The principal amount of Bonds so purchased within any period after any December 1 and prior to the next June 1 shall not exceed the sum of the Sinking Fund Installments on Term Bonds due on that June 1 and the principal amount of Serial Bonds maturing on that June 1. The principal amount of Term Bonds so purchased shall be a credit against and reduction of the amount of the Sinking Fund Installments on those Bonds on the next June 1. No purchase of Bonds shall be made after notice of redemption of those Bonds shall have been given as provided in this Resolution. No such purchase shall be made at a price in excess of the principal amount of the Bonds purchased plus accrued and unpaid interest on those Bonds to the date of purchase.

(7) The Authority shall pay to and deposit in the Debt Service Fund to the credit of the Capitalized Interest Account for each Series of Bonds the amount from proceeds of that Series of Bonds provided in the Series Resolution for that Series of Bonds. The Trustee shall pay to and deposit in the Capitalized Interest Account for each Series of Bonds all amounts required to be paid to such Account from the Reserve Fund as provided in paragraph (4) of Section 602 of this Resolution. A Series Resolution may provide for the temporary deposit of proceeds of a Series of Bonds in the Capitalized Interest Account for a Series of Bonds until the exact amount of the deposit required is ascertained and may provide for any excess amounts then to be deposited, as if the deposit were a deposit directly from proceeds of the sale of that Series of Bonds, in the School Assistance Fund, or for the use of such excess amounts for other purposes for which Bonds may be or may then be issued.

(8) Amounts in a Capitalized Interest Account for any Series of Bonds shall be used to pay interest on that Series of Bonds coming due on the dates specified in the Series Resolution for that Series of Bonds. After all interest to be paid from a Capitalized Interest Account for a Series of Bonds has been paid in full (or the payment of that interest has been provided for) any remaining amounts in that Account shall be transferred by the Trustee to the Principal and Interest Account. Prior to any interest payment date on Bonds of any Series for which interest is so to be paid from a Capitalized Interest Account, the Trustee shall pay out of the amounts in that Account to itself and the Paying Agents for that Series of Bonds the amounts required then to pay that interest on the Bonds of that Series then coming due.

(9) There shall be deposited by the Trustee in the Debt Service Fund to the credit of the Redemption Account all amounts transferred to the Redemption Account from the Principal and Interest Account pursuant to paragraph (5) of this Section.

(10) Amounts at any time in the Redemption Account may be used by the Trustee at the direction of an Authorized Officer to redeem Bonds or to purchase Bonds. No purchase of Bonds shall be at a price in excess of the Redemption Price of the Bonds for an optional redemption at the next optional redemption date, plus accrued and unpaid interest on the principal of the Bonds to be redeemed to the date of redemption. An Authorized Officer may direct the Trustee as to the method of making any such purchase. No purchase of any Bonds from the Redemption Account shall be made by the Trustee within the the period of forty-five (45) days next preceding a date on which those Bonds are subject to redemption. The Series Resolution authorizing a Series of Bonds which includes Term Bonds may provide for such remeption or purchase of Term Bonds pursuant to this paragraph (10) to be a credit against and reduction of such Sinking Fund Installments as is determined by that Series Resolution.

(11) If at any time the amounts in the Principal and Interest Account are insufficient to pay interest on the Bonds as it falls due and to pay principal on Bonds at maturity or on Sinking Fund Installment dates, the Trustee shall transfer to the Principal and Interest Account moneys from the Redemption Account which, when added to funds in the Principal and Interest Account, shall be sufficient to make such payments. If, after that transfer, the amounts in the Principal and Interest Account remain insufficient to make such payments, the Trustee shall transfer amounts from the Reserve Fund to the Principal and Interest Account sufficient to make such payments.

(12) As long as any of the Bonds remain outstanding and unpaid as to either principal or interest, in whole or in part, all amounts in the Debt Service Fund shall be held in trust by the Trustee for the sole benefit of the Holders of Bonds or coupons and shall be applied solely for the payment, redemption or purchase of the Bonds or coupons, all as provided in this Section, and shall not be used for any other purpose.

(13) The Debt Service Fund and each Account in it shall be separate and segregated from all other funds and accounts of the Authority or the Board. Cash funds and investments in the Debt Service Fund and each Account in it shall never be commingled with other funds or accounts of the Authority or the Board for any purpose whatsoever.

602. *Reserve Fund.* (1) There is established and created a seperate and distinct fund to be maintained by the Trustee and entitled the "School Assistance Bonds Debt Service Reserve Fund" (the "Reserve Fund"). The Authority shall pay to the Trustee for deposit in the Reserve Fund that portion of the proceeds of the sale of any Series of Bonds as shall be provided by the Series Resolution authorizing that Series of Bonds. The Trustee shall pay to and deposit in the Reserve Fund all amounts provided to be transferred to the Reserve Fund from the Principal and Interest Account pursuant to paragraph (4) of Section 601 of this Resolution.

(2) All amounts on deposit in the Reserve Fund shall be held in trust for the sole benefit of the Holders of the Bonds and coupons as provided in this Resolution and shall be applied and used solely for the payment of principal of the Bonds, at maturity or on Sinking Fund Installment dates, and for the payment of interest on the Bonds as it falls due, or for transfer to the Principal and Interest Account for application as provided by this Resolution, and shall not be used for any other purpose.

(3) Amounts in the Reserve Fund shall be transferred by the Trustee to the Debt Service Fund to the credit of the Principal and Interest Account at the times and in the amounts as required by paragraph (11) of Section 601 of this Resolution, in order to pay principal of the Bonds at maturity or on Sinking Fund Installment dates and to pay interest on the Bonds as it falls due.

(4) On or prior to December 1, 1980, and or prior to June 1, 1981, the Trustee shall pay to and deposit in the Debt Service Fund to the credit of the Capitalized Interest Account for each Series of Bonds for which interest on those dates is provided by the Series Resolutions for those Series of Bonds to be paid from such an Account, all interest or investment earnings, if any, received through those dates on the Investment Obligations purchased from amounts deposited from proceeds of that Series of Bonds in the Reserve Fund pursuant to Section 909 of this Resolution.

(5) On December 1 of each year beginning in 1981 the Trustee shall pay to and deposit in the Debt Service Fund to the credit of the Principal and Interest Account all amounts in the Reserve Fund to the extent the value of the Reserve Fund is in excess of the Reserve Requirement.

(6) Whenever the Trustee shall determine that the total amount in the Reserve Fund, together with all amounts in the Debt Service Fund, will be sufficient to pay or to redeem or to provide for the payment or redemption of all the Outstanding Bonds, the Trustee shall pay to and deposit in the Debt Service Fund to the credit of the Redemption Account such remaining amounts in the Reserve Fund.

(7) The Reserve Fund shall be separate and segregated from all other funds and accounts of the Authority or the Board. Cash funds and investments in the Reserve Fund shall never be commingled with other funds or accounts of the Authority or the Board for any purpose whatsoever.

603. *Lien and Security Interest in Debt Service Fund and Reserve Fund.* The Debt Service Fund, including all its accounts, and the Reserve Fund shall be funds held in trust for the Holders of the Bonds and coupons as provided in this Resolution. The Holders of the Bonds and coupons shall have and are granted a security interest in and lien upon all cash and investments of such Funds, and such Funds shall be applied solely as provided in this Resolution, except that only the Holders of Bonds and coupons of a particular Series shall have and are granted such a security interest in and lien upon amounts in the Capitalized Interest Account for that Series of Bonds. The security interests and liens described in this Section are valid and binding from the date the Bonds are issued, without any physical delivery or further action, and shall be valid and binding as against, and prior to any claim of all other parties having claims of any kind in tort, contract or otherwise against the State, the Authority, the Board, the City, or any other person, irrespective of whether such other parties have notice of the lien or security interest.

604. *Disposition of Bonds and Coupons Upon Payment.* All Bonds paid and redeemed, or purchased by the Trustee, under the provisions of this Resolution, either at or before maturity, together with all unmatured coupons, if any, pertaining to those Bonds, shall be cancelled when such payment, redemption or purchase is made, and such Bonds and coupons, unless then held by the Trustee, shall be delivered to the Trustee. All interest coupons shall be cancelled upon their payment and delivered to the Trustee. All cancelled Bonds and coupons shall from time to time, upon direction of an Authorized Officer, be cremated or otherwise destroyed by the Trustee. The Trustee shall execute a certificate of cremation or other destruction in duplicate describing the Bonds and coupons so cremated or otherwise destroyed, listing their numbers, and one executed certificate shall be filed with the Authority and the other executed certificate shall be retained by the Trustee.

ARTICLE VII

Security for Deposits and Investment of Funds

701. *Security for Deposits.* All moneys held under this Resolution by the Trustee or any Paying Agent shall be continuously and fully secured for the benefit of the Authority and the Holders of the Bonds and the coupons, as their respective interests may appear, by Investment Obligations of a market value equal at all times to the amount of the deposit so held by the Trustee. However, it shall not be necessary for the Trustee or any Paying Agent to give security for such amount of moneys as is insured by Federal deposit insurance, for the Trustee to give security for any moneys which shall be represented by Investment Obligations purchased under the provisions of this Resolution as an investment of such monies, or for any Paying Agent to give security for the deposit of any moneys held by it in trust for the Holders of Bonds and coupons.

702. *Investment of Funds and Accounts Held by the Trustee.* (1) Upon direction of an Authorized Officer, moneys in the Funds and Accounts established by this Resolution shall be invested by the Trustee in Investment Obligations so that the maturity date or date of redemption at the option of the holder of such Investment Obligations shall coincide, as nearly as practicable, with the times at which moneys in these Funds and Accounts will be required for the purposes provided in this Resolution.

(2) Moneys in the Reserve Fund shall be invested by the Trustee upon direction of an Authorized Officer, in Investment Obligations the maximum maturity of which shall not be more than ten (10) years from the date of such investment; provided, however, that at least 25% of the moneys in the Reserve Fund shall from time to time be invested in Investment Obligations the average maturity of which shall not be more than two (2) years from the date of any investment.

(3) Obligations purchased as an investment of moneys in any Fund or Account held by the Trustee under the provisions of this Resolution shall be deemed at all times to be a part of such Fund or Account and the income or interest earned by a Fund or Account due to the investment thereof shall be deposited in and credited to such Fund or Account.

(4) In computing the value of any Fund or Account held by the Trustee under the provisions of this Resolution, except the Reserve Fund, obligations purchased as an investment of moneys therein shall be valued at the cost or market price thereof, whichever is lower, exclusive of accrued interest. In computing the value of the Reserve Fund, obligations purchased as an investment of moneys therein shall be valued at par, or if purchased at less than par, at their cost to the Authority.

(5) The Trustee shall sell at the best price obtainable, or present for redemption, any obligation purchased by it as an investment whenever it shall be necessary in order to provide moneys to meet any payment or transfer from the Fund or Account for which each investment was made. The Trustee shall advise the Authority in writing, on or before the last day of each calendar month, of the details of all investments held for the credit of each Fund and Account in its custody under the provisions of this Resolution as of the end of the preceding month.

(6) The Trustee shall continuously invest all amounts deposited in a Capitalized Interest Account for a Series of Bonds in such Investment Obligations referred to in subparagraphs (a) or (d) of the definition of Investment Obligations in Section 101 of this Resolution, as directed in writing by an Authorized Officer pursuant to Section 909 of this Resolution, until all the interest to be paid from the Account has been paid. The Trustee shall continuously invest all amounts deposited in the Reserve Fund from proceeds of any Series of Bonds for which interest is payable from a Capitalized Interest Account on December 1, 1980, or June 1, 1981, in Investment Obligations referred to in subparagraphs (a) or (d) of the definition of Investment Obligations in Section 101 of this Resolution as directed in writing by an Authorized Officer pursuant to Section 909 of this Resolution.

703. *Liability of Trustee for Investments.* The Authority shall authorize, direct and confirm in writing by an Authorized Officer, all investments by the Trustee. If the Authority fails to direct investments, the Trustee shall invest such amount at its discretion in such Investment Obligations as is permitted by this Resolution. The Trustee shall not be liable or responsible for the making of any investment authorized by the provisions of this Article, in the manner provided in this Section, or for any loss resulting from any such investment so made, except for its own gross negligence or willful default.

ARTICLE VIII

The Trustee and Paying Agents

801. *Trustee; Appointment and Acceptance of Duties.* The First National Bank of Chicago, Chicago, Illinois is appointed Trustee under this Resolution. The Trustee shall signify its acceptance of the duties and obligations imposed on it by this Resolution by a written instrument of acceptance deposited with the Authority prior to issuance of the first Series of Bonds.

802. *Paying Agents; Appointment and Acceptance of Duties.* (1) The Authority shall appoint one or more Paying Agents for the Bonds of any Series in the Series Resolution authorizing such Bonds, and may at any time or from time to time appoint one or more other Paying Agents in the manner and subject to the conditions set forth in Section 811 of this Resolution for the appointment of a successor Paying Agent. The Trustee may be appointed to act as Paying Agent notwithstanding that it may then be acting in the capacity of the Trustee. Moneys paid to Paying Agents pursuant to this Resolution shall be held in trust for the Holders of the Bonds and coupons and any risk of loss of such amounts shall be the risk of such Holders and not the Authority.

(2) Each Paying Agent shall signify its acceptance of the duties and obligations imposed upon it by the Resolution by written instrument of acceptance deposited with the Authority and the Trustee.

(3) The corporate trust offices of the Paying Agents are designated as the respective agencies of the Authority for the payment of the interest and principal and Redemption Price of the Bonds, except that interest, principal and Redemption Price

of all Bonds in fully registered form and principal and Redemption Price of all Bonds in coupon form registered as to principal (other than to bearer) shall be payable at the corporate trust office of the Trustee. Interest on Bonds in fully registered form shall be payable by check mailed by the Trustee to the Holders of those Bonds at their address as shown on the registry books of the Authority maintained at the Trustee.

803. *Responsibilities of Trustee and Paying Agents.* The recitals of fact in this Resolution, the Series Resolutions, the Tax Levy Ordinances and the Bonds shall be taken as the statements of the Authority (or the City Council in the case of the Tax Levy Ordinances), and neither the Trustee nor any Paying Agent assumes any responsibility for their correctness. Except as explicitly provided in this Resolution, neither the Trustee nor any Paying Agent shall be deemed to make any representations as to the validity or sufficiency of this Resolution, the Series Resolutions, the Tax Levy Ordinances or the Bonds or in respect of the security afforded by such documents. Except as explicitly provided in this Resolution, neither the Trustee nor the Paying Agent shall have any responsibility or duty with respect to the issuance of the Bonds or the application of the proceeds of the Bonds or the application of any moneys paid to the Board. Neither the Trustee nor any Paying Agent shall be under any obligation or duty to perform any act which would involve it in expense or liability or to institute or defend any suit in respect of its duties and obligations under this Resolution, or to advance any of its own moneys unless properly indemnified to its reasonable satisfaction. Neither the Trustee nor any Paying Agent shall be liable in connection with the performance of its duties and obligations under this Resolution except for its own gross negligence or willful default or breach of trust. Neither the Trustee nor any Paying Agent shall have any responsibility or duty with respect to the application of any moneys paid by any of them to any other.

804. *Evidence on Which Trustee and Paying Agents May Act.* The Trustee and any Paying Agent may act upon any notice, resolution, request, consent, order, certificate, report, opinion, bond, or other paper or document believed by it to be genuine, and to have been signed or presented by the proper party or parties and shall not be liable for any such action. The Trustee and any Paying Agent may consult with counsel of recognized competency in such matters who may or may not be counsel to the Authority, and the opinion or advice of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by the Trustee or any Paying Agent under this Resolution in good faith and in accordance with such opinion or advice. Whenever the Trustee or any Paying Agent shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering any action under this Resolution, any Series Resolution, or any Tax Levy Ordinance, such matter (unless other evidence is specifically prescribed by such document) may be deemed to be conclusively proved and established by a certificate of an Authorized Officer of the Authority, and such certificate shall be full warrant for any action taken or suffered in good faith under the provisions of such document, but in its discretion the Trustee or any Paying Agent may in lieu of such certificate accept other evidence of such fact or matter or may require such further or additional evidence as may seem reasonable to it. Except as otherwise expressly provided in this Resolution, any request, order, notice or other direction required or permitted to be furnished pursuant to any provision of this Resolution by the Authority to the Trustee or any Paying Agent shall be sufficiently executed if executed in the name of the Authority by an Authorized Officer.

805. *Compensation.* The Authority shall pay to the Trustee and to each Paying Agent from time to time reasonable compensation for all services rendered under this Resolution, and also all reasonable expenses, charges, counsel fees and other disbursements, including those of its attorneys, agents and employees, incurred in the performance of their powers and duties under this Resolution. The Authority further agrees to defend, indemnify and save the Trustee or any Paying Agent harmless against any liabilities which it may incur in the exercise and performance of its powers and duties under this Resolution, and which are not due to the Trustee's gross negligence or willful default. Such payment of fees and indemnification of the Trustee and each Paying Agent shall be from available funds of the Authority. The Trustee and the Paying Agents shall have no right to use any amounts in the Debt Service Fund or the Reserve Fund or to have any set-off, lien or other right to any such amounts for such purposes.

806. *Permitted Acts and Functions.* The Trustee and any Paying Agent may buy, own, hold and sell (including acting as an underwriter in respect of) any Bonds or other bonds or notes of the Authority; and may engage or be interested in any financial or other transaction with the Authority with like effect and with the same rights as if it were not such Trustee or Paying Agent.

807. *Resignation or Removal of Trustee.* (1) The Trustee may at any time, except during such time as the Authority shall have failed to pay (and shall continue to fail to pay) principal on any Bonds at maturity or on Sinking Fund Installment dates or to pay interest on any Bond as it comes due, resign and be discharged of the duties and obligations created by this Resolution by giving not less than sixty (60) days' written notice to the Authority and publishing notice of the resignation, specifying the date when such resignation shall take effect, once in a daily newspaper of general circulation in the City. Such resignation shall take effect upon the day specified in such notice unless previously a successor shall have been appointed, as provided in Section 808 of this Resolution, in which event such resignation shall take effect immediately on the appointment of the successor.

(2) The Trustee shall be removed by the Authority if at any time the Authority is so requested by an instrument or concurrent instruments in writing filed with the Trustee and the Authority, and signed by the Holders of a majority in principal amount of the Bonds then Outstanding or their attorneys-in-fact duly authorized, excluding any Bonds held by or for the account of the Authority. The Authority may remove the Trustee at any time, except during such time as the Authority shall have failed to pay (and shall continue to fail to pay) principal of any Bond (at maturity or in Sinking Fund Installment dates) or to pay interest on any Bond as it falls due, for such cause as shall be determined by the Authority by filing with the Trustee an instrument of removal signed by an Authorized Officer of the Authority.

808. *Appointment of Successor Trustee.* In case at any time the Trustee shall resign or shall be removed or shall become incapable of acting, or shall be adjudged a bankrupt or insolvent, or if a receiver, liquidator or conservator of the Trustee, or of its property, shall be appointed, or if any public officer shall take charge or control of the Trustee or of its property or affairs, the Authority covenants and agrees that it will then by resolution appoint a successor Trustee. The Authority shall publish notice of any such appointment made by it in a daily newspaper of general circulation in the City, such publication in each case to be made within twenty (20) days after such appointment. The Authority shall also promptly give notice as to the appointment of the successor Trustee to the county collector of each county in which any taxable property in the City is located. If appointment of a successor Trustee shall not be made as required by the foregoing provisions of this Section within forty-five (45) days after the Trustee shall have given to the Authority written notice, as provided in Section 807 of this Resolution, or after a vacancy in the office of the

Trustee shall have otherwise occurred, the Trustee or any Holder of the Bonds may apply to any court of competent jurisdiction to appoint a successor Trustee. That court may thereupon, after such notice, if any, as such court may deem proper and prescribed, appoint a successor Trustee. A copy of the order of court so appointing a successor Trustee shall be given promptly by an Authorized Officer to the county collector of each county in which any taxable property in the City is located. Any Trustee appointed under the provisions of this Section in succession to the Trustee shall be a bank or trust company organized under the laws of the State of Illinois or a national banking association doing business and having its principal office in the City of Chicago, State of Illinois, and having a capital and undivided surplus aggregating at least Twenty Million Dollars ($20,000,000), and willing and able to accept the office on reasonable and customary terms and authorized by law to perform all the duties imposed upon it by this Resolution.

809. *Transfer of Rights and Property to Successor Trustee.* Any successor Trustee appointed under this Resolution shall execute, acknowledge and deliver to its predecessor as Trustee, and also to the Authority, an instrument accepting such appointment, and thereupon such successor Trustee, without any further act, deed or conveyance, shall become fully vested with all moneys, estates, properties, rights, powers, duties and obligations of such predecessor Trustee, with like effect as if originally named as Trustee; but the Trustee ceasing to act shall nevertheless, on the written request of the Authority or of the successor Trustee, execute, acknowledge and deliver such instruments of conveyance and further assurance and do such other things as may reasonably be required for more fully and certainly vesting and confirming in such successor Trustee all the right, title and interest of the predecessor Trustee in and to any property or right held by it under this Resolution, and shall pay over, assign and deliver to the successor Trustee any money or other property subject to the trusts and conditions set forth in this Resolution. Should any deed, conveyance or instrument in writing from the Authority be required by such successor Trustee for more fully and certainly vesting in and confirming to such successor Trustee any such estates, rights, powers and duties, any and all such deeds, conveyances and instruments in writing shall, on request, and so far as may be authorized by law, be executed, acknowledged and delivered by the Chairman or other Authorized Officer. Any successor Trustee shall promptly notify the Paying Agents of its appointment.

810. *Merger, Conversion or Consolidation.* Any company into which the Trustee or any Paying Agent may be merged or converted or with which it may be consolidated or any company resulting from any merger, conversion or consolidation to which it shall be a party or any company to which the Trustee or any Paying Agent may sell or transfer all or substantially all of its corporate trust business, shall be the successor to such Trustee or Paying Agent without the execution or filing of any paper or the performance of any further act, provided with respect to the Trustee that such company shall be a bank or trust company organized under the laws of the State, and otherwise qualifying under Section 808 of this Resolution for appointment as a Trustee and shall be authorized by law to perform all the duties imposed upon it by this Resolution.

811. *Resignation or Removal of Paying Agents and Appointment of Successors.* Any Paying Agent may at any time resign and be discharged of the duties and obligations created by this Resolution by giving at least sixty (60) days' written notice to the Authority and the Trustee. Any Paying Agent may be removed at any time by an instrument filed with such Paying Agent and the Trustee and signed by an Authorized Officer of the Authority. Any successor Paying Agent shall be appointed by the Authority and shall be a bank or trust company organized under the laws of any state of the United States or a national banking association, having a capital and surplus aggregating at least Twenty Million Dollars ($20,000,000), and willing and able to accept the office of Paying Agent on reasonable and customary terms and authorized by law to perform all the duties imposed upon it by this Resolution. In the event of the resignation or removal of any Paying Agent, such Paying Agent shall pay over, assign and deliver any monies held by it as Paying Agent to its successor, or if there be no successor then appointed, to the Trustee until such successor is appointed. At all times at least one Paying Agent shall be a bank or trust company which maintains its corporate trust office in the City. The Authority shall notify the Trustee as to the appointment of a successor Paying Agent.

812. *Powers of Bondholder or Trustee to Enforce Compliance.* The Trustee shall have all the rights, duties and powers as provided in other sections of this Resolution. In addition, the Trustee shall have power, in its sole discretion, but shall not be obligated, to bring any legal proceedings on behalf of any Holders of the Bonds to enforce the provisions of the Act, this Resolution, any Series Resolution or any Tax Levy Ordinance or any security for the Bonds or coupon as provided by such documents, but this provision shall not exclude any Holder of the Bonds from bringing any such legal proceedings in his or her own name. The Trustee and any Holder of the Bonds may bring any legal proceedings to compel the performance by any person of the obligations, duties and responsibilities imposed under the Act, the Resolution, any Series Resolution or any Tax Levy Ordinance or the Bonds. Those legal proceedings may include, without limitation, actions for injunctive or other equitable relief or for a writ or writs of mandamus. It shall not be necessary in order for any such proceeding to be brought that Bonds have not then been paid as to principal due either at maturity or on Sinking Fund Installment dates or as to interest then due.

813. *Trustee's Annual Valuation of Funds and Report and Tax Levy Certificates.* As promptly as practicable after December 1 in each year (beginning in 1981) but in any event on or prior to December 15 of such year, the Trustee shall determine the value of the cash and investments in the Principal and Interest Account and the Reserve Fund and shall prepare and submit to the Authority a Trustee's Annual Report. The Trustee's Annual Report shall contain a full and complete report on all receipts and expenditures of all Funds and Accounts established under this Resolution and of all transfers between such Funds and Accounts for the year ending the previous November 30. The report shall also include all expenditures and transfers to be made in December of the year of the Report pursuant to paragraphs (4) and (11) of Section 601 and paragraph (5) of Section 602 of this Resolution. In addition, the Report shall state:

(a) The value of the Principal and Interest Account as of such December 1, after payment of the interest then due on the Bonds and after giving effect to any transfer in that December pursuant to paragraph (4) of Section 601 or to paragraph (5) of Section 602 of this Resolution.

(b) The value of the Reserve Fund as of such December 1 after giving effect to any transfer pursuant to paragraph (4) of Section 601 or Paragraph (5) of Section 602 of this Resolution.

(c) The total amount of taxes received by the Trustee in all years prior to the date of the Report, shown by year of receipt.

(d) The total amount, if any, of all taxes required to be collected in the next calendar year pursuant to paragraph (3) of Section 906 of this Resolution.

(e) The total amount of all taxes required to have been collected pursuant to this Resolution in all years, up to and including the year of the Report (less any abatements of those taxes allowed by this Resolution).

(f) The Debt Service Requirements for the next June 1.

(g) The percentage by which the total ad valorem property taxes on taxable property in the City collected during the preceding calendar year was less than the total of such taxes extended for collection in that year.

The Trustee's Annual Report shall remind the Authority of its obligations under Section 908 of this Resolution. In addition, no later than December 31 of each year, beginning in 1981, the Trustee shall file in the offices of the county clerks of each county in which any taxable property in the City shall be located at statement, certified by a corporate trust officer of the Trustee, of the amount of the taxes which are to be included in the levy for that year pursuant to paragraph (3) of Section 906 of this Resolution.

ARTICLE IX

Covenants of the Authority

The Authority covenants and agrees with the Holders of the Bonds and coupons as follows:

901. *Payment of Bonds.* The Authority shall duly and punctually pay or cause to be paid the principal of the Bonds at maturity or on Sinking Fund Installment dates and the interest thereon, at the dates and places and in the manner provided in the Bonds and in the coupons pertaining to the Bonds, according to the true intent and meaning of the Bonds and coupons.

902. *Offices for Payment and Registration of Bonds and Coupons.* The Authority shall at all times maintain an office or agency in the City of Chicago, State of Illinois, where Bonds and coupons may be presented for payment. The Authority may by a Series Resolution designate an additional Paying Agent or Paying Agents where Bonds and coupons of the Series authorized by that Series Resolution may be presented for payment. The Authority shall at all times maintain an office or agency in the City of Chicago, State of Illinois, where Bonds and coupons may be presented for registration, transfer or exchange. The Trustee is appointed as its agent to maintain such office or agency for the registration, transfer or exchange of Bonds and coupons.

903. *Further Assurances and Actions.* At any and all times the Authority shall, so far as it may be authorized or permitted by law, pass, make, do, execute, acknowledge and deliver all and every such further resolutions, acts, assignments, grants, transfers and assurances as may be necessary or desirable for the better assuring, conveying, granting, confirming and effecting all and singular the liens upon and security interests in all rights, claims and interests in any levy of taxes for payment of any Bonds and coupons or in any present or future proceeds of those levies or in any Funds or Accounts created or established by this Resolution or by any Series Resolution pursuant to this Resolution for the Holders of the Bonds and coupons. It will take all necessary actions of all kinds to cause the taxes which are to be levied as provided in Section 906 of this Resolution to be extended and collected as provided by that Section.

904. *Security Interest and Liens.* It will not assign, pledge or grant a security interest in or lien upon any of its rights, claims or interests arising pursuant to any levy of taxes made pursuant to this Resolution with respect to the Bonds or in any present or future proceeds of such levies or in any Fund or Account created or established by this Resolution or any Series Resolution except as provided by this Resolution, for the payment of principal, Redemption Price or interest on the Bonds.

905. *Issuance of Additional Obligations.* (1) The Authority shall not create or permit the creation of or issue any obligations or create any indebtedness which will be secured by a lien upon or security interest in any rights, claims or interests of the Authority to any levy of taxes for payment of Bonds or in any present or future proceeds of those levies or by a lien upon or security interest in any Funds or Accounts created or established by or pursuant to Article VI of this Resolution, or which will be payable from the Debt Service Fund or the Reserve Fund, except that Series of Bonds may be issued from time to time pursuant to a Series Resolution under this Resolution on a parity with the Outstanding Bonds and secured by a equal and ratable charge and payable equally and ratably from the Debt Service Fund and Reserve Fund for any lawful purposes (except that Capitalized Interest Accounts shall be established for paying interest solely on particular Series of Bonds).

(2) No Series of Bonds shall be issued under this Resolution unless

(a) the principal amount of the Bonds then to be issued, together with the principal amount of the obligations of the Authority theretofore issued and outstanding, will not exceed in aggregate principal amount any limitation imposed by law;

(b) there is at the time of issuance of such additional Bonds no deficiency in the amounts required by this Resolution or any Series Resolution to be paid into the Capitalized Interest Account for such additional Series of Bonds (as provided in Section 909 of this Resolution);

(c) the value of the Reserve Fund, upon the issuance and delivery of such additional Bonds and the depositing in the Reserve Fund of any amount provided so to be deposited by the Series Resolution authorizing the issuance of such additional Bonds, shall not be less than the Reserve Requirement;

(d) the Series Resolution authorizing the issuance of such Series of Bonds shall demand and direct the City Council of the City to levy taxes sufficient to pay the Bonds of that Series as provided in Section 906 of this Resolution;

(e) the City Council of the City shall have duly adopted a Tax Levy Ordinance levying taxes sufficient to pay the Bonds of that Series as provided in Section 906 of this Resolution which Tax Levy Ordinance shall include as Exhibits a copy of this Resolution and a copy of the related Series Resolution (exhibits to a Series Resolution may be deleted from the copy attached to the Tax Levy Ordinance);

(f) certified copies of the Tax Levy Ordinance shall have been duly filed in the offices of the clerks and the collectors of each county in which any taxable property in the City is located;

(g) the various requirements specified in Section 204 for issuance of Bonds under this Resolution shall have been made with respect to such additional Bonds; and

(h) there shall be no maturity of any Serial Bonds or any Sinking Fund Installments on any Term Bonds of any Series on any date as to which interest on Bonds of that Series is to be paid from a Capitalized Interest Account.

(3) No Bonds, except Bonds issued to pay principal or interest on Bonds or to redeem Bonds (whether issued at or before the time of payment or redemption), to provide deposits to the Reserve Fund, or to pay costs of issuance, shall be issued after 1984.

906. *Levy of Taxes.* (1) Prior to the issuance of any Series of Bonds, the Authority shall by the Series Resolution authorizing that Series of Bonds, demand and direct the City Council of the City to provide by ordinance (the "Tax Levy Ordinance") for the levy and collection of a direct annual tax upon all taxable property within the City, being the school district named the Board of Education of the City of Chicago, without limitation as to rate or amount, sufficient to pay and discharge the principal of Bonds of that Series, at maturity or on Sinking Fund Installment dates, and to pay interest on Bonds of that Series as it falls due, and in particular, but not in limitation of the foregoing, sufficient to produce the amounts set out or described in paragraphs (2) and (3) of this Section. Prior to the issuance of any such Series of Bonds, the City Council shall have adopted such a Tax Levy Ordinance with respect to such Series of Bonds.

(2) The Series Resolution and the Tax Levy Ordinance for such Series of Bonds shall specify the amounts of taxes to be levied for each year for the purpose of providing for the payment of the principal of Bonds at maturity or on Sinking Fund Installment dates, and for payment of interest on Bonds as it falls due. The amount of the tax which shall be so specified for the levy provided for each year shall be an amount (which dollar amount shall be stated in the Series Resolution and the related Tax Levy Ordinance) sufficient to produce a sum equal to the Debt Service Requirements on that Series of Bonds on December 1 of the year following the year of levy and on June 1 of the next succeeding year. No tax need be levied to pay any interest on any Bonds, which interest is to be paid from a Capitalized Interest Account as provided in Section 909 of this Resolution.

(3) The taxes which the Series Resolution shall provide to be collected and which the Tax Levy Ordinance shall levy for the purpose of paying and discharging the principal of the Bonds at maturity or on Sinking Fund Installment dates and paying interest on the Bonds as it falls due, and for the purpose of providing money to be deposited in the Reserve Fund pursuant to the Act, shall include the additional sums provided in this paragraph (3). These amounts shall be in addition to the dollar amounts specifically required by paragraph (2) of this Section to be set forth. The additional amounts provided in this paragraph shall be collected in each year while any of the Bonds are outstanding and unpaid, either as to principal or interest, beginning with the tax levy for 1981. The additional amount required by this paragraph (3) to be levied for each such year shall be the sum sufficient to produce the amount, if any, by which

> (a) the cumulative total of Debt Service Requirements on that Series of Bonds authorized by that Series Resolution through December 1 of such levy year, less an amount equal to the interest paid from a Capitalized Interest Account shall have exceeded
>
> (b) the cumulative total of the collections of all taxes levied as provided by the Tax Levy Ordinance with respect to that Series of Bonds (including taxes levied pursuant to this paragraph) for all years up to and through December 1 of such levy year.

Section 813 of this Resolution provides for the Trustee to file statements in December of each year (beginning in 1981) as to the amount of taxes to be included in the levy under this paragraph in the year of filing. The failure of the Trustee to file the certificate referred to in that Section 813 shall not affect the validity of the levy of taxes as provided for by this paragraph and whether or not the Trustee shall file the statement, the county clerks and collectors of each county in which any taxable property in the City shall be located shall be directed by the Tax Levy Ordinance to cause to be extended and collected all the amounts provided to be collected in each year pursuant to this paragraph and the Tax Levy Ordinances.

(4) After the adoption and effectiveness of this Resolution, and each Series Resolution, the Secretary of the Authority shall cause to be filed a copy of each such resolution duly certified by or on behalf of the Secretary of the Authority with the City Clerk of the City. After the adoption and effectiveness of any Tax Levy Ordinance, the City Clerk of the City shall cause copies of that Tax Levy Ordinance, duly certified by or on behalf of that officer, to be filed in the offices of the county clerks and county collector of each county in which any taxable property in the City is located. Upon filing of such copies of the Tax Levy Ordinance with the offices of such county clerks, it shall be the duty of those county clerks to extend the taxes so levied by that Tex Levy Ordinance, all as provided in the Act, the Series Resolution, this Resolution and the Tax Levy Ordinance. Except as specifically provided in this Resolution, the taxes so to be levied as provided in this Resolution shall be computed, extended and collected in the same manner as is now or may subsequently be provided for the computation, extension and collection of *ad valorem* property taxes in the City generally. The taxes to be levied as provided by this Resolution, the Series Resolutions and Tax Levy Ordinances shall be extended without limitations as to rate and shall be extended in amounts sufficient to produce the taxes as so levied.

(5) In extending the taxes provided by this Resolution and the Series Resolutions to be levied and the taxes levied by Tax Levy Ordinances the county clerks of each county in which any taxable property in the City is located, shall include in each year an amount to cover loss and cost of collection and anticipated deferred collections of the taxes so levied. Such amount shall be determined by the Authority pursuant to the Act, this Resolution and the Series Resolutions. The amount so determined by the Authority shall be expressed as a percentage of the amounts of taxes required to be collected in such year as provided by the Act, this Resolution, the Series Resolutions and the Tax Levy Ordinances. Each Series Resolution shall determine the amounts so to be included in each extension year as an allowance which the Authority shall reasonably estimate to be needed to cover loss and cost of collection and anticipated deferred collections of such taxes as extended in the collectors' books, for such years. The amounts so determined shall be based on the actual recent experience of tax collections of levies of taxes in the City, as of the adoption of the Series Resolution giving account to the time in which levies for any year have been collected. The amounts as so determined by any Series Resolution for inclusion in the taxes to be extended in any year shall be subject to change as provided in Section 908 of this Resolution.

(6) The taxes to be levied as provided in this Resolution, the Series Resolutions and the Tax Levy Ordinances shall be in addition to and exclusive of the maximum of all other taxes which the Authority, the Board or the City Council of the City is now, or may hereafter be authorized by law to levy for any and all school (or any other) purposes The taxes so to be levied as provided in this Resolution, the Series Resolutions and the Tax Levy Ordinances shall be separate and apart from all other taxes of the Authority, the Board and the City and shall be separately identified as such by the proper tax collectors for such taxes.

(7) While any Bonds remain Outstanding and unpaid, the tax levies to be made as provided by this Resolution, the Series Resolutions and the Tax Levy Ordinances shall be for the sole benefit of the Holders of the Outstanding Bonds and the coupons pertaining to such Bonds and such Holders shall have and are granted a security interest in, and a lien upon, all rights, claims and interests of the Authority arising pursuant to those levies and all present and future proceeds of such levies. The

security interest in and lien upon those rights, claims and interests are valid and binding from the time the Bonds are issued, without any physical delivery or further act, and shall be valid and binding as against, and prior to any claims of, all other parties having claims, if any, of any kind in contract, tort or otherwise against the State, the Authority, the Board or the City, or any other person, irrespective of whether such other parties have notice of such lien or security interest.

(8) Upon all Bonds of any Series being paid in full as to both principal and interest, or provision having been made for such payment as provided in Section 1101 of this Resolution, the Trustee shall give notice of that fact to the county clerks of each county in which any taxable property of the City is located, and all further taxes levied pursuant to the Series Resolution and the Tax Levy Ordinance for that Series of Bonds shall then be abated. However, if any Series of Bonds are issued to refund any Outstanding Bonds, the Series Resolution and the Tax Levy Ordinance for that refunding Series of Bonds may provide that the taxes which have been levied pursuant to the Series Resolution and Tax Levy Ordinance for the Bonds being refunded for years prior to the year in which the Tax Levy Ordinance for the refunding Bonds is adopted and filed with the appropriate county clerks, will continue to be extended, collected and paid to the Trustee and deposited in the Debt Service Fund. The amount of any such levy in a prior year for Bonds being refunded which shall not be required to pay principal on those Bonds being refunded at maturity or on Sinking Fund Installment dates or interest on those Bonds being refunded as it falls due may reduce the required amounts of taxes to be levied for the refunded Bonds for those years.

(9) As to tax payments made with respect to estimated tax bills which are computed on the basis of a prior year's extension of taxes, the county collectors of taxes are directed to pay to the Trustee not less than the percentage of such tax receipts which the prior year's extension of levies for the Bonds was of all extensions of taxes of the Authority in that prior year.

(10) All proceeds from the levy of any taxes by any Tax Levy Ordinance shall be deposited by the county collector of each county in which any taxable property in the City is located directly in the Debt Service Fund with the Trustee and shall be applied, as provided by this Resolution, solely for the payment and discharge of the Bonds (at maturity or on Sinking Fund Installment dates) and of interest on the Bonds as it falls due, or for the redemption or purchase of Bonds as provided by this Resolution or for transfer to the Reserve Fund as provided by this Resolution and shall not be used for any other purpose.

907. *Abatement of Taxes.* The Authority will not repeal, abate or reduce the taxes levied pursuant to the Act, this Resolution, any Series Resolution or any Tax Levy Ordinance, or otherwise take any action to restrict the extension and collection of those taxes, except that the Authority may take action to cause those taxes to be abated to the following extent:

> (a) The Authority may abate any such taxes to the extent that taxes are levied to pay principal of or interest on Bonds which at the time of the abatement shall have been paid or redeemed in full as to both principal and interest or for the payment or redemption of which provision shall have been made as provided in Article XI of this Resolution;
>
> (b) The Authority may abate any such taxes as provided pursuant to Section 601 of this Resolution.

908. *Allowance for Loss.* (1) Pursuant to Section 906 of this Resolution the Authority is required in each Series Resolution to determine an amount to be included in the extension of taxes levied by the related Series Tax Levy Ordinance, for an allowance for loss and cost of collection and anticipated deferred collections of those taxes. The allowance for such loss and cost of collection and anticipated deferred collections is to be expressed as a percentage of the taxes required to be produced in any year, all as provided in Section 906 of this Resolution.

(2) The Authority may, and when required by this Resolution shall, in accordance with this Section from time to time by resolution modify the determination of the allowance for loss and cost of collection and anticipated deferred collections made by a Series Resolution. In December of each year, beginning in 1981, the Authority shall by resolution determine whether to modify the allowance for loss and cost of collection and anticipated deferred collections for all those taxes to be extended in any future year or years. The Series Resolution may contain restrictions on the powers of the Authority to reduce the allowance as determined by that Series Resolution. A certified copy of any resolution of the Authority modifying the determination of the allowance for loss and cost of collection and anticipated deferred collections shall be filed by the Secretary of the Authority or an Authorized Officer of the offices of the county clerks of each county in which any taxable property in the City is located prior to December 31 of the year in which the resolution is adopted.

(3) The allowance for loss and cost of collection and anticipated deferred collections for any extension of taxes levied with respect to any Series of Bonds for any year shall not in any event be less than the percentage which would have been needed to be added to the the total of all property taxes collected in the City for the second full calendar year preceding the year of extension to equal the total of the gross property taxes in the City extended in such preceding calendar year. In any event, the Authority shall for each tax levy with respect to each Series of Bonds for each year determine an allowance for loss and cost of collection and anticipated deferred collections of taxes of an amount which the Authority shall by resolution find to be sufficient so that the amounts of taxes to be collected will produce the amounts required to be produced pursuant to this Resolution.

909. *Capitalized Interest.* (1) Each Series Resolution authorizing any Series of Bonds shall determine the interest payment dates on which interest from the Bonds of that Series shall be paid from a Capitalized Interest Account for that Series of Bonds. All interest payable on any interest payment date on or prior to the June 1 of the year succeeding the year of the first levy of taxes with respect to that Series of Bonds shall be paid from a Capitalized Interest Account (except, with respect to a Series of Bonds issued to refund Outstanding Bonds, to the extent that taxes levied for the Outstanding Bonds being refunded will be available for payment of interest on the refunding Bonds).

(2) Upon the issuance of any Series of Bonds there shall be deposited into the Capitalized Interest Account for that Series of Bonds, from the proceeds of that Series, an amount as shall be sufficient to purchase Investment Obligations of any types described in subparagraphs (a) or (d) of paragraph 15 of Section 101 of this Resolution as shall be designated in writing to the Trustee by an Authorized Officer, the principal of and interest on which, when due, will provide money which (when added to any money to be transferred to the Capitalized Interest Account for that Series from the Reserve Fund) will produce money sufficient to pay interest on the Bonds of that Series on the interest payment dates on which interest is to be paid from that Capitalized Interest Account. The amount of money which shall be treated as transferable from the Reserve Fund shall be calculated on the basis of the amount of interest and investment earnings to be received in time to make

such transfer on Investment Obligations to be purchased by the Trustee as designated in writing by an Authorized Officer from amounts deposited in the Reserve Fund from proceeds of such Bonds.

910. *Arbitrage.* The Authority will not use or invest any proceeds of the sale of any of the Bonds or any other funds in any manner which would cause any Bonds to be "arbitrage bonds" within the meaning of Section 103(c) of the United States Internal Revenue Code of 1954, as amended, and any lawful regulations promulgated under that Section.

911. *Application of Taxes, Funds and Accounts.* The Authority shall faithfully apply pursuant to the terms of this Resolution all proceeds of taxes levied with respect to the Bonds and all moneys and Investment Obligations in the Debt Service Fund and the Reserve Fund pursuant to this Resolution and the Series Resolutions.

912. *Payment of Trustee and Paying Agents.* The Authority will promptly pay all amounts owed by it under this Resolution to the Trustee and the Paying Agents.

ARTICLE X

The Authority may adopt at any time or from time to time Supplemental Resolutions for any one or more of the following purposes:

(6) With the consent of the Trustee, to correct any ambiguity or defect or inconsistent provisions in this Resolution or any Series Resolution or to insert such provisions clarifying matters or questions arising under this Resolution or any Series Resolution as are necessary or desirable in the event any such modifications are not contrary to or inconsistent with this Resolution or such Series Resolution as in effect prior to the adoption of any such Supplemental Resolution, or

(7) To create one or more sub-accounts within the Principal and Interest Account, to provide for the crediting of amounts in the Principal and Interest Account to the various sub-accounts and to provide for the order in which amounts in the various sub-accounts shall be applied for the purposes for which the Principal and Interest Account is to be applied as provided in this Resolution, provided, however, that a Supplemental Resolution adopted pursuant to this paragraph (7) shall not in any way affect the rights or duties of the Authority or the Trustee to pay amounts to, deposit amounts in or credit them to the Principal and Interest Account or to apply amounts in that Account at the times, in the manner and for the purposes all as provided in this Resolution.

Any Series Resolution or Supplemental Resolution shall become effective in accordance with its terms upon the filing with the Trustee of a copy certified by an Authorized Officer.

1002. *General Provisions Relating to Series Resolutions and Supplemental Resolutions.* This Resolution shall not be modified or amended in any respect except in accordance with and subject to the provisions of this Article X. Nothing contained in this Article X shall affect or limit the right or obligation of the Authority to adopt, made, do, execute or delivery any resolution, act or other instrument pursuant to the provisions of Section 903 of this Resolution or the right or obligation of the Authority to execute and deliver to the Trustee or any Paying Agent any instrument elsewhere in this Resolution provided or permitted to be delivered to the Trustee or any Paying Agent. The Trustee is authorized to accept delivery of a certified copy of any Series Resolution or Supplemental Resolution permitted or authorized pursuant to the provisions of this Resolution and to make all further agreements and stipulations which may be contained in that Series Resolution or Supplemental Resolution. In taking such action, the Trustee shall be fully protected in relying on Counsel's Opinion that such Series Resolution or Supplemental Resolution is authorized or permitted by the provisions of this Resolution. 102. *Definitions.* (1) All terms which are defined in Article I of the Bond Resolution shall have the same meanings, respectively, in this 1980 Series A Resolution as such terms are given in Article I of the Bond Resolution

(2) In this 1980 Series A Resolution, "1980 Series A Bonds" shall mean the General Obligation School Assistance Bonds authorized by Article II of this 1980 Series A Resolution.

(3) In this 1980 Series A Resolution "1980 Series A Tax Levy Ordinance" shall mean the ordinance which is to be adopted pursuant to Section 503 of the 1980 Series A Resolution.

(b) The Bond Resolution authorizes the issuance of General Obligation School Assistance Bonds in one or more series pursuant to Series Resolutions authorizing Series of Bonds.

(c) It is necessary and required that the Authority issue at this time a Series of Bonds to be designated "General Obligation School Assistance Bonds, 1980 Series A" to provide moneys to carry out certain of the purposes of the Authority.

(d) The Board is in need of substantial additional money in order for it to continue to provide public education within the City while permitting the Board to meet its obligations to its creditors and the holders of its bonds and notes.

(e) It is necessary and in the best interests of the Authority and the public for the Authority to borrow the sum of $220,000,000 and in evidence of its obligation to repay that borrowing to issue the Bonds, as provided in this 1980 Series A Resolution, and for the Authority to use the amounts received from the sale of the Bonds, all as provided in this 1980 Series A Resolution. Principal, redemption price, if any, and interest on this Bond are payable in any coin or currency of the United States of America which at the time of payment is legal tender for the payment of public and private debts. The interest on this

Bond and the principal and redemption price, if any, of this Bond, if not registered as to principal, are payable at the corporate trust office of The First National Bank of Chicago, in the City of Chicago, Illinois, or, at the option of the holder, at the corporate trust office of Morgan Guaranty Trust Company of New York, in the City of New York, New York, as Paying Agents. If this Bond is registered as to principal other than to bearer, the principal and redemption price, if any, of this Bond are payable at the corporate trust office of The First National Bank of Chicago, Chicago, Illinois, as Trustee.

This Bond is one of a duly authorized issue of bonds of the Authority designated "General Obligation School Assistance Bonds" (the "Bonds"), issued and to be issued in various series under and pursuant to the School Finance Authority Act of the State of Illinois (the "Act") and under and pursuant to the School Assistance Bond Resolution of the Authority duly adopted April 29, 1980 (the "Bond Resolution"), series resolutions authorizing each such series, and ordinances of the City Council of the City of Chicago levying taxes to pay principal of and interest on the Bonds.

This Bond is one of a series of Bonds designated "General Obligation School Assistance Bonds, 1980 Series A" (the "1980 Series A Bonds"), issued in the aggregate principal amount of $220,000,000 under the Bond Resolution and a series resolution authorizing the issuance of such series (the "1980 Series A Resolution"). As provided in the Bond Resolution, the Bonds may be issued from time to time pursuant to series resolutions in one or more series, in various principal amounts, may mature at different times, may bear interest at different rates and, subject to the provisions of the Bond Resolution, may otherwise vary. The aggregate principal amount of Bonds which may be issued under the Bond Resolution is not limited except as provided in that Bond Resolution and the Act, as amended from time to time, and all Bonds issued and to be issued under that Bond Resolution are and will be equally and ratably secured by the covenants, liens and security interests made or provided for in the Bond Resolution (except as to Capitalized Interest Accounts which are for the purpose of paying interest on particular Series of Bonds).

The 1980 Series A Bonds are general obligations of the Authority. To the payment when due of the interest on the 1980 Series A Bonds and of the principal of the 1980 Series A Bonds, at stated maturity or on sinking fund installment dates, the full faith and credit of the Authority are irrevocably pledged. The 1980 Series A Bonds are not obligations of the City of Chicago (the "City"), the Board of Education of the City (the "Board"), the State of Illinois (the "State") or any other political subdivision of the State (other than the Authority) or any charge upon the general credit or against the taxing power of the City, the Board, the State or any other political subdivision of the State (other than the Authority).

The 1980 Series A Bonds have been issued by the Authority upon full payment for the 1980 Series A Bonds as provided in the 1980 Series A Resolution.

The 1980 Series A Bonds, together with such additional Bonds as may be issued under the Bond Resolution, are payable solely from taxes levied or to be levied to pay the principal of and interest on such Bonds and from funds and revenues as provided in the Bond Resolution and the series resolutions. Nothing in this Bond or in the Bond Resolution or the 1980 Series A Resolution prohibits the use for such payment of any funds which lawfully may be used for that purpose.

The issuance by the Authority of the 1980 Series A Bonds will not cause the Authority to exceed or violate any applicable limitation or condition regarding the issuance of obligations of the Authority imposed by the Constitution or laws of the State.

1980 Series A Bonds maturing on or after June 1, 1991, are subject to redemption at the option of the Authority as a whole, or in part in the inverse order of maturity and by lot within a maturity, if less than a whole maturity is redeemed, on any interest payment date on or after June 1, 1990, at the respective redemption prices (expressed as percentages of the principal amounts of the 1980 Series A Bonds to be redeemed) on the dates, all as set forth below, plus interest accrued on such 1980 Series A Bonds to the date fixed for redemption:

This Bond is transferable by delivery except when registered as to principal otherwise than to bearer. It may be registered as to principal in the name of the owner on the books of the Authority kept for the purpose at the corporate trust office of the Trustee, such registration to be noted on this

Bond, after which no transfer of this Bond shall be valid unless made on those books by the registered owner in person, or by such owner's attorney duly authorized in writing, and similarly noted on the Bond, but this Bond may be discharged from registration by being in like manner registered to bearer, after which it shall again become transferable by delivery, and this Bond may again from time to time be registered or discharged from registration in the same manner. Registration of this Bond shall not affect the negotiability of the coupons, which shall continue to be payable to bearer and be transferable by delivery.

The 1980 Series A Bonds are issuable in coupon form, registrable as to principal only, in the denomination of $5,000, and in fully registered form without coupons in denominations of $5,000 and integral multiples thereof. Subject to the limitations and upon payment of the charges provided in the Bond Resolution, 1980 Series A Bonds in fully registered form without coupons may be exchanged for a like aggregate principal amount of 1980 Series A Bonds in coupon form bearing all unmatured coupons (and any matured coupons as to which interest is in default) or for a like aggregate principal amount of 1980 Series A Bonds in fully registered form without coupons of other authorized denominations, and 1980 Series A Bonds in coupon form bearing all unmatured coupons (and any matured coupons as to which interest is in default) may be exchanged for a like aggregate principal amount of 1980 Series A Bonds in fully registered form without coupons of authorized denominations.

502. *Additional Levy.* The taxes to be collected as provided in this Article V for the purpose of paying the principal of and interest on Bonds, and for the purpose of providing money to be deposited in the Reserve Fund pursuant to the Act, shall include the additional amounts provided in this Section, in accordance with paragraph (3) of Section 906 of the Bond Resolution. These amounts shall be in addition to the dollar amounts specifically set forth in Section 501 of this 1980 Series A Resolution. The additional amounts provided in this Section shall be levied for each levy year, beginning with the tax levy for 1981, and shall be collected in each year while any of the 1980 Series A Bonds are outstanding and unpaid, either as to principal or interest. The additional amount to be levied for each such year shall be the sum sufficient to produce the amount, if any, by which

(a) the cumulative total of Debt Service Requirements on the 1980 Series A Bonds through December 1 of such levy year less an amount equal to the interest paid from the 1980 Series A Capitalized Interest Account shall have exceeded

(b) the cumulative total of the collections of all taxes levied as provided by the 1980 Series A Tax Levy Ordinance with respect to the 1980 Series A Bonds (including taxes levied pursuant to this Section) for all years up to and through December 1 of such levy year.

No later than December 31 of each year, beginning in 1981, the Trustee shall file in the offices of the county clerks of each county in which any taxable property in the City is located, a statement, certified by a corporate trust officer of the Trustee, of the amount of the taxes which are to be included in the levy in that year as provided in this Section. The failure of the Trustee to file the certificate referred to in the preceding sentence shall not affect the validity of the levy of taxes as provided in this Section and, whether or not the Trustee shall file the statement, the county clerks and collectors of each county in which any taxable property in the City is located are directed to cause to be extended and collected all the amounts provided to be collected in each year, pursuant to this Section.

503. *Direction and Demand to City Council.* Pursuant to the Act, demand is made upon the City Council of the City and the City Council is directed to provide by ordinance for the levy and collection of a direct annual tax upon all taxable property within the City, being the school district named Board of Education of the City of Chicago, without limitation as to rate or amount, sufficient to pay and discharge the principal of the 1980 Series A Bonds at maturity or on Sinking Fund Installment dates and to pay the interest on the 1980 Series A Bonds as it falls due and to make deposits in the Reserve Fund, and in particular, but not in limitation of the foregoing, sufficient to produce the amounts set out and described in Section 501 and 502 of this Article.

504. *Filing of Tax Levy Ordinance, Extension of Taxes.* After the adoption of this 1980 Series A Resolution, the Secretary of the Authority is authorized and directed to file copies of it, duly certified by or on behalf of the Secretary, with the City Clerk of the City. After the adoption and effectiveness of the 1980 Series A Tax Levy Ordinance of the

City Council levying the taxes described in this Article, the City Clerk of the City is directed to file copies of that 1980 Series A Tax Levy Ordinance, duly certified by or on behalf of that officer, in the office of the County Clerk of DuPage County, Illinois, and in the office of the County Clerk of Cook County, Illinois (which are all the counties in which any taxable property in the City is located) and in the offices of the County Collectors for those counties. Upon filing of such copies of the 1980 Series A Tax Levy Ordinance with those County Clerks, it shall be the duty of those County Clerks to extend the taxes so levied for the 1980 Series A Bonds, all as provided in the Act, the 1980 Series A Tax Levy Ordinance, the Bond Resolution and this 1980 Series A Resolution. Except as specifically provided in the Bond Resolution, this 1980 Series Resolution or the 1980 Series A Tax Levy Ordinance, the taxes levied as provided in this 1980 Series A Resolution shall be computed, extended and collected in the same manner as is now or may subsequently be provided for the computation, extension and collection of *ad valorem* property taxes in the City generally. The taxes to be levied as provided by this 1980 Series A Resolution shall be extended without limitation as to rate and shall be extended in amounts sufficient to produce the taxes as so levied.

505. *Allowance for Loss and Cost of Collection and Anticipated Deferred Collections.* In extending the taxes provided by this 1980 Series A Resolution and the 1980 Series A Tax Levy Ordinance to be levied, the county clerks of each county in which any taxable property in the City is located, shall include in each year an amount to cover loss and cost of collection and anticipated deferred collections of the taxes so levied. Such amount is and shall be determined by the Authority pursuant to the Act, the Bond Resolution and this 1980 Series A Resolution. The amount so determined by the Authority is and shall be expressed as a percentage of the amounts of taxes required to be collected in such year as provided by the Bond Resolution, this 1980 Series A Resolution and the 1980 Series A Tax Levy Ordinance. It is determined that the amounts so to be included in extensions in each year as an allowance which the Authority shall reasonably estimate to be needed to cover loss and cost of collection and anticipated deferred collections of such taxes as extended in the collectors' books, for the following years of extension, are the following amounts:

Extension Year	*Allowance*
1981	7.0%
1982 (and each succeeding year)	4.5%

These amounts are based on the actual recent experience of tax collection of levies of taxes in the City giving account to the time in which levies for any year have been collected. The amounts as so determined are found to be presently sufficient so that the amounts of taxes to be levied and collected will produce the amounts required to be produced pursuant to this Article V. The amounts as so determined for inclusion in the taxes to be extended in any year shall be subject to change as provided in Section 908 of the Bond Resolution but no decrease of this allowance shall be made for extension for the years 1981 or 1982.

Interest shall be computed on the basis of a year of 360 days from the date of the Bond until maturity on the principal amount from time to time remaining unpaid.

The Bond shall bear interest on any overdue amount of principal or interest at the rate of thirteen per cent (13%) per annum until paid to the maximum extent permitted by law.

Upon written notice as specified in the next succeeding paragraph given by the Company on behalf of the Issuer, the principal installments of the Bond are subject to prior redemption in the event the Note or a portion thereof is prepaid at the option of the Company as provided in the Agreement. The principal of the Bond is subject to prior redemption on any date, in whole, or in part in the inverse order of maturity of principal installments and in amounts not less than $50,000, at a price of 100% of the principal amount being redeemed, plus accrued interest to the date fixed for redemption, plus a premium expressed as a percentage of principal redeemed as follows: (i) for redemption on or before May 1, 1981, five per cent (5%); (ii) for redemption thereafter and on or before May 1, 1982, three percent (3%); (iii) for redemption thereafter, none.

(i) the entire principal amount of the Bond outstanding on the date fixed for redemption, plus accrued interest on the principal amount paid on redemption to the date fixed for redemption, plus additional interest on the principal amount paid on redemption at the rate of seven per cent (7%) per annum from the date of the Determination of Taxability to the date fixed for redemption;

Upon receipt by the Issuer and the Bank of at least 10 days' prior written notice specifying a date for the redemption of the principal installments of the Bond, the Bank shall, to the extent that amounts are or become available therefor in the Bond Fund, redeem the principal installments of the Bond in accordance with the applicable preceding paragraphs. All principal installments of the Bond designated for prior redemption will cease to bear interest on the specified redemption date, provided funds for their redemption are on deposit at Harris Trust and Savings Bank on such date.

The Bond may be prepared in typewritten, printed or engraved form.

The principal installments of and interest on the Bond shall be payable to Harris Trust and Savings Bank in lawful money of the United States of America at the principal office of Harris Trust and Savings Bank in the City of Chicago, Illinois. The Bank shall note on the Payment Record attached as Schedule A to the Bond the date and amount of payment of each installment of principal then being paid or redeemed and interest then being paid and of principal theretofore paid or redeemed and interest theretofore paid and not yet noted thereon and, upon request of the Company or the Issuer, the Bond shall be available for inspection by the Company or the Issuer at the offices of the Bank at Chicago, Illinois. The Bond and the obligation to pay interest thereon do not now and shall never constitute an indebtedness or a loan of credit of the Issuer, the State of Illinois or any political subdivision thereof, or a charge against their general taxing powers, within the meaning of any constitutional or statutory provisions of the State of Illinois, but shall be secured and payable only as aforesaid.

In the event the Bond is mutilated, lost, stolen or destroyed, the Issuer may execute a new Bond of like date, tenor and maturity as that Bond mutilated, lost, stolen or destroyed; provided that, in the case the Bond is mutilated, the mutilated Bond shall first be surrendered to the Issuer, and in the case the Bond is lost, stolen or destroyed, there shall be first furnished to the Issuer evidence of such loss, theft or destruction satisfactory to the Issuer, together with indemnity satisfactory to the Issuer. The Issuer shall duplicate on the Payment Record of the new Bond replacing the mutilated, lost, stolen or destroyed Bond all payments of interest which the Issuer's records indicate as having appeared on the mutilated, lost, stolen, or destroyed Bond. In the event all the principal installments of the Bond shall have matured, instead of issuing a duplicate Bond the Issuer may pay the same without surrender thereof. The Issuer may charge the holder or owner of the Bond with reasonable fees and expenses in this connection.

SECTION 7. The Bond and all payments required of the Issuer hereunder are not general obligations of the Issuer but are special and limited obligations secured by assignment of the interest of the Issuer in the Agreement and the Note as hereinafter authorized, and payable by the Issuer solely and only out of the revenues and receipts derived from the Agreement and the Note as provided herein.

There is hereby created by the Issuer and ordered established with the Bank, as depositary, a special fund to be designated "City of Chicago, Illinois, Bond Fund (Armstrong Project) (herein sometimes referred to as the "Bond Fund"), which shall be used solely and only to pay the principal installments of and the interest and premium, if any, on the Bond.

GENERAL CONDITIONS TO SHORT FORM LEASE

1. LESSOR'S SUCCESSORS. The terms and provisions of this lease and the conditions herein shall bind the Lessor, and his heirs, executors, administrators, successors, and assigns.

2. APPLICABLE CODES AND ORDINANCES. The Lessor, as part of the rental consideration, agrees to comply with all codes and ordinances applicable to the ownership and operation of the building in which the rented space is situated and, at his own expense, to obtain all necessary permits and related items.

3. OFFICIALS NOT TO BENEFIT. No member of or delegate to Congress, or resident Commissioner shall be admitted to any share or part of this rental contract, or to any benefit that may arise therefrom; but this provision shall not be construed to extend to this rental contract if made with a corporation for its general benefit.

4. COVENANT AGAINST CONTINGENT FEES. The Lessor warrants that no person or selling agency has been employed or retained to solicit or secure this Agreement upon an agreement or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by the Lessor for the purpose of securing business. For breach or violation of this warranty the Postal Service shall have the right to annul this lease without liability or in its discretion to deduct from the rental price or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage or contingent fee. (Licensed real estate agents or brokers having listings on property for rent, in accordance with general business practice, and who have not obtained such licenses for the sole purpose of effecting this lease, may be considered as bona fide employees or agencies within the exception contained in this clause.)

5. ALTERATIONS. The Postal Service may make alterations, attach fixtures or signs and erect structures in or upon the premises, all of which shall be the property of the Postal Service and, if the Lessor requests, within 30 days before termination of the Lease, the Postal Service will repair promptly or provide the Lessor payment in lieu thereof for any damage caused by its removal of such property.

DELETED

6. EXAMINATION OF RECORDS. (NOTE: This provision is applicable if this Lease was negotiated without advertising.)

a. The Lessor agrees that the Postmaster General or any of his duly authorized representatives shall, until the expiration of 3 years after final payment under this Lease, have access to and the right to examine any directly pertinent books, documents, papers, and records of the Lessor involving transactions related to this Lease.

b. The Lessor further agrees to include in all his subcontracts hereunder a provision to the effect that the subcontractor agrees that the Postmaster General or his representatives shall, until the expiration of 3 years after final payment under this Lease, have access to and the right to examine any directly pertinent books, documents, papers, and records of such subcontractor involving transactions related to the subcontract. The term "subcontract" excludes (1) purchase orders not exceeding $2,500, and (2) subcontracts for purchase orders for public utility services at rates established for uniform applicability to the general public.

7. RECORDING. The Agreement shall be recorded at the expense of the Lessor, upon the request of the Postal Service Contracting Officer, said expense to include all required fees.

DELETED

8. MAINTENANCE; FITNESS FOR USE. The Lessor shall, except as otherwise specified and except for damage resulting from the act or negligence of Postal Service agents or employees, maintain the demised premises in good repair and tenantable condition. If the leased premises or any part thereof become unfit for use for the purposes for which leased, the Lessor shall put the same in satisfactory condition, as determined by the Postal Service, for the purposes for which leased. If he fails to make repairs or otherwise restore the premises to tenantable condition within a reasonable time after receipt of notice from the Contracting Officer, the Postal Service shall have the right to perform the work, by contract or otherwise, and withhold the cost thereof from payments due or to become due under this contract. In addition, for any period the premises or any part thereof are unfit for the purposes for which leased, the rental shall be abated in proportion to the area determined by the Postal Service to have been rendered unavailable by reason of such condition. Unfitness for use does not include subsequent unsuitability arising from such matters as design, size or location of the building.

During the continuance of the lease, the interior of the building, including but not limited to, the walls and ceilings, shall be repainted at least once every five (5) years unless required more often because of damage from fire or other casualty, or unless the five year period is specifically extended in writing by the Contracting Officer.

The Lessor shall designate on Form 7426 emergency maintenance repairmen for electrical, plumbing, heating, ventilating and air conditioning emergencies or other emergencies (window, doors, locks, etc.) that may be called in the event of an emergency situation involving maintenance of the property and/or equipment when the Lessor or his designated agent cannot be contacted within a reasonable time.

9. DESTRUCTION OF PREMISES. Notwithstanding the provisions of Clause 8, if the premises be destroyed by fire or other casualty, this lease shall immediately terminate.

10. NOTICE OF REQUIREMENT FOR CERTIFICATION OF NONSEGREGATED FACILITIES. The Lessor is cautioned as follows: By signing the offer, the Lessor will be deemed to have signed and agreed to the provisions of the "Certification of Nonsegregated Facilities" included in this solicitation. The certification provides that the Lessor does not maintain or provide for his employees facilities which are segregated on a basis of race, creed, color, or national origin, whether such facilities are segregated by directive or on a de facto basis. The certification also provides that he will not maintain such segregated facilities. Failure of a Lessor to agree to the Certification of Nonsegregated Facilities will render his offer ineligible for acceptance if the payments thereunder exceed $10,000 and the contract is not otherwise exempt from the provisions of the Equal Opportunity clause.

11. EQUAL OPPORTUNITY. (The following clause is applicable unless this contract is exempt under the rules, regulations, and relevant orders of the Secretary of Labor (41 CFR, ch. 60).)

During the performance of this contract, the Lessor agrees as follows:

(a) The Lessor will not discriminate against any employee or applicant for employment because of race, color, religion, sex or national origin. The Lessor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex or national origin. Such action shall include, but not be limited to, the following: Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Lessor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the Contracting Officer setting forth the provisions of this Equal Opportunity clause.

(b) The Lessor will, in all solicitations or advertisements for employees placed by or on behalf of the Lessor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex or national origin.

(c) The Lessor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice, to be provided by the agency Contracting Officer, advising the labor union or workers' representative of the Lessor's commitments under this Equal Opportunity clause, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

(d) The Lessor will comply with all provisions of Executive Order No. 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.

(e) The Lessor will furnish all information and reports required by Executive Order No. 11246 of September 24, 1965, and by the rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the contracting agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

(f) In the event of the Lessor's noncompliance with the Equal Opportunity clause of this contract or with any of the said rules, regulations, or orders, this contract may be canceled, terminated, or suspended, in whole or in part, and the Lessor may be declared ineligible for further Government contracts in accordance with procedures authorized in Executive Order No. 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order No. 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

(g) The Lessor will include the provisions of paragraphs (a) through (g) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order No. 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The Lessor will take such action with respect to any subcontract or purchase order as the contracting agency may direct as a means of enforcing such provisions, including sanctions for noncompliance: *Provided, however,* That in the event the Lessor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the contracting agency, the Lessor may request the United States to enter into such litigation to protect the interests of the United States.

12. OVERTIME. (a) The Lessor shall not require or permit any laborer or mechanic in any workweek in which he is employed on any work under this Agreement to work in excess of 8 hours in any calendar day or in excess of 40 hours in such workweek on work subject to the provisions of the Contract Work Hours and Safety Standards Act (40 U.S.C. 327-333) unless such laborer or mechanic receives compensation at a rate not less than one and one-half times his basic rate of pay for all such hours worked in excess of 8 hours in any calendar day or in excess of 40 hours in such workweek, whichever is the greater number of overtime hours. The "basic rate of pay", as used in this clause, shall be the amount paid per hour, exclusive of the Lessor's contribution or cost for fringe benefits and any cash payment made in lieu of providing fringe benefits, or the basic hourly rate contained in the wage determination (if applicable), whichever is greater.

(b) In the event of any violation of the provisions of paragraph (a), the Lessor shall be liable to any affected employee for any amounts due, and to the Postal Service for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic employed in violation of the provisions of paragraph (a) in the sum of $10 for each calendar day on which such employee was required or permitted to be employed on such work in excess of 8 hours or in excess of the standard workweek of 40 hours without payment of the overtime wages required by paragraph (a).

(c) The Contracting Officer may withhold from the Lessor, from any moneys payable under the lease, such sums as may administratively be determined to be necessary to satisfy any liabilities of the Lessor for unpaid wages and liquidated damages.

13. HEALTH AND SAFETY STANDARDS. (a) To the extent this agreement is for construction, alteration, and/or repair, including painting and decorating, the Lessor shall not require any laborer or mechanic employed in the performance of this agreement to work in surroundings or under working conditions which are unsanitary, hazardous, or dangerous to his health or safety as determined under standards promulgated by the Secretary of Labor under the authority of 40 U.S.C. 333 (see 29 CFR Part 1518).

(b) In the event it is determined that the Lessor has failed to comply with this provision regarding health and safety standards, the Postal Service, in its discretion, may cancel this agreement, contract for the balance of the work or term, and charge to the Lessor the additional cost, if any, incurred thereby.

14. SUBCONTRACT PROVISIONS. The Lessor agrees to insert the Overtime clause, the Health and Safety Clause and this Subcontract Provisions clause in all subcontracts hereunder and to require their inclusion in all subcontracts of lower tier. The term "Lessor" as used in these clauses in any subcontract shall be deemed to refer to the subcontractor.

15. ASSIGNMENT OF CLAIMS. (a) If this agreement provides for payments aggregating $1,000 or more, claims for moneys due or to become due the Lessor from the Postal Service under this Lease may be assigned to a bank, trust company, or other financing institution, including any Federal lending agency, and may thereafter be further assigned and reassigned to any such institution. Any such assignment or reassignment shall cover all amounts payable under this Lease and not already paid, and shall not be made to more than one party except that any such assignment or reassignment may be made to one party as agent or trustee for two or more parties participating in such financing. No assignment or reassignment will be recognized as valid and binding upon the Postal Service unless a written notice of the assignment or reassignment, together with a true copy of the instrument of assignment, is filed with (i) the Contracting Officer, (ii) the surety or sureties upon the bond or bonds, if any, in connection with this lease; and (iii) the disbursing officer, if any, designated in this lease to make payment, and the Contracting Officer has acknowledged the assignment in writing.

(b) Assignment of this lease or any interest in this lease other than in accordance with the provisions of this clause shall be grounds for annulment of the lease at the option of the Postal Service.

16. MORTGAGEE'S AGREEMENT. If there is now, or will be, a mortgage on the premises, the Lessor shall, if requested to do so, furnish a mortgagee's subordination agreement on Form 7450.

17. EQUIPMENT, UTILITIES AND SERVICES. Unless otherwise specified herein, the Lessor shall furnish suitable flag staff, proper post office sign and a ten-pound multi-purpose fire extinguisher for all class fires, as well as other equipment as may be specified. He shall keep all such furnished items in good condition, except that the Postal Service shall be responsible for re-charging and shell pressure testing the fire extinguisher with the Lessor remaining responsible for repair and replacement.

18. SUBLEASE. The Postal Service may sublet all or any part of the premises or assign this lease but shall not be relieved from any obligation under this lease by reason of any subletting or assignment.

They will assist foreign visitors both inside and outside the Federal inspection areas.

5. USTS will provide uniforms for receptionists at no expense to the contractor.

    a. Visitor Service Representatives must be proficient, in addition to English, in one or more foreign languages (French, German, Italian, Japanese, Portuguese, Spanish). g. They must create a proper image as they are representing both the U.S. Government and the contractor. Dress, neatness, cooperativeness, friendliness and helpfulness all create this image.

h. Normal hours shall not exceed forty per week.

i. They shall be destinctively uniformed and shall carry on their USTS uniforms both the contractor's insignia and the USTS insignia.

ARTICLE II - REPORTING REQUIREMENTS

A report which will summarize the effort accomplished, evaluate the performance of the receptionists, evaluate the effectiveness of the program, and make recommendations on improving the program and continuing it in the future, shall be submitted to the COTR no later than October 15, 1980.

ARTICLE III - PAYMENT

The Contractor shall be paid as follows upon the submission of invoices/vouchers approved by the Contracting Officer:

A. Hourly Rate

1. The amounts computed by multiplying the appropriate hourly rate, or rates, set forth in the Schedule by the number of direct labor hours performed, which rates shall include wages, overhead, general and administrative expense and profit. Fractional parts of an hour shall be payable on a prorated basis. Vouchers may be submitted once each month (or at more frequent intervals, if approved by the Contracting Officer), to the Contracting Officer or his designee. The Contractor will substantiate vouchers by evidence of actual payment and by individual daily job timecards, or such other substantiation approved by the Contracting Officer. Promptly after receipt of each substantiated voucher, the Government shall make payment thereon as approved by the Contracting Officer.

2. Unless provisions of the Schedule hereof otherwise specify, the hourly rate or rates set forth in the Schedule shall not be varied by virtue of the Contractor having performed work on an overtime basis. If no overtime rates are provided in the Schedule and overtime work is approved in advance by the Contracting Officer, overtime rates will be negotiated. Failure to agree upon these overtime rates will be treated as a dispute under the "Disputes" clause of this contract.

B. Ceiling Contract Price

1. It is estimated that the total costs to the Government for the performance of this contract will not exceed the ceiling price set forth in the Schedule, and the Contractor agrees to use his best efforts to perform the work specified in the Schedule and all obligations under this contract within such price. If at any time during the performance of this contract, the Contractor has reason to believe that the total price to the Government for the performance of this contract will be substantially greater or less than the then stated ceiling price, the Contractor shall so notify the Contracting Officer, giving his revised estimate of the total price for the performance of this contract, together with supporting reasons to believe that the work to be required in the performance of this contract will be substantially greater or less than the stated ceiling price. The Contracting Officer will notify the Contractor of his decision to continue contract performance and shall issue a supplemental agreement to revise the estimate of the total amount of effort to be required under this contract.

2. The Government shall not be obligated to pay the Contractor any amount in excess of the ceiling price, and the Contractor shall not be obligated to continue performance if to do so would exceed the ceiling price unless and until the Contracting Officer shall have notified the Contractor in writing that such price has been increased and shall have specified in such notice a revised ceiling which shall thereupon constitute the ceiling price for performance under this contract. When and to the extent that the ceiling price has been increased, any hours expended in excess of the ceiling price prior to the increase shall be allowable to the same extent as if such hours expended had been incurred after such increase in the ceiling price.

3. Audit

At any time or times prior to final payment under this contract the Contracting Officer may cause to be made such audit of the invoices or vouchers and substantiating materials as shall be deemed necessary. Each payment theretofore made shall be subject to reduction to the extent of amounts which are found by the Contracting Officer not to have been properly payable, and shall also be subject to reduction for overpayments, or to increase for underpayments, on preceding invoices or vouchers.

Tenant hereby waives all notice of any election made by Landlord under this agreement, demand for rent, notice to quit, demand for possession, and any and all notices and demands whatsoever, of any and every nature, which may or shall be required by any statute of this State relating to forcible entry and detainer, or to Landlord and Tenant, or any other statute, or by the common law during the terms of this agreement. The acceptance of rent, whether in a single instance or repeatedly, after it falls due or after knowledge of any breach hereof by Tenant, or the giving or making of any notice or demand, whether according to any statutory provisions or not, or any act or series of acts, except an express written waiver, shall not be construed as a waiver of Landlord's right to act without notice or demand or of any other right hereby given Landlord, or as an election not to proceed under the provisions of this agreement.

If default be made in the payment of the rent, or other charges herein reserved, or of any installment thereof, as herein provided, Tenant does hereby irrevocably constitute any attorney of any Court of Record in this State, attorney for it and in its name, from time to time, to waive the issuance of process and service thereof, to waive trial by jury, to confess judgment in favor of Landlord and against Tenant for the amount of rent which may be then due, by virtue of the terms hereof, or of any extensions or renewals hereof, or by virtue of any holdover after the termination hereof, and which may be in default, as aforesaid, together with the costs of such proceedings and for said purposes to file in said cause his cognovit thereof, and to make an agreement in said cognovit, or elsewhere, waiving and releasing all errors which may intervene in any such proceeding and waiving and releasing all right of appeal and right to writ of error, and consenting to an immediate execution upon such judgment, and Tenant hereby confirms all that said attorney may lawfully do by virtue hereof. The obligation of Tenant to pay the rent reserved hereby during the balance of the term hereof, or during any extension thereof, shall not be deemed to be waived, released or terminated nor shall the right and power to confess judgment given in the preceding paragraph hereof be deemed to be waived or terminated by the service of any five-day notice, other notice to collect, demand for possession, or notice that the tenancy hereby created will be terminated on the date therein named, the institution of any action of forcible detainer or ejectment, or any judgment for possession that may be rendered in such action, or any other act or acts resulting in the termination of Tenant's right to possession of the premises. The Landlord may collect and receive any rent due from Tenant and payment or receipts thereof shall not waive or affect any such notice, demand, suit or judgment, or in any manner whatsoever waive, affect, change, modify or alter any rights or remedies which Landlord may have by virtue hereof.

Tenant shall pay and discharge all costs, expenses and attorney's fees which shall be incurred and expended by Landlord in enforcing the covenants and agreements of this agreement, whether by the institution of litigation or in the taking advice of counsel, or otherwise.

The rights and remedies hereby created are cumulative and the use of one remedy shall not be taken to exclude or waive the right to the use of another.

Article XII

Tenant shall observe and comply with all laws, ordinances, rules and regulations of the United States Government, State of Illinois, County of Cook, City of Chicago and all agencies thereof which may be applicable to its operations or to the operation, management, maintenance or administration of the Pier, now in effect or hereafter promulgated.

Article VIII

In the event the premises or the building of which the premises are a part shall be damaged or destroyed by fire or other casualty, the same may be promptly repaired or rebuilt by Landlord at its expense as soon as funds are available but Landlord shall not be obligated to repair, rebuild, restore or replace any fixtures, equipment, displays or other property installed by Tenant or others pursuant to this agreement.

Provided, however, that Landlord may elect, at its sole option, not to repair or reconstruct the premises or the building, of which the premises are a part, and upon written notice of such election from Landlord to Tenant the obligation of Tenant to pay rent shall cease and this agreement shall thereupon terminate.

Article IX

Landlord hereby grants to Tenant the right of access and ingress to and egress from the premises by Tenant and its employees, contractors, suppliers, servicemen, sublessees, guests, patrons and invitees; provided, that such rights of access, ingress and egress, are at all times exercised in conformance with the further provisions of this agreement and any and all regulations promulgated by Landlord or the Commissioner, or other lawful authority, for the care, operation, maintenance and protection of the Pier and the public.

Operations to be conducted by the Tenant under this agreement shall be done at the sole expense of the Tenant and shall be subject to general inspection by the Landlord to insure a continuing quality of services commensurate with the standards provided for in this agreement and to such other provisions of related agreements as may be pertinent as entered into between Landlord and others governing the use of and operations at the Pier.

Tenant agrees to use its best efforts in every proper manner to maintain and develop the business conducted by it under this agreement and increase same and not to divert or cause, or allow, to be diverted, any business from Pier.

Article X

This agreement shall not and will not, nor shall any copy thereof, or any statement, paper or affidavit, in any way or manner referring hereto, be filed in the office of the Recorder of Deeds of Cook County, Illinois, or in any other public office, by Tenant or anyone acting for Tenant and that if the same be so filed, this agreement and each and every provision hereof shall, at the option of Landlord, be and become absolutely null and void and Landlord may declare such filing a breach of this agreement.

Article XI

If Tenant shall vacate or abandon the premises, or any part thereof, or permit the same to remain vacant or unoccupied, or in case of the non-payment of the rent and charges reserved hereby, or any part thereof, or of the breach of any covenant in this agreement contained, Tenant's right to the possession of the premises thereupon shall terminate, with or without any notice or demand whatsoever, and the mere retention of possession thereafter by Tenant, shall constitute a forcible detainer of said premises, and if the Landlord so elects, but not otherwise, this agreement shall thereupon terminate and upon the termination of Tenant's right of possession, as aforesaid, whether this agreement be terminated or not, Tenant agrees to surrender possession of the premises immediately, without the receipt of any demand for rent, notice to quit or demand for possession of the premises whatsoever, and Tenant hereby grants to Landlord full and free license to enter into and upon said premises, or any part thereof, to take possession thereof without process of law and to expel and remove Tenant, or any other person who may be occupying the premises, or any part thereof and Landlord may use such force in and about expelling and removing Tenant and said other person as may reasonably be necessary and Landlord may repossess itself of the said premises as of its former estate, but said entry of said premises shall not constitute a trespass or forcible entry or detainer, nor shall it cause forfeiture of charges due by virture hereof, nor a waiver of any covenant, agreement or promise in said agreement contained, to be performed by Tenant.

Tenant hereby waives all notice of any election made by Landlord under this agreement, demand for rent, notice to quit, demand for possession, and any and all notices and demands whatsoever, of any and every nature, which may or shall be required by any statute of this State relating to forcible entry and detainer, or to Landlord and Tenant, or any other statute, or by the common law during the terms of this agreement. The acceptance of rent, whether in a single instance or repeatedly, after it falls due, or after knowledge of any breach hereof by Tenant, or the giving or making of any notice or demand, whether according to any statutory provisions or not, or any act or series of acts, except an express written waiver, shall not be construed as a waiver of Landlord's right to act without notice or demand or of any other right hereby given Landlord, or as an election not to proceed under the provisions of this agreement.

If default be made in the payment of the rent, or other charges herein reserved, or of any installment thereof, as herein provided, Tenant does hereby irrevocable constitute any attorney of any Court of Record in this State, attorney for it and in its name, from time to time, to waive the issuance of process and service thereof, to waive trial by jury, to confess judgment in favor of Landlord and against Tenant for the amount of rent which may be then due, by virtue of the terms hereof, or of any extensions or renewals hereof, or by virtue of any holdover after the termination hereof, and which may be in default, as aforesaid, together with the costs of such proceedings and for said purposes to file in said cause his cognovit thereof, and to make an agreement in said cognovit, or elsewhere, waiving and releasing all errors which may intervene in any such proceeding and waiving and releasing all right of appeal and right to writ of error, and consenting to an immediate execution upon such judgment, and Tenant hereby confirms all that said attorney may lawfully do by virtue hereof. Landlord shall have a first lien on Tenant's interest hereunder, and on Tenant's property now or hereafter located in said premises, or elsewhere, to secure the payment of all moneys due hereunder, which lien may be foreclosed in equity and in case of any such foreclosure proceedings, a receiver shall be appointed to take possession of said premises and property and relet the premises under order of court.

The obligation of Tenant to pay the rent reserved hereby during the balance of the term hereof, or during any extension thereof, shall not be deemed to be waived, released or terminated, nor shall the right and power to confess judgment given in the preceding paragraph hereof be deemed to be waived or terminated by the service of any five-day notice, other notice to collect, demand for possession, or notice that the tenancy hereby created will be terminated on the date therein named, the institution of any action of forcible detainer or ejectment, or any judgment for possession that may be rendered in such action, or any other act or acts resulting in the termination of Tenant's right to possession of the premises. The Landlord may collect and receive any rent due from Tenant and payment or receipts thereof shall not waive or affect any such notice, demand, suit or judgment, or in any manner whatsoever waive, affect, change, modify or alter any rights or remedies which Landlord may have by virtue hereof.

Tenant shall pay and discharge all costs, expenses and attorney's fees which shall be incurred and expended by Landlord in enforcing the covenants and agreements of this agreement, whether by the institution of litigation or in the taking advice of counsel, or otherwise.

The rights and remedies hereby created are cumulative and the use of one remedy shall not be taken to exclude or waive the right to the use of another.

Artille XII

Tenant shall observe and comply with all laws, ordinance, rules and regulations of the United States Government, State of Illinois, County of Cook, City of Chicago and all agencies thereof which may be applicable to its operations or to the operation, management, maintenance or administration of the Pier, now in effect or hereafter promulgated.

Article XVI

Tenant hereby waives all notice of any election made by Landlord under this agreement, demand for rent, notice to quit, demand for possession, and any and all notices and demands whatsoever, of any and every nature, which may or shall be required by any statute of this State relating to forcible entry and detainer, or to Landlord and Tenant, or any other statue, or by the common law during the terms of this agreement. The acceptance of rent, whether in a single instance or repeatedly, after it falls due, or after knowledge of any breach hereof by Tenant, or the giving or making of any notice or demand, whether according to any statutory provisions or not, or any act or series of acts, except an express written waiver, shall not be construed as a waiver of Landlord's right to act without notice or demand or of any other right hereby given Landlord, or as an election not to proceed under the provisions of this agreement.

If default be made in the payment of the rent, or other charges herein reserved, or of any installment thereof, as herein provided, Tenant does hereby irrevocable constitute any attorney of any Court of Record in this State, attorney for it and in its name, from time to time, to waive the issuance of process and service thereof, to waive trial by jury, to confess judgment in favor of Landlord and against Tenant for the amount of rent which may be then due, by virtue of the terms hereof, or of any extensions or renewals hereof, or by virtue of any holdover after the termination hereof, and which may be in default, as aforesaid, together with the costs of such proceedings and for said purposes to file in said cause his cognovit thereof, and to make an agreement in said cognovit, or elsewhere, waiving and releasing all errors which may intervene in any such proceeding and waiving and releasing all right of appeal and right to writ of error, and consenting to an immediate execution upon such judgment, and Tenant hereby confirms all that said attorney may lawfully do by virtue hereof. Landlord shall have a first lien on Tenant's interest hereunder, and on Tenant's property now or hereafter located in said premises, or elsewhere, to secure the payment of all moneys due hereunder, which lien may be foreclosed in equity and in case of any such foreclosure proceeding, and receiver shall be appointed to take possession of said premises and property and relet the premises under order of court.

The obligation of Tenant to pay the rent reserved hereby during the balance of the term hereof, or during any extension thereof, shall not be deemed to be waived, released or terminated, nor shall the right and power to confess judgment given in the preceding paragraph hereof be deemed to be waived or terminated by the service of any five-day notice, other notice to collect, demand for possession, or notice that the tenancy hereby created will be terminated on the date therein named, the institution of any action of forcible detainer or ejectment, or any judgment for possession that may be rendered in such action, or any other act or acts resulting in the termination of Tenant's right to possession of the premises. The Landlord may collect and receive any rent due from Tenant and payment or receipts thereof shall not waive or affect any such notice, demand, suit or judgment, or in any manner whatsoever waive, affect, change, modify or alter any rights or remedies which Landlord may have by virtue hereof.

Tenant shall pay and discharge all costs, expenses and attorney's fees which shall be incurred and expended by Landlord in enforcing the covenants and agreement of this agreement, whether by the institution of litigation or in the taking advice of counsel, or otherwise.

The rights and remedies hereby created are cumulative and the use of one remedy shall not be taken to exclude or waive the right to the use of another.

Article XII

Tenant shall observe and comply with all laws, ordinance, rules and regulations of the United States Government, State of Illinois, County of Cook, City of Chicago and all agencies thereof which may be applicable to its operations or to the operation, management, maintenance or administration of the Pier, now in effect or hereafter promulgated.

Article XIV

Landlord may furnish security service, heat, sanitary facilities and utilities as designated at outlets and at points as shown on attachment hereto. Tenant shall pay any and all charges and costs therefor whether or not metered or billed directly from Landlord upon estimates of such costs made solely by Landlord.
